

STATE OF TEXAS  
COUNTY OF BREWSTER

IN THE COMMISSIONERS COURT  
OF  
BREWSTER COUNTY, TEXAS

**RESOLUTION  
REGARDING PROPOSED GAS PIPELINE THROUGH BREWSTER COUNTY**

**WHEREAS**, Energy Transfer Partners proposes to build a 42-inch gas pipeline from the WAHA Hub in Pecos County, Texas, for the transmission of natural gas to Mexico; and

**WHEREAS**, Energy Transfer Partners has identified the proposed pipeline as an intrastate pipeline not subject to Federal Energy Regulatory Commission jurisdiction; and

**WHEREAS**, the purpose of the proposed pipeline is for the international transmission of natural gas; and

**WHEREAS**, the Railroad Commission of the State of Texas denies responsibility for regulating the siting and construction of the proposed pipeline and has indicated no state agency has that authority; and

**WHEREAS**, the proposed pipeline passes through 33 miles of Brewster County and in close proximity to Alpine, Texas; and

**WHEREAS**, the Brewster County Commissioners Court has concerns regarding lack of oversight for the proposed pipeline by the State of Texas;

**NOW, THEREFORE, LET IT BE RESOLVED**, that Brewster County Commissioners Court petitions the Federal Energy Regulatory Commission to intervene and assume jurisdiction for the proposed pipeline through Brewster County to ensure said pipeline is subject to federal statutes, rules, regulations, and procedures.

**Adopted by unanimous vote on this date 23<sup>rd</sup> day of June, 2015.**
