Result of examination:

Three dark brown head hairs possessing Caucasian characteristics were removed from Q5. These hairs are suitable for significant microscopic comparisons with any adequate head hair sample of known origin. Other human hairs were removed from Q3, Q4, Q5 and Q15 and most of these hairs possess Caucasian characteristics. However, none of these hairs is of value for significant comparison purposes. Racial background could not be determined for all of the human hairs from Q3, Q4, Q5 and Q15. No hairs were removed from Q6.

Foreign textile fibers were found on Q3, Q4 and Q5. These fibers have been placed in pillboxes for possible future comparisons.

No visible or invisible identifying marks were observed on Q1 or Q2.

No serological examination was conducted on specimens Q7 through Q12, in view of the fact that a latent fingerprint examination was also requested on these specimens.

You will be advised of the result of the fingerprint examination and the deposition of the submitted items by a separate report. Glass microscope slides and pillboxes prepared during the course of the examination are being returned as enclosures to this report.

Dear Mr. Monroel;

We deplore the senseless assassination of Honorary
Consul General Orhan Dundey and the continuing violence
against Turks by Armenian terrorists. Such acts of
terrorism are becoming increasingly more frequent.

Are you aware that an Armenian spokeswoman publicly
advocated continued violence against the Turks on a San
Francisco radio station, April 25, 1982. She invited all of
Armenians to become avengers for the cause and exhorted
to pressure the U.S. government to free [redacted] as he is a hero, not a criminal.

pursue all avenues open to you, considering the considerable
restraints, and weed out terrorism and terrorists.

REBTEL, MAY 10, 1982.

FOR INFORMATION FBIHQ AND RECIPIENT OFFICES, MEETING WAS HELD MAY 10, 1982 BETWEEN BOSTON FBI, MASS. STATE POLICE AND SOMERVILLE, MASS. PD FOR PURPOSES OF EXCHANGING RESULTS OF INVESTIGATION CONDUCTED TO DATE BY ALL THREE AGENCIES. RESULTS OF INTERVIEWS CONDUCTED BY LOCAL PDS WILL, IN FACT, BE INCLUDED FOR INFORMATION IN FIRST BOSTON REPORT ON CAPTIONED MATTER.

EFFORTS CONTINUING TO IDENTIFY INDIVIDUALS WHO PARTICIPATED IN "MARTYR'S DAY" DEMONSTRATIONS AND AS INDIVIDUALS ARE IDENTIFIED THEY ARE BEING INTERVIEWED. A NUMBER OF GUN SHOPS KNOWN TO BE IN AREAS HAVING SIGNIFICANT ARMENIAN POPULATION HAVE BEEN IDENTIFIED, HOWEVER, AT THIS TIME NO INVESTIGATION WILL BE CONDUCTED AT THESE GUN SHOPS PENDING RESULTS OF LABORATORY RESULTS OF WEAPON ANALYSIS. LAW ENFORCEMENT CONTACT HAS BEEN INITIATED AT ALL FEDERAL AND NEARBY LOCAL AGENCIES TO INSURE THAT ANY CONFIDENTIAL SOURCES AVAILABLE TO THESE AGENCIES WHO IN FACT MIGHT BE IN A POSITION TO FURNISH INFORMATION IN THIS MATTER ARE CONTACTED.

INVESTIGATION IN BOSTON HAS REVEALED THAT ALLEGEDLY ONLY TWO INDIVIDUALS IN THE LAST FIVE YEARS HAVE JOINED THE ARF IN THE

PAGE THREE BS 185-128 UNCLAS

BOSTON AREA. BOTH INDIVIDUALS HAVE BEEN IDENTIFIED AND ARE IN THE PROCESS OF BEING CONTACTED FOR INTERVIEW. TWO OTHER INDIVIDUALS KNOWN TO BE ASSOCIATED WITH THE ARF HAVE BEEN CONTACTED. INTERVIEW WITH THESE INDIVIDUALS RESULTED IN THAT ONE REFUSED TO TALK TO THE FBI AND THE SECOND INDIVIDUAL, EDITOR OF THE "ARMENIAN WEEKLY", DEMANDED ALL QUESTIONS FROM THE FBI BE SUBMITTED IN WRITING. BOSTON HAS ADVISED THIS INDIVIDUAL THAT HIS REQUEST FOR QUESTIONS IN WRITING WAS NOT POSSIBLE. EFFORTS ARE BEING MADE TO ELICIT HIS COOPERATION.

FOR INFORMATION, A LIST OF INDIVIDUALS AFFILIATED WITH THE ARF AND/OR WHO POSSIBLY COULD HAVE INFORMATION TO FURNISH REGARDING CAPTIONED SLAYING, IS BEING COMPILED AND USA, BOSTON HAS ADVISED THAT GRAND JURY PROCEEDINGS IN FACT WOULD BE ONE OPTION TO BE UTILIZED IN OBTAINING THESE INDIVIDUALS' TESTIMONY.

NUMEROUS LEADS AND INTERVIEWS ARE OBVIOUSLY BEING HANDLED ON AN EXPEDITE BASIS IN THE BOSTON DIVISION. INFORMATION HAS ALSO BEEN DEVELOPED THAT IN DETROIT DURING THE WEEKEND OF MAY 1, 1982, AN ARF CONVENTION WAS HELD. DETROIT IS REQUESTED TO FURNISH BOSTON ANY INFORMATION CONCERNING THIS CONVENTION, SPECIFICALLY TO INCLUDE LIST OF PARTICIPANTS FROM THE NEW ENGLAND AREA.

Memorandum from S. Klein to
Re: KAPIKILL; PFO - Murder

(U) It should be noted that on 3/22/82, Mr. Gunduz' Cambridge, Massachusetts, business establishment, Topkapi, a Turkish curio shop, was bombed at approximately 7:45 p.m. This act was also claimed by the Justice Commandos of the Armenian Genocide (JCAG). ~~(S)~~

(U) The following physical evidence was obtained at the scene of the shooting on 5/4/82: one Browning 9mm high-powered semi-automatic pistol, one six-shot fully-loaded Ruger .357 caliber magnum revolver, a blue Nike warm-up jacket, and sunglasses. ~~(S)~~

(U) After preliminary examination by Massachusetts State Police (MSP), the Browning 9mm and Ruger .357 caliber revolver were sent to FBIHQ, Laboratory Division, for fingerprint processing and serial number restoration. The Identification Division advised that they have recovered numerous latent fingerprints from both the external and internal parts of the weapons. Major Case prints from those law enforcement officers who handled these weapons have been taken and provided to the Lab for comparison. The Metallurgy Unit has advised that they were able to restore the serial number for the .357 caliber Ruger revolver. Regarding the Browning 9mm, the Metallurgy Unit is of the opinion that it may be difficult to restore the serial number. ~~(S)~~

(U) Boston advised on 5/11/82 that the remaining physical evidence will be submitted to FBIHQ Laboratory for examination purposes. ~~(S)~~

(U) Preliminary results of the autopsy indicate that Mr. Gunduz died of multiple gunshot wounds to the head and neck. One full bullet was extracted from the victim's shoulder and one completely jacketed bullet was taken from the victim's lower chin. Numerous bullet fragments were found in the victim's body. Numerous glass fragments were embedded in the victim's facial area. ~~(S)~~

(U) A composite drawn from eyewitnesses' descriptions of the unknown assailant is: white male; olive complexion; black dry puffy hair; 5'5" to 5'9" tall; 135-145 pounds; 18 to 25 years of age; and wearing a blue Nike warm-up jacket with three stripes on the sleeves (recovered), blue pants with three stripes on the legs, a gold T-shirt under the warm-up jacket, and sunglasses (recovered). Composite drawings of the unsub have been furnished to media sources as well as FBI field divisions having Turkish diplomatic establishments within their territories (Atlanta, Baltimore, Chicago, Los Angeles, New Orleans, New York, San Francisco, Tampa, and WFO). ~~(S)~~

Memorandum from S. Klein to [REDACTED]
Re: KAPIKILL; PFO - Murder

(U) FBI, Boston, with MSP, conducted an extensive neighborhood investigation which developed no further leads with the exception that an individual dressed similarly to the unknown assailant was seen at the shooting site pacing (waiting) at least one hour prior to the assassination and that "a bearded white guy" dressed in an army fatigue jacket was at the shooting scene and "must have seen everything." ~~(S)~~

(U) As a result of the 3/22/82 bombing of Mr. Gunduz' residence, the Boston Office conducted a physical surveillance of the Armenian demonstration at Topkapi on 4/23/82, as well as the Martyr's Day demonstration at the Government Center, Boston, on 4/24/82. License numbers of vehicles used in the demonstration were recorded. Boston is currently interviewing all identified leaders and participants in these demonstrations for any information regarding KAPIKILL, JCAG, and others participating in aforementioned demonstrations. ~~(S)~~

b6
b7C

(U) Boston has located and interviewed a relative of the [REDACTED] (subjects of the ARKIL investigation in Los Angeles) who denied any knowledge of KAPIKILL, but stated he participated in target practicing with [REDACTED] while visiting him in Los Angeles in July, 1981. ~~(S)~~

(U) On 5/11/82, Boston advised that the predominant Armenian community in Watertown, Massachusetts, with instructions from their attorneys, have refused to cooperate with the FBI regarding captioned matter. Based upon aforementioned facts as well as the uncooperative spirit by the Armenian community in the Boston area, U.S. Attorney's Office, Boston, will convene a Federal grand jury in the near future to hear testimony regarding both the 3/22/82 bombing and the 5/4/82 assassination conducted by the JCAG. ~~(S)~~

FBI warned Turkish envoys week before killing here

By JAMES O. WELCH

The FBI knew a week before the death of Orhan Gunduz that some sort of Armenian terrorist "operation" was imminent in the United States and warned Turkish diplomats here.

Sources yesterday told the Herald American that federal agents had been monitoring activities of suspected terrorists of the Justice Commandos for Armenian Genocide and "knew that a certain operation was coming," but didn't know where.

Meanwhile, sources yesterday said the FBI has warned Turkish embassy officials in Washington D.C. that an embassy official may be a target of assassination by the terrorist group. Neither the FBI nor the embassy

would comment yesterday.

Although Turkish Ambassador Sogru Ekekdag is given 24-hour protection and rides in a bullet-proof limousine, about a dozen other Turkish diplomats in Washington are not afforded such protection and each carries a revolver for personal protection.

Gunduz, 60, a Turkish citizen, owned a import shop that was the subject of Armenian demonstrations in the months leading to his death. The shop had also been bombed.

Less than an hour before his death, the Herald American learned, Gunduz promised friends he would not return to his Cambridge shop without increased security protection.

Gunduz was shot by an assassin firing a 9 millimeter pistol as he was

driving home to Nahant after making that promise.

The FBI, which had called state and local police agencies the week prior to Gunduz' death to ask that he be given added protection, had warned Gunduz on several occasions to alter his driving routes and his habits.

The Justice Commandos for Armenian Genocide claimed responsibility for Gunduz' death as well as that of another Turkish diplomat Monday in Lisbon, Portugal that was similar to the Gunduz murder in nearly every detail.

The terrorist group claims its vengeance on Turks is for alleged acts of atrocity carried out against Armenians in 1915.

[REDACTED] HAS NOT OBSERVED THIS INDIVIDUAL IN THE LAST FIVE YEARS AT ANY GUN SHOW. [REDACTED] REMEMBERED PURCHASING A .22 CALIBER RIFLE AND A SHOTGUN FROM THIS PERSON, HOWEVER, PAID CASH FOR BOTH AND DID NOT BELIEVE HE HAD A BILL OF SALE REGARDING HIS SALE OF THE NINE MILLIMETER OR THE PURCHASES OF THE RIFLE OR SHOTGUN. HE STATED HE WOULD RECHECK HIS RECORDS AND RECONTACT THE FBI.

ON JUNE 9, 1982, [REDACTED] ADVISED A CHECK OF HIS RECORDS FAILED TO PRODUCE ANY INFORMATION REGARDING THE SALE OF THE NINE MILLIMETER IN QUESTION. ADDITIONALLY, THE .22 CALIBER RIFLE AND SHOTGUN HAD SINCE BEEN SOLD, THE SERIAL NUMBERS OF BOTH FIREARMS WERE NEVER MAINTAINED. [REDACTED] EXPLAINED HE ENLISTED THE ASSISTANCE OF [REDACTED] OF THE LOS ANGELES COUNTY DISTRICT ATTORNEY'S OFFICE IN AN ATTEMPT TO PROVIDE ANY INFORMATION OF VALUE, HOWEVER, IN

PAGE SIX (LA 185-344) U L A S

RESEARCHING HIS RECORDS HE COULD NOT FURNISH ANY ADDITIONAL INFORMATION. HE STATED HE ATTENDED THE GUN SHOW ALONE AND RECALLED THE PURCHASER OPERATED HIS BOOTH BY HIMSELF. [REDACTED] DESCRIBED THE PISTOL AS BLUED WITH ORIGINAL FACTORY WALNUT GRIPS AND A FIXED SIGHT. HE STATED HE NEVER REMOVED THE GRIPS NOR DID HE OBSERVE THE INITIALS [REDACTED] OR THE NUMBERS [REDACTED] INSCRIBED ON THE FRAME.

LOS ANGELES NOTES THE GREAT WESTERN EXHIBIT CENTER IN COMMERCE, CALIFORNIA WAS DEMOLISHED APPROXIMATELY TWO YEARS AGO, AND DURING THE TIME IT HOSTED THE ANTIQUE- GUN SHOW APPROXIMATELY 500 SEPERATE EXHIBITORS WERE PRESENT. AN INQUIRY OF THE AUTOMATED FIREARMS SYSTEM OF THE CALIFORNIA DEPARTMENT OF JUSTICE ALSO FAILED TO PRODUCE ANY HISTORY REGARDING THE REGISTRATION, SALE OR TRANSFER OF A BROWNING NINE MILLIMETER, SERIAL NUMBER [REDACTED] UNLESS ADVISED TO THE CONTRARY BY THE BUREAU OR BOSTON LOS ANGELES WILL NOT PURSUE INVESTIGATION IN THIS REGARD IN THAT NO LOGICAL AVENUE EXISTS WITH WHICH TO TRACE THIS WEAPON.

KAPIKILL is the code word for the FBI investigation into the assassination of Orhan Gunduz, the Honorary Turkish Consul for the Boston, Massachusetts, area who was shot and killed 5/4/82 by an Armenian group known as the Justice Commandos for Armenian Genocide (JACG).

Attached teletype from Boston reports that the FBI Laboratory has successfully raised the obliterated number on the recovered murder weapon, a Ruger revolver. Investigation by Bureau of Alcohol, Tobacco, and Firearms on 5/12/82 indicates that the revolver was sold by a California firearms dealer to [redacted]

[redacted] of Los Angeles, California.

During the last two days, a number of Armenians in the Boston area have refused interview by the FBI; therefore, grand jury action is being considered.

b6
b7C

FBI, Detroit, has obtained a list of individuals who attended a recent national convention in Detroit of the Armenian Revolutionary Federation (ARF), which group may serve as a recruiting ground for the JACG. Many of the individuals who attended the ARF convention are being identified and interviewed with regard to captioned matter.

Investigation continues.

RE BOSTON TELETYPE, MAY 10, 1982.

FOR INFORMATION FBIHQ AND RECIPIENT OFFICES, ON MAY 11, 1982 FBI DETROIT FURNISHED A LIST OF INDIVIDUALS WHO ATTENDED A NATIONAL CONVENTION IN DETROIT OF THE ARMENIAN REVOLUTIONARY FEDERATION (ARF) DURING THE PERIOD APRIL 29 - MAY 1, 1982. IT IS NOTED THAT THE ARF MAY SERVE AS A RECRUITING GROUND FOR THE JUSTICE COMMANDOS OF THE ARMENIAN GENOCIDE (JCAG) AND BOSTON BELIEVES THAT IT IS IMPERATIVE THAT AS MANY OF THE INDIVIDUALS THAT ATTENDED THE ARF CONVENTION AS POSSIBLE BE IDENTIFIED AND INTERVIEWED WITH REGARD TO CAPTIONED MATTER. BOSTON, BY FACSIMILE, WILL FORWARD A LIST OF ALL INDIVIDUALS IN ATTENDANCE AND IT IS REQUESTED THAT ALL OFFICES HAVING INDIVIDUALS FROM THEIR DIVISION IN ATTENDANCE SEARCH INDICES AND ATTEMPT TO IDENTIFY AND INTERVIEW THOSE INDIVIDUALS REGARDING CAPTIONED MATTER.

DURING THE LAST TWO DAYS IN INTERVIEWS IN COMMUNITIES WITH A HEAVY CONCENTRATION OF ARMENIANS, A NUMBER OF ARMENIANS HAVE ADVISED THAT UPON ADVICE OF COUNSEL THEY NEED NOT DISCUSS CAPTIONED MATTER OR ANYTHING ELSE WITH THE FBI AND THEREFORE ARE REFUSING TO BE INTERVIEWED. THIS MATTER IS BEING DISCUSSED

PAGE THREE BS 185-128 UNCLAS

WITH USA IN BOSTON AND AS MENTIONED IN PRIOR TELETYPE, GRAND JURY ACTION IS BEING CONSIDERED.

BASED ON CURRENT WORKLOAD IN THE MASS. STATE POLICE CRIME LAB AND THE FACT THAT THEY HAVE ONLY PERFORMED VISUAL EXAMINATION OF SEVERAL PIECES OF EVIDENCE, BOSTON FBI HAS RECLAIMED THIS EVIDENCE AND IS PREPARING SAME FOR FORWARDING TO FBI LAB FOR EXAMINATION.

IT SHOULD BE NOTED WITH REGARDS TO AFOREMENTIONED CONVENTION IN DETROIT, SOME 15 PEOPLE FROM THE BOSTON DIVISION WERE IN ATTENDANCE AND EFFORTS ARE UNDER WAY TO IDENTIFY AND INTERVIEW ALL ATTENDEES.

ON MAY 11, 1982, [REDACTED] FBI LAB METALURGICAL UNIT, ADVISED BOSTON THAT THE OBLITERATED SERIAL NUMBER ON THE RECOVERED RUGER REVOLVER HAD BEEN SUCCESSFULLY RAISED. THIS PARTICULAR WEAPON, A .357 CALIBER RUGER SPEED-SIX REVOLVER, BORE SERIAL NUMBER [REDACTED] [REDACTED] ADVISED THAT THE LAST DIGIT OF THE SERIAL NUMBER [REDACTED] CAME UP AT A DIFFERENT RATE THAN THE OTHER SEVEN DIGITS WHICH WAS INDICATIVE OF A "ADD-ON" DIGIT, POSSIBLY ALTERED PRIOR TO OBLITERATION.

b6
b7C

ON MAY 11, 1982 [REDACTED] BATF, BOSTON, WAS FURNISHED THE ABOVE NOTED SERIAL NUMBER AND HE SUBSEQUENTLY INITIATED TRACE PROCEDURES ON THE AFOREMENTIONED WEAPON.

ON SEPTEMBER 1, 1977, THIS WEAPON WAS SHIPPED TO LICENSED FIREARMS DEALER, B AND B SALES, 11100 COMPTON ST., NORTH HOLLYWOOD, CALIFORNIA, TELEPHONE NUMBER 213-985-2329. ON SEPTEMBER 24, 1977, THE WEAPON WAS SOLD TO [REDACTED]

b6

Dear Professor [Redacted]

The May 9th mailgram to President Reagan from you and other personal friends of slain Honorary Turkish Consul General Orhan R. Gunduz concerning Mr. Gunduz's death has been referred to FBI Headquarters.

b6
b7C

We in the FBI share your concern that the perpetrator and/or perpetrators of this senseless crime be brought to justice as soon as possible, and we are vigorously investigating this matter and pursuing all avenues available to us.

As a matter of interest, the FBI has also been investigating the March 22nd bombing of Mr. Gunduz's shop in Cambridge; however, it is the responsibility of the State Department to coordinate the protection of foreign officials while in this country.

Please be assured that the FBI is doing everything within its mandate to resolve this matter.

NOTE: Response coordinated with SA [Redacted] Terrorism Section, CID. Correspondents are urging President Reagan to see that all law enforcement agencies, including the FBI, spare no effort in the capture to Mr. Gunduz's murderer. Mr. Gunduz was killed on May 4th in Somerville, Massachusetts, and an Armenian group called the Justice Commandos for the Armenian Genocide, the same group that claimed responsibility for the March 22nd bombing of Topkapi Imported Gifts in Cambridge owned by Mr. Gunduz, claimed responsibility for killing Gunduz. Both incidents are under investigation by our Boston Office.

THE PRESIDENT OF THE UNITED STATES OF AMERICA
WHITE HOUSE
WASHINGTON DC 20500

SIR:

ON MAY 4, 1982 MR. ORHAN R. GUNDUZ, THE HONORARY TURKISH CONSUL GENERAL IN NEW ENGLAND, WAS MURDERED IN SOMERVILLE, MASSACHUSETTS BY A SELF PROCLAIMED ARMENIAN TERRORIST. WE THE UNDERSIGNED, ALL LONG TIME PERSONAL FRIENDS OF MR. GUNDUZ, ARE NOT ONLY SHOCKED AND OUTRAGED BY THIS SENSELESS ACT BUT ARE ALSO DEEPLY TROUBLED BY WHAT WE HAVE HEARD ABOUT THE LACK OF PROTECTION GIVEN MR. GUNDUZ BY THE F.B.I. AND OTHER LAW ENFORCEMENT AGENCIES, EVEN IN THE PRESENCE OF REPEATED THREATS TO HIS LIFE.

WE FIND IT OUT OF PLACE ON THIS OCCASION TO ENTER INTO DEBATES ON THE MORALITY OR IMMORALITY OF LONG PAST WRONGS IN TURKISH ARMENIAN RELATIONS, NOR DO WE HAVE THE POWER TO RECTIFY PAST INJUSTICES. WE DO WISH TO DRAW YOUR ATTENTION, HOWEVER, TO THE FACT THAT MR. GUNDUZ WAS FIRST AND FOREMOST A LONG TIME RESIDENT OF THE U.S.A, A PRIVATE MERCHANT IN CAMBRIDGE, AND A WIDELY RESPECTED LEADER OF THE TURKISH-AMERICAN COMMUNITY IN NEW ENGLAND. HE HAD GENEROUSLY DEDICATED HIS ENERGIES FOR TWO DECADES TO THE SERVICE OF THIS COMMUNITY IN COUNTLESS WAYS ON ALL MATTERS. HE FILLED A POSITION OF HONORARY CONSUL GENERAL, OFTEN AT ADDITIONAL COST TO HIMSELF, ONLY BECAUSE OF HIS SENSE OF DUTY AND HIS DEDICATION TO HIS COMMUNITY.

THUS, THIS LATEST HEINOUS CRIME WAS NOT ONLY THE ASSASSINATION OF A DIPLOMAT, BUT ALSO A WANTON MURDER OF A KEY LEADER OF THE TURKISH-AMERICAN COMMUNITY -- A CIVIL RIGHTS VIOLATION OF GROTESQUE PROPORTIONS.

YOU HAVE EXPRESSED ON MANY OCCASIONS YOUR DEDICATION TO ANTI-TERRORISM AND TO THE PURSUIT OF LAW AND ORDER. THEREFORE, WE LOOK TO YOU FOR HELP IN INSTRUCTING THE APPROPRIATE LAW ENFORCEMENT AGENCIES, THE F.B.I. AND OTHERS TO SPARE NO EFFORT IN THE CAPTURE OF MR. GUNDUZ'S MURDERER, AND IN BRINGING HIM TO SWIFT JUSTICE. UNDER NO CIRCUMSTANCES MUST THIS CRIME BE ALLOWED TO GO UNPUNISHED.

RESPECTFULLY YOURS,

Date of transcription 6/1/82

[redacted] (telephone [redacted]) stated that on April 29, 1982, at approximately 1:30 p.m., she received a telephone call in response to her advertisement in the "Bargain Hunter's Guide" concerning the sale of her 1976 Turquoise Volkswagon Rabbit hatchback, bearing Massachusetts registration [redacted]. When she answered the phone, the male caller said [redacted], then hesitated, then asked her if she had a car for sale. She said she was in a hurry since she intended to fly to Florida that afternoon with [redacted]. She had to pick up [redacted] at Polaroid Corporation, Cambridge, Massachusetts, so that the latter could drive them to Logan Airport.

b6
b7C

The caller said he was in Harvard Square and would be right over. When he arrived, he introduced himself as [redacted]. He said his father owned a used car lot in Memphis, Tennessee and that he was in Boston to buy 30 cars for shipment to Memphis. He told her he was Italian but she was skeptical.

He arrived in a taxi. After his brief introduction, he inspected the auto. He questioned some of the body damage so she agreed to knock one hundred dollars off the asking price. They agreed on \$1,900. He asked her if he could drive it around the block. Since she had already transferred her insurance to her new car, she said she preferred him not to. He started it up and drove it a few feet to insure it was operative then offered to pay her in cash. Since she was leaving momentarily for Florida, she said she preferred a cashier's check and suggested he go to the Mount Washington Cooperative Bank, a short distance away on Broadway. She asked [redacted] to show him the location of this bank. Meanwhile, she went into the house to get the title to the car.

b6
b7C

He soon returned with a cashier's check. His signature on the check was illegible. She stated that her [redacted] later related that he had paid for the check from a large roll of cash he had in his pocket. He instructed her

to sign the title over to Loosciano Used Auto Yard, Memphis, Tennessee, and gave her the check. He asked her if there were any other papers necessary but she replied, on advice of her insurance agent whom she had consulted in the interim, that no other paperwork was necessary. He then went out to the yard and asked her how he could remove the car. She opened the gate and gave him the keys. He backed it out into the street and parked it. He told her that someone in a truck would come by to pick it up. She expressed concern because one of her license plates could not be removed because of rust. He told her not to worry because his father would cover it with dealer's plates. He wished her good luck in Florida, shook hands, and drove away in the taxi that had returned to retrieve him. She could not remember the taxi company name but described the taxi as dirty white in color and the driver as a white male, heavy set and wearing wire-rimmed glasses, age mid-30's. On the same date, she departed for Florida before the car was removed from in front of her house. She remained in Carol City, Florida, from April 29, 1982 to May 8, 1982.

b6
b7C

described the buyer of her car as follows:

White male, 5'5" - 5'6", 130-140 pounds, black, soft, curly (professionally cut), hair groomed short. He needed a shave (had probably one day's growth of beard) and smelled as though he had been drinking an alcoholic beverage. He had a foreign accent but not what considered to be Italian. He appeared to be a foreigner (possibly Greek, Albanian or Mediterranean) but spoke excellent English. He was apparently in his late 20's. He had a small nose, delicate features, and smooth complexion. He was wearing sunglasses which he shifted back and forth from his eyes to his head.

He was attired in a multi-colored ski cap (which she thought odd since it was a warm day). He appeared to be nervous, playing with the glasses and hat and shifting his arms and position constantly while he talked. He also had a habit of standing with his arms folded in front of him. He wore a beige colored T-shirt with what she believes was a college logo (unrecalled) inscribed on the area over his heart. He was also wearing blue designer dungarees and ankle length brown leather boots.

[redacted] was shown composite drawings produced from witness accounts of the assailant in the shooting death of Honorary Turkish Consul General of New England Orhan R. Gunduz in Somerville, Massachusetts, on May 4, 1982. She stated that the composites did not resemble enough the person who bought her car for her to make a positive identification.

[redacted] was also shown photos of participants of anti-Turkish demonstrations (Greater Boston area April 23-24, 1982) selected for their resemblance to witness' descriptions of the assailant. [redacted] could identify none of the persons in these photos as the purchaser of her auto.

[redacted] stated that she returned from Florida on May 8, 1982. She received a telephone call from the Somerville Police Department on May 10, 1982, advising her that a car registered to her had been found abandoned in Somerville. She said she told her caller of the details of the sale of her car on April 20, 1982. On May 11, 1982, the car was towed to a local garage. On May 18, 1982, she received a registered letter from Dick's Towing, Somerville, advising her that her car had been towed to their location; that the charge was \$155; and requesting her decision as to the disposition of the car. She was advised that she could come in and claim it or sign it over. On May 19, 1982, she proceeded to the Somerville Police Department, identified herself, and gained a release slip. She presented this release receipt at Dick's Towing. On inspecting the car, she noticed a pile of clothing on the floor of the front passenger's side which were not hers nor had these items been in the car at the time of the sale. She described these items, which were all new, as:

Two hats, a maroon colored baseball cap and a beige colored poplin rain hat.

Two plaid wool scarves.

One pair of sunglasses.

One pair of blue colored jogging pants with a triple-white stripe down the outside of each pant leg.

One black colored, chino-like material waist length jacket inscribed with the logo "Members Only".

[redacted] said she is quite certain that the sunglasses she viewed in this abandoned car closely resembled those worn by the person who purchased the car from her.

[redacted] paid \$118 to Dick's Towing to obtain release of the car and they agreed to tow it to her residence the same date (May 19, 1982), since she could not drive it without insurance. The car was delivered to her residence on May 19, 1982. She stated that no one drove this car between May 19, 1982 and May 25, 1982, when it was impounded by the Somerville Police Department.

[redacted] stated that the items of clothing in the auto smelled so badly of body odor that she washed them. She also said the sunglasses found in the car were dirty and covered with fingerprints, but that she had also cleaned them. In addition, she washed the exterior of the car.

[redacted] stated that she discussed the circumstances of the recovery of the car, including the addition of the clothing, with her friend, [redacted] (Somerville). [redacted] mentioned to [redacted] that the assailant in the murder of Gunduz wore blue jogging pants. This prompted [redacted] to go to the "Boston Globe" to read back issues of that newspaper to familiarize herself with the facts of the case. She then called [redacted] (telephone [redacted]) for advise. He suggested that she contact the Somerville Police Department to report her suspicions that her recovered car might have been somehow involved in this murder.

[redacted] stated that she was interviewed by a detective from the Somerville Police Department on May 24 or May 25, 1982, and that she turned over to him the items found in the car. She added that the rear driver's side fender of the car had a dent in it that was not there when the car was sold.

When advised of the discovery of animal hairs in the front seat of the abandoned vehicle, [redacted] stated that she has a grey-haired schnauzer and a cat.

[redacted] intends to leave again for Florida on
June 13, 1982, with [redacted] She will attend [redacted]

of June 21, 1982, she can be contacted care of [redacted]

Mount Washington Cooperative Bank, 430 Broadway, South Boston, Massachusetts, telephone (617) 268-0379, was advised of the official identity of interviewing Agent and the purpose of the interview. She voluntarily provided the following information:

[Redacted] stated that she was [Redacted] years old and has been employed at the Mount Washington Cooperative Bank for the past eight months. She was previously employed with the New England Merchants Bank, Boston, Massachusetts, for three years.

b6
b7C

On April 29, 1982, a young man appeared at her station at the bank with 19 \$100 bills and requested a Treasurer's Check. She issued Treasurer's Check on the bank, number [Redacted] for \$1900, payable to [Redacted]. This young man was alone at the time of the transaction. The transaction took approximately 4-5 minutes. She believed the young man appeared to be quite relaxed during this period. She recalled that she checked the 19 \$100 bills to be sure that there were no counterfeits. Then she had the Treasurer's Check made out according to his request. She did not recognize this person as a regular customer of the bank. She did not believe this person to be from the South Boston area and it was her opinion that this person did not speak with a Boston accent.

She provided the following description of this individual:

Race: White
Sex: Male
Age: Approximately 25-35 (She described him as a young person)
Height: Approximately 5'7" to 5'8"
Weight: 170-185 pounds
Build: Medium
Hair: Brown (wind-blown)
Eyes: Small and dark and he wore sunglasses.
Dress: Open-collar shirt and jeans. No colors recalled.
Characteristics: Appeared to need a shave.
Complexion: Medium or light-dark

Investigation on 5-27-82 at South Boston, Massachusetts # Boston 185-128

SA [Redacted] po'b Date dictated 5-27-82

She was asked if she could be positive that the transaction occurred on April 29, 1982 and not on April 22, 1982. According to available records she indicated that the transaction definitely occurred on April 29, 1982.

Four composites of the assailant in the assassination of Orhan R. Gunduz, Honorary Turkish Consul, who was assassinated on May 4, 1982, were displayed to her. She viewed these composites and was able to indicate that they were not identical to the person who made the above transaction on April 29, 1982.

In addition she viewed nine color photographs of persons who have similar look-alike qualities as picked out by eye-witnesses who were present at the assassination of Gunduz, on May 4, 1982, and she was unable to identify any of these persons as the person whom she conducted a transaction with on April 29, 1982.

She indicated that she would be willing to sit down with an artist and furnish a detailed description on which the Artist could draw a composite.

She was unable to provide any additional, pertinent information concerning the investigation.

She viewed the original Treasurer's Check, number [redacted] mentioned above, and stated that this was the check that she issued the unknown white male on April 29, 1982.

The following information was noted:

Name: [redacted]
Race: White
Sex: Female
Age: [redacted]
Height: 5feet 2 inches
Weight: 115 pounds
Hair: Black
Eyes: Brown, wears glasses
Complexion: Medium

Result of examination:

One or more Caucasian head hairs ranging in color from bleached blond to dark brown were found on or in each of specimens Q16, Q19 and Q27. These hairs are suitable for significant microscopic comparisons with any adequate head hair sample of known origin. Other human hairs were found on or in Q17, Q18, Q19, Q23, Q24 and Q28; however, these hairs are of no value for significant comparison purposes. Most of these hairs possess Caucasian characteristics; however, the racial origin of one hair fragment could not be determined. No human hairs were found on or in Q20, Q21, Q22, Q25, Q26 and Q29.

One or more rabbit hairs were found on or in each of specimens Q17, Q24 and Q29. One or more animal hairs of undetermined family origin were found on or in Q17, Q22 and Q24 through Q29; however, some of these animal hairs are suitable for limited comparison purposes.

Foreign textile fibers were removed from Q16 through Q19 and Q21 through Q29. These fibers have been preserved for possible future comparisons. No fibers were found on Q20.

No visible or invisible laundry marks or other identifying marks were observed on Q16 through Q19.

You will be advised of the result of the fingerprint examination and the disposition of the submitted items by a separate report. Microscope slides and pillboxes prepared during the course of this investigation are being returned under separate cover by registered mail.

On 5/25-27/82, enclosures #2-10 were found and collected from a 1976 Volkswagen Rabbit, Mass. registration [redacted], owned by [redacted] (a matter of record). [redacted] advised that she sold the VW on 4-29-82 to an individual claiming to be a [redacted] representing his family's used car business, "Loosciano Used Auto Yard, Memphis, Tennessee." The car was purchased as a result of [redacted] placing an ad in a weekly shopper's guide periodical. [redacted] paid for the VW with a cashier's check dated 4-29-82 in the amount of \$1,900. He tried to give [redacted] cash (nineteen \$100 bills); however, she was leaving for Florida the same day and did not want to carry that amount of cash with her. Enclosure #1 is the afore-mentioned cashier's check. [redacted] further advised that the Somerville (Mass.) PD telephoned her on 5-10-82 and instructed her to pick up the VW because (as a matter of record) it was (and still is) registered to her, according to Mass. Registry of Motor Vehicles. [redacted] advised that upon retrieving the VW she discovered enclosures #2-#8 and because "they stunk," she laundered some of the items. [redacted] distinctly recalls laundering enclosures #2 and #4 and cleaned enclosure #8.

b6
b7C

On 5-27-82, Massachusetts State Police (MSP) Laboratory advised that the Adidas jacket submitted to the FBI Lab as enclosure to reairtel contained some animal hairs. MSP Lab further advised that the vehicle vacuuming produced animal hairs. [redacted] advised that she has both a dog and a cat as pets and the Schnauzer often rode in the front seat of the VW.

Inasmuch as:

- (1) [] repeatedly referred to the purchaser of her VW as being extremely nervous;
 - (2) The "Adidas" warm-up pants visibly matching the "Adidas" warm-up jacket recovered at the scene of the assassination within the hour of its occurrence;
 - (3) The vehicle containing the warm-up pants being found abandoned within 1½ miles from the assassination scene;
 - (4) Animal hairs reportedly found on the warm-up jacket along with animal hairs found in the abandoned VW;
 - (5) The phonetic (and probably phoney) spelling of []
 - (6) Memphis Division advising that Loosciano (or Luciano) Used Auto Yard does not exist in Memphis, Tenn.;
 - (7) The description of [] provided by [] being very similar to those descriptions provided by KAPIKILL eye-witnesses; and
 - (8) An eye-witness stating that the vehicle behind her and in front of the victim was a "small, dull colored, possibly brown, station wagon," -
- are all factors which lead Boston to believe that [] 1976 Volkswagen Rabbit Hatchback was involved in KAPIKILL.

b6
b7C

For information of the Latent Fingerprint Section(LFS), MSP processed the VW Rabbit and obtained one (1) latent fingerprint from the rear view mirror. Boston will obtain this lift and forward to LFS for comparison purposes.

REQUEST OF BUREAU

LFS is requested to conduct latent fingerprint examinations on all items submitted and make comparisons with all other fingerprints obtained in this matter.
