AFFIDAVIT of PROBABLE CAUSE

Your affiant is Sean M. McGlinn, a Special Agent with the Pennsylvania Office of the Attorney General, Bureau of Criminal Investigation, Norristown, PA being duly sworn according to law deposes and says:

On 5/10/2012, ChildLine, Children and Youth Services (CYS), Carbon County, received a complaint that a child, the complainant, an eleven year old child, reported that when left alone with her uncle, Greg WAGNER, Jr., he touches her breasts and bottom and the child is afraid to go home.

As a result of CYS receiving this report, CYS notified the local police department, Franklin Township. Police Officer Franklin Lorah, the on-duty Franklin Township police officer at the time of the report, made arrangements for the child to be interviewed by the Children's Advocacy Center (CAC) in Scranton, PA.

On 5/16/2012, the complainant was interviewed at the CAC on video by Kristen Cashuric-Fetchco, a forensic interviewer. During this interview, the complainant stated that her uncle, Greg WAGNER, Jr., on multiple occasions, has touched her breasts, vagina and buttocks with his hands. Additionally, he has removed his own clothing and rubbed his groin area, which she describes on the video by demonstrating the area with her hands, on her breasts. The complainant, when asked by the interviewer, states that the contact was on her skin and not inside her. She also stated that her uncle, WAGNER, offered her five dollars to have sex with him, which she declined. He has also shown her pornography on his laptop computer, video that she describes as teenagers, with their clothes off, having sex.

Following her forensic interview, the complainant was taken to an examination area where she was given a physical examination by Sandra Federo C.R.N.P., Child Sexual Assault Nurse Examiner. During her interview with the complainant, the complainant disclosed to her that WAGNER also put his fingers into her vaginal area. She described this as painful and she had some bleeding after a few of the episodes. She reported WAGNER showed her pornography which depicted people having oral sex. WAGNER wanted her to perform oral sex on him and she did on more than one occasion. The child also described to the nurse that he would rub his penis on her vaginal area between the lips of the labia minora and this would cause burning when she urinated. The child reported that he did this on numerous occasions.

In her report that she completed as a result of her examination of the complainant, Federo states "I do not find it uncommon for a child not disclose the inappropriate oral contact during her forensic interview due to the fact that she was extremely embarrassed that she did that." In her remarks of Review of Symptoms she stated "GI: There is no history of diarrhea, constipation, or vomiting. There is a lengthy history of belly pain. GU: There is a history of urinary tract infections. There is a history of complaints of burning upon urination, especially after the coitus which she described to me". Federo concluded her remarks in the Procedure section with "Given her detailed disclosure of inappropriate sexual activity with this adult male occurring over the past several years, it is consistent with sexual abuse." "Many of the symptoms that (name redacted) experienced after this inappropriate touching is also consistent with inappropriate sexual contact and penetration of the vagina."

On 05/18/2012 Officer Lorah of the Franklin Township Police Department interviewed WAGNER at the Franklin Township Police office. WAGNER was advised of his rights, which he waived and submitted to questioning. After a few minutes WAGNER requested to stop his interview and speak with a lawyer. The officer does not have a written record of what was asked.

POLICE CRIMINAL COMPLAINT

Docket Number: CR-108-19	Date Filed: 3/21/19	OTN/LiveScan Number 4692240-3	Complaint/Incident Number 63-451
Defendant Name:	First: BRENT	Middle: ROBERT	Last: GETZ

On 6/20/2013 Officer Lorah again questioned WAGNER at the Franklin Township Police office in the presence of his attorney. During the interview WAGNER denied ever having shown the complainant any pornography, asking the complainant to perform oral sex on him or showing her his genitals. When asked if he ever touched her breasts he replied "not in a sexual way".

Thereafter, the Carbon County District Attorney's Office referred this investigation to the PA Office of Attorney General in September 2018 (Getz) and January 2019 (Wagner).

The complainant, was interviewed inside the Nesquehoning Police Department interview room by your Affiant and Special Agent James Smith, on November 7, 2018 at 1:00PM. The Complainant stated the following:

In May, 2012, she told a substitute school teacher of her fifth grade class at Leighton Area Middle School, who she believes is named Klein-Newton, that she had been raped by her uncle, Greg WAGNER. After she reported this, Children and Youth of Carbon County became involved.

The complainant stated that she had been repeatedly raped orally, vaginally and anally by both her uncle, Greg WAGNER and a co-defendant, Brent GETZ. She stated that it happened several times a week from approximately age four (4) through age eleven (11), ending shortly before the report in May, 2012. The complainant stated that WAGNER began his assaults when she was approximately four years old and WAGNER would come to her bedroom and take her to his bedroom. Wagner would touch the complainant's vagina and had her perform oral sex on him. The complainant stated that at approximately age six WAGNER began having vaginal and anal sex with her as well as GETZ becoming a participant in the rapes. GETZ was a friend of WAGNER's who participated in the assaults when he was at WAGNER's home. The rapes took place several times a month for approximately six years. Complainant stated that during the assaults WAGNER would have pornography on in his room.

A brief cell phone video was provided to your Affiant by way of text message, from a relative of the complainant. Complainant stated she took the video a few months after the initial complaint was made against WAGNER, because nobody believed her and she wanted to show people proof. She sent the video to her uncle, Jose Burgos Perez, who retained the video on his cell phone and then sent it to your Affiant in 2018. In the video, which was viewed by your Affiant, WAGNER had his computer tablet and was showing the complainant pornography so she decided to take a video of it with her cell phone to prove he was doing these things. The video depicts a white male, approximately early 20's, seated on a chair, canted to the view of the camera, with a computer tablet on his lap. The tablet appears to depict a video of two people engaged in a sexual act with what sounds like moaning in the background. The white male in the cell phone video, who the complainant identified as WAGNER, appears to be looking at the complainant and positioning the tablet so she can view the tablet video.

On March 26, 2019, a search warrant was executed at WAGNER's residence at 350 Union Hill Road, Leighton, PA 18235. Agents obtained several electronic devices, including a cell phone from WAGNER. A preliminary review of the phone showed that numerous search terms indicative of child pornography searches were entered into "google."

WAGNER was read his Miranda warnings, waived his rights, and agreed to be interviewed by your Affiant. Your Affiant and SA James Smith interviewed WAGNER at the Franklin Township Police Department. WAGNER admitted to having sexual contact with the complainant on at least three occasions, including vaginal, oral and anal sexual intercourse. WAGNER also stated that on one occasion, Brent GETZ, also engaged in oral and anal sex with the complainant while WAGNER played video games in the room.
