MEMORANDUM

Ref: FA 8/2/1

Date: 9/12/21

Short term deployment of 10 armed Chinese Embassy Security Personnel to the PRC Embassy

The Ministry received a diplomatic note from the Embassy of China requesting deployment of 10 armed security personnel from China to provide security within the Embassy and escort duties for a six to twelve months period. A copy of the TPN referenced 101/2021 dated 3 December 2021 was copied to your Ministry and PMO.

The request stemmed from the recent three days of from 24-26 November riots of which Solomon Islands Chinese community faced the brunt of the looting and violence amongst other business houses.

My Ministry during the period could not guarantee the safety of the Embassy and staff. As host country we had an obligation to protect all Embassies including Chinese Embassy. In this regard, we have no objection to the request.

Sadly this sets a precedent but China is a special case noting public debate was and remains directed against China's interests in the country from certain quarters of our country's population.

The deployment is for a period of 6-12 months. During the deployment period China has offered riot equipment including the following

- Bullet proof vests 1500

- Bullet proof armor plate 1500
- Riot Helmets 1500
- Riot shield 1500
- Stab proof vest 1500
- Electric batons 1500
- Glare lights 1500
- Tear gas spray 1500
- First aid kit 1500
- Raincoats
- Uniforms 3000

There is a matter of small arms proposed to be brought into the country, I will leave that to your Ministry to consider. Wish to propose a joint Cabinet paper on the subject.

Chinese Embassy is looking at bringing RSIPF riot items on the return flight on the third week of December after dropping of Chinese passengers impacted by last month's riots.
