EIR 046

**29/04/2022**

Dear [REDACTED]

I am writing in response to your Environmental Information Regulations request which was received by ScotRail Trains Limited (SRT) on 02/04/2022. As SRT is a Scottish Public Authority, your request is subject to the terms of the Environmental Information (Scotland) Regulations 2004.

### Your request

According to this story, Scotrail do not publish details of the carbon emissions associated with each train type in their fleet: <https://theferret.scot/scottish-government-gas-guzzling-high-speed-trains/>

Now the Scotrail is subject to Freedom of Information and/or the Environmental Information Regulations, I'd be grateful if you could supply me with any recorded information Scotrail holds on the carbon emissions associated with each type of train.
