We did, thanks. Now HQ is asking for the DNC report and supposedly is willing to make some calls if you feel like that would expedite matters.

I didn't see your text message. I assume you already received the DCCC report from HQ? If you're asking about the DNC report, that's still a few days away. Michael

Just duplicating a text msg I sent earlier, voice mail was full. Hoping to get a copy of that report when you have the chance, or at least a status update on when/if we can expect it.
