Try double checking the number with Chadason. Then perhaps google the law firm in the e-mails and ask for Sussman.

[REDACTED] Kevin,

I tried calling Michael Sussman, but the individual who answered the phone advised that I had the wrong number (after asking for Michael Sussman). Thinking I might've misdialed, I tried again, but again got the same response, "you have the wrong number." Welcome any thoughts on next steps.

Please remember this guy is a partisan lawyer who works closely with DNC. So I am not sure what the real story here is --but I am sure you guys will figure it out.
