RE: Gregory Williams - Victim
Case No(s):
MPIA Number: 078-2022

Dear Emily Ryan,

On June 3, 2022, the Office of the State's Attorney for Baltimore City received your request under the Public Information Act ("MPIA"), Md. Code Ann., Gen. Prov. ("GP") §§ 4-101-4-601, in which you requested a copy of the "full case documentation and autopsy report for Gregory Williams (DOB 7/1/47) who died in police custody on April 4, 2003."

Please be advised that we have conducted a search of our records based on the victim name and date of birth provided, and have been unable to locate any responsive records. We recommend sending a request to the Baltimore City Police Department, as they would be the originating and investigating agency of this incident, and may have maintained and be able to locate their file associated for this incident.

Pursuant to the MPIA, should you have a concern relating to your request, you may (1) file a complaint in circuit court; (2) file a complaint with the State Public Information Act Compliance Board; or (3) refer the matter to the Public Access Ombudsman at the Office of the Maryland Attorney General.

Very truly yours,

Marilyn J. Mosby
State's Attorney for Baltimore City
