Dear M. Kennelly:

I am in receipt of your open records request copy/pasted below.

1. An excel document containing phone numbers, university-affiliated emails, first and last names, and program of study/technology of all students currently enrolled in Northern Kentucky University as of the 2021-2022 academic calendar.
1. An excel document containing phone numbers, university-affiliated emails, first and last names, title, and department of all current faculty and staff at Northern Kentucky University.

Based on recent changes to Kentucky law, effective June 29, 2021, only residents of the Commonwealth may request to inspect public records. A person submitting a request to inspect public records must include with the request a statement that the person making the request is a resident of the Commonwealth. NKU may deny a request to inspect records that does not include such a statement. See KRS 61.872(2). Your request did not contain a statement indicating that you are a resident of the Commonwealth, and therefore NKU denies your request.

If you are a resident of the Commonwealth as defined by KRS 61.870(10), please complete the Standardized Request Form

(https://inside.nku.edu/content/dam/legal-affairs/docs/2021June_Standardized_Open_Records_Request_Form_V3.pdf) and resubmit your request.

Thank you.
