Hello,

Please find the attached amicus brief to which Congressman Cramer has signed. This is referencing the use of COVID dollars and the ability of the federal government to limit tax decreases.

## INTEREST OF *AMICI*<sup>1</sup>

*Amici* are seventy-four (74) elected Members of the U.S. Senate and U.S. House of Representatives.

*Amici* Members of the U.S. Senate submitting this Brief are Senators Mike Crapo, Tim Scott, John Barrasso, Marsha Blackburn, John Boozman, Mike Braun, John Cornyn, Kevin Cramer, Ted Cruz, Steve Daines, Bill Hagerty, James Lankford, Roger Marshall, Rob Portman, Jim Risch, Ben Sasse, Thom Tillis, Roger Wicker, and Todd Young.

*Amici* Members of the U.S. House of Representatives submitting this Brief are Representatives Jim Banks, Robert Aderholt, Rick Allen, Andy Biggs, Gus Bilirakis, Dan Bishop, Lauren Boebert, Kevin Brady, Mo Brooks, Ted Budd, Kat Cammack, Jerry Carl, Buddy Carter, Madison Cawthorn, Steve Chabot, James Comer, John Curtis, Warren Davidson, Byron Donalds, Jeff Duncan, Scott Fitzgerald, Scott Franklin, Bob Gibbs, Bob Good, Lance Gooden, Marjorie Taylor Greene, Glen Grothman, Michael Guest, Diana Harshbarger, Vicky Hartzler, Kevin Hern, Yvette Herrell, Ashley Hinson, Chris Jacobs, Fred Keller, Doug LaMalfa, Tom McClintock, Dan Meuser, Mary Miller, Blake Moore, Steven Palazzo, Scott Perry, Guy Reschenthaler, David Rouzer, Steve Scalise, Jason Smith, Victoria Spartz, Michelle Steel, W. Gregory Steube, Claudia Tenney, Ann Wagner, Tim Walberg, Michael Waltz, Randy Weber, and Brad Wenstrup.

---

<sup>1</sup>Consistent with Federal Rule of Appellate Procedure 29(a)(4)(E), *amici* affirm that no counsel for a party authored this brief in whole or in part and that no person other than the *amici*, their members, or their counsel has made any monetary contributions intended to fund the preparation or submission of this brief.

*Amici* are involved in a wide variety of matters relating to the crisis imposed by the COVID-19 pandemic, including but not limited to communication with and assistance to constituents, the prioritization and utilization of funds, and securing the public welfare. The COVID-19 pandemic and the government's response thereto are major considerations in the lives of *amici* and their constituents. As such, *amici* have an interest in the issues raised in this case. The Court's disposition of the issues will affect the ability of *amici*'s constituents to access critical services, but also the ability of various States' executive offices to respond as effectively and efficiently as possible to the pandemic. *Amici* Seventy-Four (74) Members of the U.S. Senate and U.S. House of Representatives are aware of the implications of Congress's usage of terms and have a perspective to offer this Court which is inherently different than that of the parties.

*Amicus curiae*, the American Center for Law and Justice ("ACLJ"), is an organization dedicated to the defense of constitutional liberties secured by law and to the importance of federalism. ACLJ attorneys have argued before the Supreme Court of the United States and other federal and State courts in numerous cases involving constitutional issues. *E.g.*, *Pleasant Grove City v. Summum*, 555 U.S. 460 (2009); *Lamb's Chapel v. Ctr. Moriches Union Free Sch. Dist.*, 508 U.S. 384 (1993). The ACLJ has also participated as *amicus curiae* in numerous cases involving constitutional issues before the Supreme Court and lower federal courts. *E.g.*, *Whole Woman's Health v. Hellerstedt*, 136 S. Ct. 2292 (2016); *FEC v. Wis. Right to Life, Inc.*, 551 U.S. 449 (2007); *Van Orden v. Perry*, 545 U.S. 677 (2005). The ACLJ has also participated recently as *amicus* in other cases arising in

Ohio. See *Dave Yost, Att’y Gen. of Ohio, et al. v. Preterm-Cleveland, et al.*, No. 20-3365 (6th Cir.).

The ACLJ is devoted to the rule of law and defending individual rights and liberties, including those enumerated by the Founders in the Declaration of Independence and the United States Constitution – and those protected by the federalism established by the Founders.

*Amici curiae* Seventy-Four (74) Members of the U.S. Senate and U.S. House of Representatives and *amicus curiae* the ACLJ on behalf of its members, submit this Brief in support of the Plaintiff and its Motion for a Preliminary Injunction [Doc. # 3].

### SUMMARY OF THE ARGUMENT

The “Tax Mandate” in the American Rescue Plan Act of 2021, Pub. L. No. 117-2, § 9901 (adding § 602(c)(2)(A) to the Social Security Act (42 U.S.C. § 801 *et seq.*)) (“ARPA”), exceeds Congress’s power under the Spending Clause, U.S. Const. art. I, §8, cl. 1. The conditions, *i.e.*, the “Tax Mandate,” purportedly set by Congress controlling State recipients of the ARPA funds and prohibiting such States from lowering their taxes, exceed the conditioning power recognized by the Supreme Court. If the Tax Mandate is unambiguous, it amounts to an impermissible assault on Ohio’s sovereignty. If it is ambiguous, it fails to pass one of the Supreme Court’s clear limitations on Congress’s conditioning authority. As a result, the *ultra vires* Tax Mandate is unconstitutional. For this reason, as well as those set forth in Ohio’s Motion for a Preliminary Injunction [Doc. # 3], any enforcement of the Tax Mandate must be enjoined.

## ARGUMENT

Acceptance of ARPA funds – of which Ohio would be entitled to approximately \$5.5 billion [Doc. 3, p. 7], is conditioned on a prohibition that bars recipient States from “directly or indirectly” offsetting revenue loss from tax reductions. This means that if Ohio accepts the funds, it is prohibited by Congress from reducing its State taxes. The reason is clear: money is fungible. *See Holder v. Humanitarian L. Project*, 561 U.S. 1, 37 (2010) (“Money is fungible, and when foreign terrorist organizations that have a dual structure raise funds, they highlight the civilian and humanitarian ends to which such moneys could be put.” (internal citation, quotations and alterations omitted)); *Ransom v. FIA Card Servs., N.A.*, 562 U.S. 61, 79 (2011) (explaining that money is fungible where funds used to purchase a vehicle were funds not used to pay down credit card debt); *Hawk v. Comm’r*, 924 F.3d 821, 826 (6th Cir. 2019) (“Money is fungible. So is air.”); *Ark Encounter, LLC v. Parkinson*, 152 F. Supp. 3d 880, 904 (E.D. Ky. 2016) (“Because money is fungible, such benefits will to some extent have the incidental effect of allowing the institution’s other funds to be used to advance their religious purposes if they wish. Indeed, any reimbursement, aid, or tax exemption necessarily frees up other funds for other purposes.”).

Any funds received by Ohio via ARPA will necessarily offset, either directly *or indirectly*, every tax reduction that the State might pursue. This condition comes with teeth: “Another provision in §9901 empowers the Secretary of the Treasury to recoup federal funds that she thinks the State used to offset revenue loss from a tax reduction in violation of the Tax Mandate.” [Complaint, Doc. # 2, p. 2 (citing § 9901 (adding § 602(e) to the SSA))]. This condition is not a choice. It is coercion.

As *amici* ACLJ and Certain Members of Congress know full well, such an attempt at coercion violates the Spending Clause of the United States Constitution and the well-established limitations on Congress's conditioning authority.

The Biden Administration has indicated that, at bottom, and in a manner that matters for purposes of this case, it views the Tax Mandate just as Ohio does:

Treasury spokeswoman Alexandra LaManna . . . defended the provision, saying it does not prevent states from making tax cuts *but simply says pandemic relief funds can't pay for those cuts*. 'It is well established that Congress may establish reasonable conditions on how states should use federal funding that the states are provided,' she said. 'Those sorts of reasonable funding conditions are used all the time – and they are constitutional.'"<sup>2</sup>

Indeed, the "Biden [Administration] has promised 'fastidious' oversight over the use of funds in the relief package."<sup>3</sup> And,

White House press secretary Jen Psaki on Monday said the original purpose of the state and local funding provision was 'to keep cops, firefighters, other essential employees at work and employed, and it wasn't intended to cut taxes. So I think he certainly hopes that that's how the funding is used,' she said of the president.<sup>4</sup>

There is a tension here: on one hand, the Treasury Department told the press that the Tax Mandate does not prevent States from cutting taxes; on the other, it also told the press that ARPA funds cannot be used to pay for those cuts. Defendants cannot have it both ways. Again, since money is fungible, these are conflicting admissions by the Treasury

---

<sup>2</sup> Joey Garrison, *Stimulus Tax Cut Language Rankles Republicans As Ohio AG Files Suit Against Biden Administration*, USA TODAY (Mar. 17, 2021), <https://www.usatoday.com/story/news/politics/2021/03/18/ohio-attorney-general-sues-biden-administration-over-covid-19-stimulus/4746166001/> (emphasis added).

<sup>3</sup> *Id.*

<sup>4</sup> *Id.*

Department. Ohio has identified a congressional conditioning action that the Biden Administration intends to enforce and that the condition plainly can be used to prevent recipient states from reducing their taxes.

Certainly Congress enjoys the ability to condition funding to States. This authority is clear and settled. Just as clear and settled, though, is the fact that the conditioning authority is limited.

**I. Congress Possesses Conditioning Authority Under the Spending Clause, but It is Limited.**

The United States Court of Appeals for the Sixth Circuit has neatly summarized the Supreme Court’s cases recognizing limitations on Congress’s conditioning authority under the Spending Clause:

In upholding statutes in which Congress has attached strings to the receipt of federal grants, the Supreme Court has recognized limitations to Congress’s power under the Spending Clause. They include: (1) the exercise of the spending power must be in pursuit of the general welfare; (2) conditions on the receipt of federal funds must be unambiguous; (3) conditions must be related to the federal interest in a particular national project or program; and (4) the legislation cannot induce the states to engage in activities that would be unconstitutional. *Dole*, 483 U.S. at 207-08 (permitting federal law conditioning receipt of highway construction funds on states’ raising minimum drinking age). Additionally, “the financial inducement offered” may not be “so coercive as to pass the point at which ‘pressure turns into compulsion.’” *Id.* at 211 (quoting *Steward Machine Co. v. Davis*, 301 U.S. 548, 590 (1937) (equating impermissible “coercion” with “destroying or impairing the autonomy of the states”).

*Tennessee v. United States Dep’t of State*, 329 F. Supp. 3d 597, 622–23 (6th Cir. 2018).

Even while vested with the authority to spend funds on the general welfare, “Congress may not simply ‘commandeer the legislative processes of the States by directly compelling them to enact and enforce a federal regulatory program.’” *New York v. United*

*States*, 505 U.S. 144, 161 (1992) (quoting *Hodel v. Va. Surface Mining & Reclamation Assn.*, 452 U.S. 264, 288 (1981)). The Supreme Court “observed that ‘this Court never has sanctioned explicitly a federal command to the States to promulgate and enforce laws and regulations.’” *Id.* (quoting *FERC v. Mississippi*, 456 U.S. 742, 761–62 (1982)). As a result, Congress does not possess *direct* authority to “require the States to govern according to Congress’[s]” preferred tax regime. *New York*, 505 U.S. at 162. And while the Spending Clause of the U.S. Constitution empowers Congress to “provide for . . . the general Welfare,” Congress may not use conditions imposed under the Spending Clause to coerce the States to adopt Congress’s tax policy preferences. *Nat’l Fed’n of Indep. Bus. v. Sebelius*, 567 U.S. 519, 576–78 (2012) [hereinafter *NFIB*] (op. of Roberts, C.J.).

“The Spending Clause grants Congress the power ‘to pay the Debts and provide for the . . . general Welfare of the United States.’” *Id.* at 576 (quoting U.S. Const., Art. I, § 8, cl. 1). As Chief Justice Roberts explained, the Court “ha[s] long recognized that Congress may use this power to grant federal funds to the States, and may condition such a grant upon the States’ ‘taking certain actions that Congress could not require them to take.’” *Id.* (quoting *Coll. Sav. Bank v. Fla. Prepaid Postsecondary Educ. Expense Bd.*, 527 U.S. 666, 686 (1999)).

As the Supreme Court has recognized, “[s]uch measures ‘encourage a State to regulate in a particular way, [and] influenc[e] a State’s policy choices.’” *Id.* (quoting *New York*, 505 U.S. at 166) (second and third alterations original). Logically, “[t]he conditions imposed by Congress ensure that the funds are used by the States to ‘provide for the . . . general Welfare’ in the manner Congress intended.” *Id.* Neither *amici* nor Ohio take issue

with Congress’s conditioning authority. Instead, *amici* support Ohio in calling to this Court’s attention that the conditioning authority has limits – and that those limits have been breached here.

## II. Congress’s Tax Mandate Crosses the Line from Lawful Condition to Unconstitutional Compulsion.

As the Chief Justice put it, “[a]t the same time, our cases have recognized limits on Congress’s power under the Spending Clause to secure state compliance with federal objectives.” *Id.*

“We have repeatedly characterized . . . Spending Clause legislation as ‘much in the nature of a contract.’[”] *Barnes v. Gorman*, 536 U.S. 181, 186 (2002) (quoting *Pennhurst State School and Hospital v. Halderman*, 451 U.S. 1, 17 (1981)). The legitimacy of Congress’s exercise of the spending power “thus rests on whether the State voluntarily and knowingly accepts the terms of the ‘contract.’[”] *Id.* at 17. Respecting this limitation is critical to ensuring that Spending Clause legislation does not undermine the status of the States as independent sovereigns in our federal system. That system “rests on what might at first seem a counterintuitive insight, that ‘freedom is enhanced by the creation of two governments, not one.’[”] *Bond [v. United States]*, 564 U.S. [211,] 220-221 [(2011)] (quoting *Alden v. Maine*, 527 U.S. 706, 758 (1999)). For this reason, “the Constitution has never been understood to confer upon Congress the ability to require the States to govern according to Congress’ instructions.” *New York, supra*, at 162. Otherwise the two-government system established by the Framers would give way to a system that vests power in one central government, and individual liberty would suffer.

*Id.* at 576–77.

The Supreme Court has certainly policed Congress in its attempts to coerce States to do its will. Among those cases, and critical to this Court’s consideration of Ohio’s lawsuit, the Supreme Court has “scrutinize[d] Spending Clause legislation to ensure that Congress is not using financial inducements to exert a ‘power akin to undue influence.’”

*Id.* at 577 (quoting *Steward Mach. Co. v. Davis*, 301 U.S. 548, 590 (1937)). “Congress may use its spending power to create incentives for States to act in accordance with federal policies. But when ‘pressure turns into compulsion,’ the legislation runs contrary to our system of federalism.” *Id.* at 577–78 (internal citation omitted) (quoting *Steward Mach.*, 301 U.S. at 590).

It is certainly true that “[t]he Constitution simply does not give Congress the authority to require the States to regulate.” *Id.* at 578 (quoting *New York*, 505 U.S. at 178). But as the Chief Justice made clear, *this is just as* “true whether Congress directly commands a State to regulate or *indirectly coerces a State* to adopt a federal regulatory system as its own.” *Id.* (emphasis added).

The case before this Court is not like *South Dakota v. Dole*, where the Supreme Court held that Congress’s conditioning of funds on a certain minimum drinking age, incentivized by *a mere 5% reduction* if South Dakota were to choose a lower drinking age, was not so coercive so as to cross the line from pressure into compulsion. 483 U.S. 203, 205–06, 211 (1987). According to the Court,

[w]hen we consider, for a moment, that all South Dakota would lose if she adheres to her chosen course as to a suitable minimum drinking age is 5% of the funds otherwise obtainable under specified highway grant programs, the argument as to coercion is shown to be more rhetoric than fact.

*Id.* at 211. No, Ohio’s case is one where it could face the loss of *all* ARPA COVID-19 relief funds if it does not bend its knee to Congress’s tax policy demands. That is hardly the “mild encouragement,” allowed in *South Dakota v. Dole*. *Id.* No, *Dole* teaches that

congressional *encouragement* to States is permissible. Sovereignty-melting *compulsion* is not.

### III. **The Tax Mandate Is Unconstitutional Either as an Unambiguous, Compulsory Encroachment Upon Ohio’s Sovereignty, or as an Invalidly Ambiguous Condition.**

The Supreme Court “ha[s] required that if Congress desires to condition the States’ receipt of federal funds, it ‘must do so unambiguously . . . , enabl[ing] the States to exercise their choice knowingly, cognizant of the consequences of their participation.’” *South Dakota v. Dole*, 483 U.S. at 207 (quoting *Pennhurst State Sch. & Hosp. v. Halderman*, 451 U.S. 1, 17 (1981)).

*There can, of course, be no knowing acceptance if a State is unaware of the conditions or is unable to ascertain what is expected of it. Accordingly, if Congress intends to impose a condition on the grant of federal moneys, it must do so unambiguously.*

*Pennhurst*, 451 U.S. at 17 (emphasis added). When Congress places conditions upon States receiving federal funds, the States’ duty, the thing it gives up in exchange for the money, must be clear. See *Edelman v. Jordan*, 415 U.S. 651, 673–74 (1974); *Emps. of the Dep’t of Pub. Health & Welfare v. Dep’t of Pub. Health & Welfare*, 411 U.S. 279 (1973). There is a reason that the Chief Justice immediately followed his analysis by likening conditions on funds to contracts, where both parties must know and ascertain that to which they agree, with this:

Respecting this limitation is critical to ensuring that Spending Clause legislation does not undermine the status of the States as independent sovereigns in our federal system. That system “rests on what might at first seem a counterintuitive insight, that ‘freedom is enhanced by the creation of two governments, not one.’[”] For this reason, “the Constitution has never been understood to confer upon Congress the ability to require the States to

govern according to Congress'[s] instructions. Otherwise the two-government system established by the Framers would give way to a system that vests power in one central government, and individual liberty would suffer.

*NFIB*, 567 U.S. at 577 (internal citations and quotations omitted). States must be recognized as the sovereign governments that they are. Congress's use of an amorphous term like "indirectly" – and the Defendants' apparent desire to exploit States reeling from the pandemic and to micromanage their tax policies – disrespects States' sovereignty, mocks federalism, and injures Ohio.

Since "conditions on the receipt of federal funds must be unambiguous," *Tennessee*, 329 F. Supp. 3d at 622, the Tax Mandate is unconstitutional, as explained below.

To surmount the obstacle of unambiguity, Defendants must contend and show that the Tax Mandate is unambiguous – that is, that what Ohio is agreeing to give up in exchange for the ARPA funds is clear. If Defendants argue it is, in fact, clear, then they concede that Congress purported to grant the National Government the authority to prevent a recipient State like Ohio from lowering its State taxes. This would include an admission that the "directly, or indirectly" clause does, in fact, clearly incorporate the "money is fungible" principle, and as such, a recipient State's action to lower its State taxes would be viewed as being indirectly offset by ARPA funds, and hence, prohibited by the Tax Mandate.

The addition of "indirectly" to the Tax Mandate prohibition certainly does, as Ohio contends, appear broad in scope – broad enough to sweep in seemingly any connection that

is not direct.<sup>5</sup> In this scenario, receiving the ARPA funds would impose upon Ohio the National Government's tax policy preferences for States – which is apparently that taxes should not be lowered. If Ohio reduced its State taxes in a manner that reduced its State revenue in an amount up to \$5.5 billion, the National Government's position would apparently be that Ohio offset those reductions with the ARPA funds, and would view that as a violation of the Tax Mandate. It could even move to seize those ARPA funds back from the State. If Defendants do not forswear this interpretation, then Defendants concede the very injurious usurpation of State sovereignty of which Ohio complains. If Defendants claim the Tax Mandate is unambiguous, and gives Defendants the power to prohibit recipient states from lowering their own taxes, this is not just “a ‘power akin to undue influence.’” *NFIB*, 567 U.S. at 578 (quoting *Steward Mach. Co.*, 301 U.S. at 590), this would be *actual* undue influence.

On the other hand, if Defendants argue that ARPA's Tax Mandate does *not* prohibit recipient States like Ohio from lowering their taxes, then Defendants must identify language in the Tax Mandate that forecloses this possibility. Otherwise, this Court is left with the ambiguity created by two inconsistent interpretations of “indirectly,” one that accords with common usage (“indirectly” means anything that is not direct and encompasses fungibility) and one that proposes an arbitrary limit on meaning (“indirectly” does not encompass fungibility). Two such conflicting views of the inherently ambiguous

---

<sup>5</sup> Black's Law Dictionary defines “indirect” like this: “A term almost always used in law in opposition to ‘direct.’” Indirect, *Black's Law Dictionary* (11th ed. 2019). Thus, if a thing is indirect, it is anything that is not direct.

term “indirectly,” and indeed, the very existence of this lawsuit, bear witness to the ambiguity of the Tax Mandate. Even assuming the Department of Treasury’s interpretation is reasonable (which is questionable), this would not help. As the Sixth Circuit and this Court have recognized, “[a] statute is ambiguous if the language is susceptible to more than one reasonable interpretation.” *Lowe v. Bowers (In re Nicole Gas Prod.)*, 916 F.3d 566, 574 (6th Cir. 2019) (internal citation, quotations and alterations omitted) (quoting *Hughes v. White*, 388 F. Supp. 2d 805, 818 (S.D. Ohio 2005)); *see also Action Grp. Int’l, LLC v. AboutGolf, Ltd.*, No. 3:10CV2132, 2011 U.S. Dist. LEXIS 46133, at \*12–13 (N.D. Ohio April 29, 2011) (unpublished) (“A contract is ambiguous if its provisions are susceptible to two or more reasonable interpretations. Where there is doubt or ambiguity in the language of a contract it will be construed strictly against the party who prepared it. In other words, he who speaks must speak plainly or the other party may explain to his own advantage.” (internal citations omitted)).

Moreover, adopting an interpretive rule that “indirectly” does not include fungibility itself opens up further ambiguity: what precisely marks the boundaries of “fungibility”? If the state allots a portion of ARPA funds to a program that previously derived most of its funding from tax revenues, and those gross revenues have dropped because of state tax cuts, is the tax cut still protected, or is this a forbidden use of ARPA funds for tax cuts? And if allotting ARPA funds to areas where shortfalls in part derive from tax cuts is permissible, then does the Tax Mandate do anything other than forbid distribution of ARPA funds as tax refunds?

From Ohio's and *amici's* viewpoint, what does the addition of "indirectly" encompass if not fungibility, an economics and accounting principle as old as money itself. But, if the Defendants contend that "indirectly" does not include fungibility, then what does "indirectly" mean? The ambiguity would be undeniable. Truly, Ohio "is unaware of the conditions or is unable to ascertain what is expected of it." *Pennhurst*, 451 U.S. at 17. An ambiguous condition violates the conditioning doctrine, as the Supreme Court and the Sixth Circuit have recognized. *Tennessee*, 329 F. Supp. 3d at 622.

In either event, regardless of which path Defendants choose to take, the Tax Mandate is invalid as either (1) coercion and compulsion destroying Ohio's sovereign right to decide its own tax policy, or (2) an impermissibly ambiguous rule. In either event, the Tax Mandate is unconstitutional.

### CONCLUSION

To be sure, Congress enjoys a wide lane to spend and effectuate policy for the National Government – and even to set certain limited conditions on the States' acceptance of funds. But here, Congress went too far. For these reasons, and others outlined by the State of Ohio in its Motion and Complaint, *amici* ACLJ and Certain Members of Congress urge this Court to grant Ohio's motion and enjoin enforcement of ARPA's Tax Mandate.

April 9, 2021.

Respectfully submitted,

\*\*\*\*\* CAUTION: This email originated from an outside source. Do not click links or open attachments unless you know they are safe. \*\*\*\*\*

**You're Invited – Briefing for Governors on *Dobbs v. Jackson Women's Health Organization***

**Tuesday, July 27, 2021**

**6:00 PM Central Time**

**Zoom Webinar (info to be shared upon RSVP)**

Please join **Governor Tate Reeves, Susan B. Anthony List President Marjorie Dannenfelser**, and a member of **veteran pollster Wes Anderson's team** for an exclusive briefing on the *Dobbs* case that will be heard by the Supreme Court in their upcoming term.

**At issue is Mississippi's 15-week abortion limit**, which was passed overwhelmingly by the legislature only to be struck down by lower courts.

In accepting the case, the Supreme Court said it will consider the following question posed by the State of Mississippi in its appeal: **"Whether all pre-viability prohibitions on elective abortions are unconstitutional."**

The outcome of this case will have a big impact on pro-life laws at the state level and litigation moving forward.

**The briefing will feature a presentation by a veteran pollster with OnMessage, who conducted extensive polling on behalf of Susan B. Anthony List on the case.** The presentation will ensure governors and their staff are equipped with the messaging that resonates with their constituents. The results are encouraging!

Please let us know if your Governor and/or a member of senior staff can join and we will send you the webinar info.

Sincerely,

Barrie Nelson  
Office of Governor Tate Reeves

\*\*\*\*\* **CAUTION:** This email originated from an outside source. Do not click links or open attachments unless you know they are safe. \*\*\*\*\*

Good morning.

As a follow-up to my earlier email, I'd like to share the following educational/resource information on the Texas Heartbeat Act drafted by the Susan B. Anthony List. You likely have heard that the Supreme Court, in a 5-4 [decision](#), has allowed the Texas Heartbeat Act to go into effect as lower-court litigation continues.

Here are a few resources for you and your team:

- Attached is a **one-pager** on the Texas Heartbeat Act with some quick facts and talking points
- Also attached is a resourceful **rebuttal response doc** tackling "hard" questions surrounding the law
- SBA List's **release** in response to the SCOTUS decision can be found [here](#)

Finally, if you are considering social media support for Gov. Abbott and his pro-life leadership, some sample tweets are below:

Thank you @GovAbbott for leading the way as Texas becomes the first state in history to enact a compassionate pro-life law ensuring unborn babies with a heartbeat are protected.

Texas is the first state in the nation to implement a measure protecting unborn children as soon as their heartbeat can be detected. Thankful to @GovAbbott for his bold pro-life leadership

As always, please let me know if there are any further resources you need or questions that you have. Thank you.

**Brian W. Sanderson**

## **The Texas Heartbeat Act: Quick Facts**

- The Texas Heartbeat Act prohibits elective abortions after an unborn child's heartbeat can be detected.
- An unborn child's heartbeat can be detected by six weeks.
- Before an abortion occurs, the abortionist must determine whether the child's heartbeat is present using methods according to standard medical practice. If a heartbeat is present, the abortionist cannot abort the child.
- The law imposes no criminal penalties. Instead, the law enables civil remedies by allowing any person to sue an abortionist who violates the law, or anyone who aids or abets in an abortion, such as "abortion fund" entities who pay for prohibited abortions.
- The law's civil-liability provisions do not apply to the mother who seeks or obtains an unlawful abortion. The mother is completely immune from lawsuits and cannot be prosecuted under the law.
- The law contains an exception for medical emergencies.
- Governor Greg Abbott (R-TX) signed the bill into law on May 19, 2021, and the law took effect on September 1, 2021.

## **The Texas Heartbeat Act: Talking Points**

- The Texas Heartbeat Act was debated by the legislature and signed into law by Governor Abbott. This is how democracy is supposed to work. The Texas legislature acted on the will of the people to protect innocent unborn children and mothers.
- The pro-life movement is hopeful that the Supreme Court will soon allow all states to let democracy do its job and let the people in all 50 states debate when life should be protected under the law.
- The Texas Heartbeat Law reflects scientific reality that unborn children at six weeks are human beings with beating hearts who deserve legal protection to live. The majority of Americans support updating and humanizing our extreme outdated abortion laws.
- Texas's Heartbeat Act does not criminalize or penalize mothers who seek or receive an illegal abortion. Instead, the law allows citizens to pursue civil remedies against abortionists who perform illegal abortions, and others that aid and abet in the performance of an illegal abortion. The law contains an exception for medical emergencies that are properly documented.
- The pro-life movement rallies around and supports vulnerable mothers and unborn children. In the latest reportable year of 2019, approximately 2,700 pregnancy care centers across the country served over two million people with essential medical, education, and support services at an estimated value of nearly \$270 million.

## **Q&A: Toughest Arguments – Texas Heartbeat Act**

### **What about women who don't even know they are pregnant yet?**

- On average, mothers know they are pregnant around 5 weeks.
  - (A [2017 study](#) found that found the average age at time of pregnancy awareness was 5.5 weeks gestation )
- No matter the circumstances of conception or the awareness of the life at the time, the fact remains that in every pregnancy there is a second life, a new patient separate from his or her mother.
- Texas law protects these children when their heartbeat is detectable – a clear sign of humanity and an opportunity to love both mother and child.

### **What about in the case of rape or incest? The law does not contain exceptions in those cases.**

- Rape and incest are horrific crimes and the perpetrators of these violent acts should be prosecuted to the fullest extent of the law.
- The value of human life is not determined by the circumstances of his or her conception and abortions carried out following these horrific crimes only compound the crisis that the mother is enduring.
- Abortion advances a cycle of violence forward on yet another innocent victim. For what other crime to we punish the child, let alone a vulnerable unborn baby, for the sin of one of his or her parents?
- We should not assume that abortion is what survivors want:
  - Estimates show that as many as 64% of women who become pregnant from rape already choose to keep and raise their babies (Shauna Prewitt, Georgetown Law Journal – [cited here](#) and [here](#)). They are courageous and deserve support, not stigma.
  - “Hard cases” constitute a tiny minority of U.S. abortions – over 98% are elective/for socioeconomic reasons ([Wm. Robert Johnston, 2016](#)).

### **This law allows any citizen to civilly sue if they suspect an illegal abortion has taken place. Doesn't this amount to abortion bounty-hunting?**

- The Heartbeat Act is not enforced by the state, but instead allows any person to civilly sue the abortionist, or anyone who aids and abets, if an abortion has been performed after the child's heartbeat has been detected.
- If found guilty, the abortionist would be liable for at least \$10,000 in damages, per prohibited abortion performed, in addition to covering all legal costs.
- While this enforcement concept is unique to the pro-life fight, it is comparable to laws like the False Claim Act, specifically its *qui tam* provision, which allows for citizens to file against entities who are potentially defrauding the government. If the case is successful, the person who filed the claim receives a portion of the damages recovered.

- So far, abortionists in the state say they are complying with the law. If this is true, it is possible no civil action will be successfully pursued.
- The mother is completely immune from lawsuits and cannot be prosecuted under the law.

**Isn't this an opportunity for Democrats to portray Republicans as extreme on abortion?**

- We welcome every opportunity to expose the contrast that exists between pro-life and pro-abortion politicians.
- Pro-abortion politicians support abortion on-demand, up until the moment of birth, paid for by the taxpayers. They even refuse to support laws that would protect babies born alive after attempted abortions from infanticide
- Pro-life politicians believe that it's time to let this debate play out democratically – that the Court should finally return the power to the people to decide the issue of life in state legislatures and in Congress. *Roe* and *Casey* have stifled this debate.
  - While Texas has chosen to protect an unborn child when it has a heartbeat, other states may decide differently based on where consensus is found. We are hopeful that the *Dobbs* late-term abortion case will give legislative bodies the flexibility that they want and deserve.

**Aren't you concerned that these women have effectively lost their constitutional right to an abortion?**

- There is no Constitutional right to abortion, and even the Supreme Court has never said there is an absolute right to abortion. *Roe* together with *Doe* and *Casey* created an alleged right out of thin air. Even some of the most liberal constitutional scholars including Ruth Bader Ginsburg have been critical of *Roe*'s shaky, if not non-existent constitutional standing.
- However, the Court has acknowledged that even the so-called "right" to abortion must be balanced against compelling state interests guided by current scientific knowledge according to the Supreme Court.

**What resources are available to vulnerable women in Texas who can't get an abortion? Now they'll have to travel hundreds of miles to have an abortion.**

- Pro-life Texans have been working for decades to prepare for this moment – and they are ready to come alongside women facing unplanned pregnancies.
- The state has created programs that provide real assistance and care for these women – working to meet their material and emotional needs. A few examples:
  - "Alternatives to Abortion is a state program that began in 2006 and provides support services to pregnant women n. The legislature expanded this program to \$100 million last session.

- The Healthy Texas Women Program is another state program to help low-income women with family planning resources and health care needs.
- There are approximately 200 pregnancy care center locations across Texas that offer support and resources to women.

<b>TOTAL</b>		<b>\$505,825</b>	<b>\$187,036</b>	<b>\$803,952</b>

1/ Funding in P.L. 116-260 is provided as necessary to cover increases specified in legislation.

2/ Funding for the Disaster Relief Fund in P.L. 116-260 is for funeral expenses. The American Rescue Plan permits new funding to cover these costs.

3/ The American Rescue Plan figure for testing includes national activities and grants to state and local governments, territories.

4/ The American Rescue Plan figure for vaccines includes national activities and grants to state and local governments, tribes, and territories.

5/ The American Rescue Plan figure reflects the increase from the existing \$2.917 billion appropriation for Child Care Entitlement to States, beginning in FY 2021. The amount shown is for one year, but the increase is ongoing.

6/ Funding for Project SERV was redirected to other education programs in P.L. 116-260.
