

Congressman Biggs: Jan. 6 Committee Subpoena is Pure Political Theater

May 12, 2022 [Press Release](#)

Today, Congressman Andy Biggs issued the following statement in response to the House January 6 Committee's subpoena:

"Today's actions by the illegitimate January 6 Committee are pure political theater," said **Congressman Andy Biggs**. *"The subpoenas and news of their issuance were leaked to the media before the impacted Members.*

"The January 6 Committee's ongoing, baseless witch hunt is nothing more than an effort to distract the American people from the Democrats' and Biden's disastrous leadership. The border is in crisis, inflation is skyrocketing, crime is rampant, and Democrats are focused on fabricating their own facts to take down Republican leaders."
