I appreciate the thought of the sucker.....worst possible food to eat in this situation

Why?

Masks get in the way of constant licking

r/nocontext

Oh my godddd

The single family homeowners of Parkmerced

Should I infiltrate HANC after all of this is over?

Depends on how the map shakes out lol

Breaking this (@sharkyl) down: let's first start with a deadline and definitions (from the state). Elec. Code (s) 21622 bifurcate deadlines based on whether a city has a "regular election" between January 1, 2022 and July 1, 2022. (thread, 1/x)

DR Just checking in with you because I mentioned that I may not be in on Saturday. There is just too much going on at the TF and I have canceled my Saturday commitments. I will be there. Matt sending you hugs and strength...

DR Can any of you send me the letters from the League and the ACLU. I can't seem to download it.

DR Never mind, I got it! ❤️❤️

DR Does it seem like we have a list of issues/pressure points to make decisions around?

When's a good time for both of you to chat tomorrow before our meeting?

RC

This is Raynell texting Chasel and Michelle

Tomorrow is hard for me. Maybe 30 minutes before the meeting?

MP

Raynell Cooper

That should work. If I could get two minutes with you right after I want to talk about an idea.

John Carroll and the chair know you have a presentation?

Yep

Mon, Mar 14, 23:20

Arnold stopped to talk to Angela and he didn't get in to get his car.

Oof

Thu, Mar 17, 20:33

Can you talk?

Fri, Mar 18, 10:16

Just sent you an email in response to Karin and Jaimie's notes. Take a look.

BTW the Reverend can't call in even if he wanted to from LA. I'll fill you in later.

In some ways, I'm glad tonight is a district meeting and we just have to listen

Exactly my feeling.

Wed, Mar 23, 19:23

It looked like she wasn't saying what those others wanted her to say so the interrupted her. Is that what was happening?

I got it..it's so hard for these folks to get up and speak, interrupting them really is putting even more pressure on them.

No, she was following the talking points just fine. The translator is horrible

iMessage

Again!??

The translation is correct

She's reading talking points, so it makes sense

You would think they could move their talking points around a bit..

Is that Sandra Fewer back there in line?

Yep

Can you please remember to let Jaimie know that we don't want the maps released in the middle of a meeting. Since they said they will provide 24 hours turn around it should not be a problem going forward but just in case.

Would you have preferred to

iMessage

Would you have preferred to take a break even if you did not need to move your car?

We should take a break after this item

Or after public comment

Just took a survey and most everyone is concerned about going too late. I think a 5-10 minute break after public comment and before we get back into giving instructions to Q2 for the next maps might be good. I'll talk to Arnold when he gets back.

I need a break after that haha

Remember when we pulled into a parking lot in McLaren Park? That's the part of the part she's talking about

I'm so grateful we did that ride.

Spoke with Russian Hill Neighbors (Carl Ann). I told her that the impact on D2 if we move Russian Hill is significant. She was great and I'll share the conversation with you when we get a moment.

I had not realized that Andrew was in the room when the Reverend said what he did until he said he ran after him. Now I feel dumb for repeating it

Why is the screen facing me and not the audience lol

For our personal viewing pleasure? Haha

I kinda like being out of the camera angle

Same here. Especially since I tend to outwardly react to public comments lol

Fri, Mar 25, 19:46

You're the one who went to Taiwan, right? Lol

Haha yes I did. But I forgot most of it...

Thu, Apr 7, 03:36

Hey just want to say that I really respect you for how hard you fought for the Portola. If we can somehow make this right, you have my support.

Thanks Jeremy! Get some sleep, and I'll see you tomorrow afternoon

Fri, Apr 8, 12:07

Good luck this afternoon. I'm sure I'll see you at our meeting afterwards

Fri, Apr 8, 19:13
