| :--- |
| I don't. |
| nah |
| Make punishments to the kids that do bad stuff and not the whole class |
| 1) Look harder at problems where punishment is needed (the whole class got 5 minuets off recess because 4 people were talking non-stop) 2 ) Get the good, healthy, |
| big lunches back. 3) Restock on ice cream treats, and Switches (the soda like drink) |

| I more stuff about different religions. For example, we did a whole lot of Christmas stuff, and we did nothing related to Hannukkah or other religious holidays. |
| No |
| I think that our school could improve by keeping the grounds outside the school clean and safe for everyone to have fun and play in. Another thing that could maybe be |
| improved is trying to stop bullying. I think this because bullying is bad and bullies should stop bullying. One more thing I think that could be improved is when a student |
| has problem I think that someone could actually do something to improve their problem. |
| I think that there should be times at least once a month where the students in one or more classes get to go out into the big backyard and help pick up some of the |
| trash that is there. |
| A lot of people don't have a friend to play with at recess, so maybe they could add a friendship bench, where if there is a kid who needs someone to play with they |
| could sit on the bench and someone might come up to the kid and ask to play. |
| One thing I think my school could improve is keeping the outside part of out school clean, because I know someone who picks up a LOT of trash every day to try to |
| help keep the school clean. |
| I think that maybe they can try to keep the bathrooms more clean. I think this because some of the kids make a mess in the bathroom. |
| Making the school look nicer on the outside. |
| The lunch aids are unfair sometimes. |
| Add water bottle refillers near classrooms so kids don't have to drink sink water. Make the school lunches bigger. Have more after-school activities. |
| think before we speak so we dont hurt anyones feelings. |
| none |
| Having Kids stop teasing other kids for no reason it really can hurt peoples feelings. I have experience. |
| Not really |
| Get more things to do at recess like more footballs and lacrosse sticks |
| Sometimes I feel like girls get to choose more at recess or outside of class |
| I don't have any suggestions on how my school could improve it is pretty great! -Student |
| We could do more outdoor fun activities |

No
One suggestion to improve the school is make sure people are doing the right things all of the time. Sometimes, people can do bad things behind peoples backs and that is something I do not like.
Um,I think maybe the lunch. I think they could put meals from around the world, so we could try it.
no
I would like to improve no milk in our lunches. Maybe we can put a juice box in there.
When a girl threatens a boy, and the girl is about to get in trouble and then she start to cry. She is still in trouble and they need to address the threats to the parents and get her in trouble. It doesn't matter if she is a girl crying she is still in trouble.

I think its okay
no.
fix problems faster it was this year they fixed the playground
No
Mabey get electric buses so the world has less pollution or have bigger busses so there aren't that many busses
I think that we could have more buses and more classrooms so other people that live around here can come to Glenmont Elementary School.
no i do not
I think this school is great but I think that maybe in some of the classes there can be more moving around and more fun activities.
*none*
i do not
No I think my school is amazing
No, I think that our school is a great place to learn :)
Talk to kids about feelings their having or talk to their doctor about not personal things but just what they are feeling.
To have better lunch aids. Also so teachers don't treat you like baby's (specifically all the specials). Also if someone is doing advanced math that they don't have to do math because it is to easy.
Turn down the heat during the summer
maybe you could switch classes if you wanted to and UNBLOCK PRODIGY
More activities and events and groups outside of school, like clubs.
No, as long as some teachers put their feelings in some of the students shoes sometimes.

mabe put a new coat of paint of that color were you go out for recess around the school walls
We could try to keep the woods clean there is always junk in the woods
i have seen in the woods that there are beer cans
Not many things need improvement but I would suggest erasing the inappropriate messages that are written on the different pieces of the playground. And also make sure that there are no pieces of trash and other things inside the woods when I go in the woods during P.E.
the school could clean up the bad stuff outside like vape pens and alcohol
pick up the trash in the woods
No.
No there is nothing that i need to change about this school, i can't dream of going in to the other school then this
Sometimes people do bad things to the bathrooms and its gross. Maybe the school could keep the bathrooms a little more clean. That's all.

fix bathrooms
the students get way more recess and instead of 25 minutes, 40 minutes would be better and give us a bigger time to not think about academics.
More recess, as it can help kids be able to take stress away. And then the stress can help kids be able to preform better. and independent help with students who are

i think there should be no change to our school becuase im happy with the way my school is and works and ilove it!
Instead of 25-30 minutes of Recess we could have 40 . With all the stress of Covid-19 I think we should get more time to not think about anything and run around. Thank you for considering this.
we usually get 25 mins of recess but I think we should get 45 mins

When rude remarks are being made, especially when they are racist or sexist I think it is important that the teachers notice and say something so that it sends a message that it is not okay.

I believe that this education should contain more studies that include important changes that show that kids may also be able to change the world in many different ways.

Nope I love this school
i would like for the rooms to be worm in the winter and cold in the summer
idk
no i think my school is great!
at the end of the day $i$ think my school is good how it is
I would like this school to be more aware of people who are being bullied or being teased feeling unwanted from other people because of their skin color or because they just don't like you. That happens to me a lot. I also hear people swearing on the playground.We should also get a bit more homework in other subjects so that we are prepared fr middle school.

Make sure that students keep the bathrooms clean, nothing else

I think this school could improve by upgrading the bathrooms, bring back the good old field day, allowing dogs in school, getting a vending machine in the lunchroom, having Good food in the cafeteria, having 2 recces, and having class pets.

I think this school should teach about racism and sexism because that is not talked about in this school and I want teachers to notice when other students (usually boys) make fun of girls based on their gender and who they are because when this happen it is rarely noticed.
