Amy,

Assembly member Constant is referring to two voice messages left for him. We have reviewed this and found no credible threat. We have identified the person who left the messages and will have an officer reach out to him and let him know his messages are not welcome. We will also coordinate with city legal to see if there is any crime committed. In the past, city legal has refused to refer charges on such calls.

Respectfully,

Subject: Death Threats?

Chief Kerle,

I had a discussion at the Assembly meeting tonight with Assembly member Constant and he told me he has had numerous death threats in the past two weeks. Are you aware of those threats? Has APD received these threats from Assembly Member Constant and have they been reviewed/assessed for credibility?

Any information you can share would be appreciated; I just want to ensure Mr. Constant has provided APD with information to assist in situations like these.

Respectfully,

Amy Demboski
