

We invite you to join the Circuit of The Americas Disability Access Task Force.

It would be an honor if you would join us, providing your experience and expertise to assist us as we strive to improve access across our venue, to all members of our community.

COTA is committed to ensuring that every member of our community can easily access and enjoy our events. With your help, our hope is that our facility will become a “best practice” facility for large venues.

Your commitment would include attending four (4) task force meetings. Two in person meetings will be held at The Circuit and two meetings will be held via Zoom. Once we have confirmed our Task Force membership, we will reach out to schedule these meetings on the following weeks:

Week of March 1<sup>st</sup>

- In-person tour of the property and discussion of our Spring motorsport races & concert season

Week of May 16<sup>th</sup>

- Zoom recap of Spring races and concert season progress

Week of August 22<sup>nd</sup>

- In-person meeting to discuss Formula 1

Week of November 7<sup>th</sup>

- Recap and review of Formula 1
- Creation of summary to be published with the Task Force’s recommendations/plans/actions that were implemented in 2022.

Thank you for your consideration in serving on COTA’s Disability Access Task Force. Please contact Bailey Hansen via email or by phone to confirm your participation on the task force by Monday, February 21, 2022.
