Re: Your Appeal to the Solicitor of Labor under the Freedom  
of Information Act and/or Privacy Act.

Date of your appeal: October 22, 2020

Subject of your appeal: "ConMed Corporation"

Appeal Reference No.: 2021-A-00015

This is to acknowledge receipt of your letter appealing a denial of information by a Department of Labor component agency. Your appeal is being processed.

The law requires that appeals be sequenced for action on a first-in first-out basis, consistent with the guidance provided by the courts. *See Open America v. Watergate Special Prosecution Force*, 547 F.2d 605 (D.C. Cir. 1976). The number of appeals currently waiting for review is substantial. However, the Freedom of Information Act permits multitrack processing of requests based on the amount of processing work or time, or both, involved. 5 U.S.C. § 552(a)(6)(D)(i). Thus, we are authorized, to schedule for faster action those appeals which require limited staff time – i.e., those that involve limited scope or complexity.

Should you have any questions about the status of your appeal, have any additional information which you believe should be brought to our attention, or wish to limit or withdraw your appeal, please contact this office at the phone or address listed above.

To help us serve you, please direct your inquiries to Linda Robinson via email at [Robinson.linda@dol.gov](mailto:Robinson.linda@dol.gov), or at the number noted above, and refer to our appeal reference number when making your inquiry. Thank you.
