

10/11/2016 19:55:13	smnewell@fbi.sgov.gov	prrich@fbi.sgov.gov	Are you available for a call with DNC/DCCC's counsel on Thursday?
10/11/2016 19:55:25	smnewell@fbi.sgov.gov	prrich@fbi.sgov.gov	They want to give us a status update on our asks.
10/11/2016 19:55:51	smnewell@fbi.sgov.gov	prrich@fbi.sgov.gov	I think the conversation with focus on the technical asks.
10/11/2016 19:56:07	smnewell@fbi.sgov.gov	prrich@fbi.sgov.gov	Versus the modified documents.
10/11/2016 19:56:27	smnewell@fbi.sgov.gov	prrich@fbi.sgov.gov	If you would rather it be someone else from your team, just let me know who I should coordinate with.
10/11/2016 20:03:43	prrich@fbi.sgov.gov	smnewell@fbi.sgov.gov	Yes, I'm available.
10/11/2016 20:03:54	smnewell@fbi.sgov.gov	prrich@fbi.sgov.gov	Cool, I'll rope you into the e-mail chain.
10/11/2016 20:03:58	prrich@fbi.sgov.gov	smnewell@fbi.sgov.gov	Thank you!
10/13/2016 19:09:12	eahawkins@fbi.sgov.gov	emchan@fbi.sgov.gov	saw your email. sussman has said in the past many times we're able to go the victim and do stuff if we need to. we just need to provide him with some guidance on what we'd want to do. we've always declined thinking it's too far after the incident to get anything from their network.
10/13/2016 19:09:14	eahawkins@fbi.sgov.gov	emchan@fbi.sgov.gov	Just FYI
10/13/2016 19:09:38	eahawkins@fbi.sgov.gov	emchan@fbi.sgov.gov	many moons ago this wasn't an option (really before sussman was engaged)
10/13/2016 19:09:45	emchan@fbi.sgov.gov	eahawkins@fbi.sgov.gov	ah, okay
10/13/2016 19:09:59	emchan@fbi.sgov.gov	eahawkins@fbi.sgov.gov	really, I just want images of what crowdstrike has
10/13/2016 19:10:07	eahawkins@fbi.sgov.gov	emchan@fbi.sgov.gov	yes, exactly.
10/13/2016 19:10:13	eahawkins@fbi.sgov.gov	emchan@fbi.sgov.gov	getting new images won't help
10/13/2016 19:10:30	emchan@fbi.sgov.gov	eahawkins@fbi.sgov.gov	did he say it was okay to have our guys roll out?
10/13/2016 19:11:06	eahawkins@fbi.sgov.gov	emchan@fbi.sgov.gov	no, just giving you historical perspective, don't know how he'll reply to your new email
10/13/2016 19:11:15	emchan@fbi.sgov.gov	eahawkins@fbi.sgov.gov	ok. we'll see
10/13/2016 19:11:34	emchan@fbi.sgov.gov	eahawkins@fbi.sgov.gov	I don't know if we want to set a precedent with crowdstrike paying them for something our people do
10/13/2016 19:11:37	eahawkins@fbi.sgov.gov	emchan@fbi.sgov.gov	my initial interpretation is he's going to misinterpret your request into thinking you want onto DNC/DCCC to collect new images
10/13/2016 19:11:41	emchan@fbi.sgov.gov	eahawkins@fbi.sgov.gov	on a regular basis
10/13/2016 19:12:21	eahawkins@fbi.sgov.gov	emchan@fbi.sgov.gov	I don't believe DNC/DCCC have the images that CS took. Only CS have those. It's like paying ATM fees to your bank to get your cash.
10/13/2016 19:12:24	eahawkins@fbi.sgov.gov	emchan@fbi.sgov.gov	DNC/DCCC will be charged to get the images back.
10/13/2016 19:12:45	emchan@fbi.sgov.gov	eahawkins@fbi.sgov.gov	kinds messed up
10/13/2016 19:13:04	emchan@fbi.sgov.gov	eahawkins@fbi.sgov.gov	that sucks
10/13/2016 19:13:28	eahawkins@fbi.sgov.gov	emchan@fbi.sgov.gov	so maybe we get dnc/dccc blessing for us to roll into crowdstrike to make our own images
10/13/2016 19:14:05	emchan@fbi.sgov.gov	eahawkins@fbi.sgov.gov	I like your positive thinking
10/13/2016 19:14:14	emchan@fbi.sgov.gov	eahawkins@fbi.sgov.gov	positive thinking might help us save \$4k
10/13/2016 19:16:27	eahawkins@fbi.sgov.gov	emchan@fbi.sgov.gov	although I'd make hq pay it anyway
10/18/2016 14:41:50	jhooper@fbi.sgov.gov	lmgarrett@fbi.sgov.gov	yup. will be interesting to see how it plays out.
10/18/2016 14:45:37	lmgarrett@fbi.sgov.gov	jhooper@fbi.sgov.gov	Hey has there been any interaction with DNC regarding a re-compromise?
10/18/2016 14:47:01	lmgarrett@fbi.sgov.gov	jhooper@fbi.sgov.gov	I dont believe we've had recent contact. To my knowledge CrowdStrike detected the activity and re-addressed the matter.
10/18/2016 14:48:03	jhooper@fbi.sgov.gov	lmgarrett@fbi.sgov.gov	Apparently CrowdStrike deployed their Falcon detection system across the network during the initial infection and missed a few computers which led to the re-infect.
10/18/2016 14:48:45	lmgarrett@fbi.sgov.gov	eahawkins@fbi.sgov.gov	This is all coming from CS, though, correct? Or did DNC reach out an notify us of the re-compromise?
10/18/2016 14:48:54	lmgarrett@fbi.sgov.gov	eahawkins@fbi.sgov.gov	We learned about the DNC's re-infect as a side note from Sussman, right
10/18/2016 14:49:15	eahawkins@fbi.sgov.gov	lmgarrett@fbi.sgov.gov	or was it crowd
10/18/2016 14:50:19	lmgarrett@fbi.sgov.gov	jhooper@fbi.sgov.gov	both
10/25/2016 12:05:00	mswalters@fbi.sgov.gov	eahawkins@fbi.sgov.gov	We were notified by both. Most of our interaction with DNC is through their attorney. So, the attorney mentioned it as a side note and CS notified us as well
10/25/2016 12:05:00	eahawkins@fbi.sgov.gov	mswalters@fbi.sgov.gov	Hey, Adrian! Do you have a few mins to discuss the call you received re RF devices?
10/25/2016 12:06:00	mswalters@fbi.sgov.gov	eahawkins@fbi.sgov.gov	sure, lync?
10/25/2016 12:06:00	mswalters@fbi.sgov.gov	eahawkins@fbi.sgov.gov

10/25/2016 12:13:00	mswalters@fbi.sgov.gov	eahawkins@fbi.sgov.gov	No worries. Never know if it is nothing, a Trump bug, or Russian bug
10/28/2016 12:13:00	mswalters@fbi.sgov.gov	eahawkins@fbi.sgov.gov	Good morning, Adrian
