

"Continuous"  
"Babel Street"  
"Locate X"  
"Steering Committee"  
"Pilot Program"

Additionally, I agree to removing the word "actionable" from the list of terms in D, but we would like to keep the rest in.

If it does occur that this results in thousands of false positives, please let me know, per your letter, and we can make a good faith attempt to further limit the scope.

Thank you,

Andrew
