

## STATEMENT OF FACTS

Your affiant, [REDACTED] is a Special Agent assigned to the FBI Miami Division. In my duties as a special agent, I have received formal training and have gained experience in interviewing and interrogation techniques, arrest procedures, search warrant applications, the execution of search and seizure warrants, and various other criminal laws and procedures. Currently, I am tasked with investigating criminal activity in and around the Capitol grounds on January 6, 2021. As a Special Agent, I am authorized by law or by a Government agency to engage in or supervise the prevention, detection, investigation, or prosecution of a violation of Federal criminal laws.

The U.S. Capitol is secured 24 hours a day by U.S. Capitol Police. Restrictions around the U.S. Capitol include permanent and temporary security barriers and posts manned by U.S. Capitol Police. Only authorized people with appropriate identification were allowed access inside the U.S. Capitol. On January 6, 2021, the exterior plaza of the U.S. Capitol was also closed to members of the public.

On January 6, 2021, a joint session of the United States Congress convened at the United States Capitol, which is located at First Street, SE, in Washington, D.C. During the joint session, elected members of the United States House of Representatives and the United States Senate were meeting in separate chambers of the United States Capitol to certify the vote count of the Electoral College of the 2020 Presidential Election, which had taken place on November 3, 2020. The joint session began at approximately 1:00 p.m. Shortly thereafter, by approximately 1:30 p.m., the House and Senate adjourned to separate chambers to resolve a particular objection. Vice President Mike Pence was present and presiding, first in the joint session, and then in the Senate chamber.

As the proceedings continued in both the House and the Senate, and with Vice President Mike Pence present and presiding over the Senate, a large crowd gathered outside the U.S. Capitol. As noted above, temporary and permanent barricades were in place around the exterior of the U.S. Capitol building, and U.S. Capitol Police were present and attempting to keep the crowd away from the Capitol building and the proceedings underway inside.

At such time, the certification proceedings were still underway and the exterior doors and windows of the U.S. Capitol were locked or otherwise secured. Members of the U.S. Capitol Police attempted to maintain order and keep the crowd from entering the Capitol; however, around 2:00 p.m., individuals in the crowd forced entry into the U.S. Capitol, including by breaking windows and by assaulting members of the U.S. Capitol Police, as others in the crowd encouraged and assisted those acts.

Shortly thereafter, at approximately 2:20 p.m. members of the United States House of Representatives and United States Senate, including the President of the Senate, Vice President Mike Pence, were instructed to—and did—evacuate the chambers. Accordingly, the joint session of the United States Congress was effectively suspended until shortly after 8:00 p.m. Vice President Pence remained in the United States Capitol from the time he was evacuated from the Senate Chamber until the sessions resumed.

During national news coverage of the aforementioned events, video footage which appeared to be captured on mobile devices of persons present on the scene depicted evidence of violations of local and federal law, including scores of individuals inside the U.S. Capitol building without authority to be there.

***BARRY BENNET RAMEY's Participation in the Capitol Seige***

This investigation was initiated based on an identification of BOLO AFO-329 and geolocation data from AT&T which indicate that BARRY BENNETT RAMEY, [REDACTED], on January 6, 2021, assaulted federal officers and unlawfully entered on Capitol Grounds, a restricted area, in violation of multiple federal laws.

Numerous federal officers were assaulted during the breach of the Capitol building on January 6, 2021, in violation of multiple federal laws. According to a review of video footage posted on Propublica's Parler repository, Florida resident, BARRY BENNETT RAMEY was observed assaulting law enforcement officers by spraying them with an unknown orange substance that is consistent with pepper spray. At approximately 1:48 pm, on the front west side of the U.S. Capitol building under the scaffolding that is part of the platform/staging built for the Inauguration platform, several U.S. Capitol Police (USCP) Officers were attempting to block rioters' access to the stairwell leading from the Lower West Terrace to the Upper West Terrace of the Capitol building. The group of rioters were yelling at the USCP Officers while they held the line at the stairwell. Eventually several rioters began yelling "push" and the group pushed forward into the officers, pushing them back and up the stairwell. Your affiant reviewed the Parler video and identified RAMEY as part of the group. Specifically, at approximately 0:27 of the video, RAMEY is observed spraying a USCP Officer (Victim Officer 1) in the eyes. This assault resulted in Victim Officer 1 losing ground against the crowd and having to back away up the stairs. At approximately 0:30-32 of the video, RAMEY is observed spraying a second USCP Officer (Victim Officer 2), contributing to the Officer having to move off to the side and away from the group. These assaults were captured via screen shots and video.

Victim Officer 1 and Victim Officer 2 were interviewed. Victim Officer 1 said that on January 6, 2021, while on duty at the U.S. Capitol building, he was sprayed in the eyes and face with an unknown substance which caused him to become disoriented and his vision impaired. Victim Officer 1 did not see who sprayed him but said the assault occurred while he and other USCP Officers were attempting to block access to the stairwell leading from the lower west terrace to the upper west terrace of the Capitol building ("Senate steps on the west front"). Victim Officer 1 was provided photographs and video clip footage of the incident and said he was not able to recognize RAMEY due to the large crowds of people and his vision being impaired after being sprayed. Victim Officer 2 said that on January 6, 2021, while on duty at the U.S. Capitol building, he was sprayed in the eyes and face with an unknown substance which caused him to become disoriented and his vision impaired. Victim Officer 2 did not see who sprayed him but said the assault occurred while he and other USCP Officers were attempting to block access to the stairwell leading from the lower west terrace to the upper west terrace of the Capitol building. Victim Officer 2 was provided photographs and video clip footage of the incident and said he was not able

to recognize RAMEY due to the large crowds of people and his vision being impaired after being sprayed.

RAMEY was identified as the owner/user of telephone number [REDACTED]. According to records obtained through a search warrant which was served on AT&T, on January 6, 2021, in and around the time of the incident, the cellular phone associated with [REDACTED] was identified as having utilized a cell site consistent with providing service to a geographic area that included the Capitol Grounds and interior of the U.S. Capitol building. Furthermore, according to information FBI Miami obtained from multiple confidential human sources, RAMEY was listed on a master list of Proud Boys members in Southern Florida and was associated with telephone number [REDACTED].<sup>1</sup> Your affiant obtained RAMEY's driver's license photograph and determined it to be consistent with the individual shown in BOLO AFO-329 and in the above-referenced January 6, 2021 footage.

The General Manager of Hilton Arlington hotel in Arlington, Virginia, was interviewed and provided the following information regarding RAMEY: documentation pertaining to RAMEY's hotel reservation and parking at Hilton Arlington during the time period of January 5 – 7, 2021. The hotel is approximately seven miles from the U.S. Capitol. A search for social media accounts with the user name "Barry Ramey" identified an associated Google account. The account made several relevant reviews, including one from January 2021 in which RAMEY wrote a review on Google for Hilton Arlington, located at 950 N Stafford St., Arlington, VA 22203.

A third party identification was obtained for RAMEY via his former neighbor. Interviewee was shown a Driver And Vehicle Information Database (DAVID) picture [3<sup>rd</sup> Party ID photo 1] of RAMEY who interviewee identified as "Barry Ramey." Interviewee said that RAMEY recently had to move out of his (RAMEY) apartment because the owner decided to move back in. Interviewee said he spoke with RAMEY regularly when they were neighbors. Interviewee remembered that on a couple of occasions RAMEY had said he (RAMEY) was going to travel to Washington D.C. for the protests at the U.S. Capitol. Interviewee was then showed two photographs of RAMEY taken at the U.S. Capitol riots in Washington D.C. on January 6, 2021, copied below. Interviewee identified the individual in the January 6, 2021 photographs as "Barry Ramey."

<sup>1</sup> The Proud Boys describes itself as a "pro-Western fraternal organization for men who refuse to apologize for creating the modern world; aka Western Chauvinists." Proud Boys members routinely attend rallies, protests, and other events, some of which have resulted in violence involving members of the group. There is an initiation process for new members of the Proud Boys, and members often wear black and yellow polo shirts or other apparel adorned with Proud Boys logos and slogans to public events.

The following images are screenshots at the 0:27 mark of the Parler video, showing RAMEY spraying an orange substance consistent with pepper spray into the face of a law enforcement officer on the stairwell who is wearing a basecall cap and a light facemask:

### *RAMEY's Contact With Your Affiant*

On February 11, 2022, your affiant left his business card with a close associate of RAMEY during an attempted interview. Your affiant's business card contained your affiant's work cell phone number and identified him as an FBI Special Agent. Subsequent to the attempted interview, on February 12, 2022, your affiant received a phone call from an individual who claimed to be RAMEY's attorney and who said that RAMEY contacted him because RAMEY had been informed that the FBI was asking about him.

On April 8, 2022, your affiant received a phone call on his work cell phone from telephone number [REDACTED]. When your affiant answered the call, your affiant recognized the voice of the male individual on the phone as consistent with the voice of BARRY BENNETT RAMEY. Your affiant had recently listened to RAMEY speak at length on a YouTube video. "Is this [REDACTED] [REDACTED] And you still live at [your affiant's home address]." Your affiant replied, "Who is this?" The caller then immediately terminated the phone call. Shortly thereafter, your affiant received a text message from the same number [REDACTED] which included the VIN number for a vehicle previously owned by your affiant without any other text. Your affiant replied via text message, "?????" Your affiant then received the following text message from the same number, "Check that VIN number.:".)

FBI Miami ran telephone number [REDACTED] to determine the carrier and the number came back to Onvoy, LLC d/b/a Inteliquent. Inteliquent and its subsidiaries primarily provide wholesale telecommunications services to other telecommunications carriers, re-sellers and service providers. As such, Inteliquent generally does not have retail subscriber/end user information on file. Onvoy is known for wholesale VoIP (Voice over Internet Protocol) services which are unattributable to a specific individual. Based on this information, it can reasonably be inferred that RAMEY had obtained your affiant's contact information via the business card left with RAMEY's associate and that RAMEY called and sent a text to your affiant using Onvoy in April 2022.
