Dear Sir/Madam:

Please consider this letter as an appeal of your FOIA responses dated October 25, 2021.

Your response identified 744 pages responsive to my request of which 227 pages were released in part and 84 pages were withheld in full. I believe that this is an excessive amount of withholding and suspect that several of the claimed exemptions were applied in an incorrect or over inclusive manner to many documents. Blanking out an entire page of the Form I-213 is wholly excessive. I suspect many more pages were improperly withheld in full or in part. I therefore respectfully request that your office carefully review the 227 pages withheld in part and 84 pages withheld pages in full to see if any of these can be released further either in part or in full.

In addition, the FOIA record includes repeated references to a "VISA PACKET – WAS – 02/14/1997 – PEN – 02/14/1997." However, there is no copy of the visa packet in the record. Therefore, I also ask that another search of all INS/USCIS files be done for evidence of the aforementioned VISA PACKET.

Sincerely yours,

A handwritten signature in cursive script that reads 'Thomas H. Tousley'.
