Hello Bill,

In response to your question in your email below, yes, you are correct.

As provided in Wis. Stat. § 19.37(1), you may seek review of the Department's response to your request either by petitioning a court for a *writ of mandamus* to order the Department of Health Services to release the records you seek, or you may make a written request to the County District Attorney's Office or the State Attorney General to file a *writ of mandamus* requesting a court to order the release of the records you seek.

Please send future requests and related correspondence to the DHS DQA Records Request mailbox at DHSDQARecordsRequest@dhs.wisconsin.gov.

Thank you ~

Thank you. Just to check: This appears to be a batch of medical records stamped as marked exhibits. There is no document that outlines the reasons for terminating Elaine Benz's tenancy on an emergency basis, and no document that attempts to explain the relevance of these provided records. Is that correct?
