Complaint

The Affiant, Ki Ransdell, states that on 6/27/2015 at 20:00 in BOONE County, Kentucky, the above named defendant unlawfully: subjected another person to sexual contact which was incapable of consent. Nurses from the mental health unit of Florence St Elizabeth contacted Florence Patrol to file a report of sexual abuse. After noticing a patient extremely close to another patient, they reviewed video surveillance. The video shows the suspect reach his hand under the hospital gown and place his hand on her vagina. The victim is described as being completely incapacitated according to nurses. They believe this condition is drug related. She is not able to say where she is or why she is there and is being taken care of for everything that she does by the nurses.
