

HOW YOU CAN HELP TODAY

JOIN THE PROSTUDENTS ADVISORY COMMITTEE (PAC)

It will take a diverse village to achieve our goal of improving educational equity for underserved children in Vero Beach. We would appreciate your unique viewpoint when developing programs for our students.

DONATIONS

Please contact us via email or phone and we will schedule a meeting at your convenience.

OUR MISSION

The Octavian Village was created to increase educational equity throughout Florida's Treasure Coast and beyond. We focus on developing and maintaining high-quality, low-cost, and replicable interventions to address educational gaps for our future leaders.

OUR GOAL

Our goal is to maintain and promote evidence-based educational opportunities throughout the calendar year for underserved students. Additionally, we aim to develop a platform that streamlines how students, parents, and community members access educational, mentoring, and tutoring opportunities.

WHAT WE DO

PROSTUDENTS SUMMER PROGRAM

We understand the importance of transitioning into middle school with the appropriate baseline knowledge for academic success. To this end, we aim to:

IDENTIFY
strengths and weaknesses of each student during our 8-week summer program

DEVELOP
a student-specific plan and monitor their progression

INCORPORATE
a bidirectional mentoring component by recruiting hopeful and leading educators

INSPIRE
our ProStudents in their academic journey

PROSTUDENTS TUTORING PORTAL

Tutoring is an effective practice that yields consistent and substantial positive impacts on learning outcomes. Although we have great tutors that work within our village, a void still remains. We aim to develop a tutoring portal that virtually adds tutors from outside academic institutions to our village. These tutors will be vetted to ensure we are adding effective tutors for our children as they start middle school.

The average effect of tutoring programs is equivalent to moving a student from the 34th percentile of the achievement distribution to the 50th.
