MEMO ENDORSED

Re: *First Look Institute, Inc. and Travis Mannon v. U.S. Immigration and Customs Enforcement*, 21 Civ. 7052 (BCM)

Dear Judge Moses:

This Office represents U.S. Immigration and Customs Enforcement (“ICE”) in the above-captioned action brought under the Freedom of Information Act, 5 U.S.C. § 552 (“FOIA”). We write on behalf of all parties to provide a joint status update letter as required by the Court’s scheduling order and to seek an adjournment *sine die* of the conference currently scheduled for June 8, 2022, at 11 a.m. *See* ECF No. 28.

Since the last status report, the parties have resolved the merits of this matter and therefore believe that a conference is unnecessary. The only remaining issue is plaintiffs’ attorneys’ fees and costs. Plaintiffs have provided a fee request to ICE, and ICE is in the process of reviewing the request and authorizing a settlement amount. The parties are hopeful that they can resolve the fee matter without judicial intervention, in which case they would submit a stipulation and proposed order resolving the entire matter. Accordingly, the parties jointly propose either submitting such a stipulation and proposed order or another joint status update letter by July 1, 2022.

This is the parties’ third request for an adjournment of the status conference; the Court granted the prior requests. *See* ECF Nos. 25-28.

We thank the Court for its consideration of this matter.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
Southern District of New York

Application GRANTED. The conference scheduled for June 8, 2022, is hereby ADJOURNED *sine die*. No later than **July 1, 2022**, the parties shall file either a stipulation of dismissal with prejudice for the Court to so-order or a joint status update letter in the event that the action is not yet fully resolved by then. SO ORDERED.
