

DisruptJ20 threw me a curveball. They released a public dossier of people they were targeting to attack at the Deploraball. The list included: MIKE CERNOVICH, JACK POSOBIEC, LAUREN SOUTHERN, CASSANDRA FAIRBANKS, BILL MITCHELL, STEPHEN LIMBAUGH, JOE BIGGS, ROGER STONE, JIM HOFT, LUCIAN WINTRICH, GAVIN MCINNES, and SCOTT ISBELL. I was honored to be among such company. The dossier quoted me saying that Star Wars Rogue One was an anti-Trump film. They were completely correct.
