2022-03-13-00252	3/13/2022	3/18/2022		3/18/20	22 Granted	This is an appeal request, as I was asked to extend the first request 30 days and that day it was due was March 11,2022. I am requesting any records pertaining to the suretyl insurance bonds/policies (whether fidelity, or faithful performance, that secures their oath or office duties) of the BuckS County Commissioners: Rober J. Harvie Ir., Dane Marseglia, and Gene DiGirolamo. I am also seeking the same information for the BuckS County Serliff; Frederick A. Harrian, as well as a copy of his oath of office. Specifically, what agency or insurance company holds the bond(s), the policy number, the address and telephone number where they may be reached and to what dollar amount they are bonded. I request this information be sent to me by email and within the 5 days, like the originally requested.		JAMIE	FISHER		Trevose	PA	19053

If you should have any questions or comments, please do not hestate to contact me at (215) 699-4800 extension 104. Sincerely, Patrick Peck		Patrick	Peck	Compliance Manageme nt Internationa	North Wales	PA	19454	

							office provide us with									
							public spending information, including both capital and operating expenditures, for payments									
							made by or on behalf of the Bucks County during fiscal year 2021									
							Specifically, for any payee other than an employee, who was paid a cumulative total amount of									
							\$10,000 or more, we seek the									
							payee name, address, and the cumulative total dollar amount paid to the subject payee over the									
							relevant time period. The \$10,000 threshold was established to minimize									
							reporting for respondents. If a data sort of this type is not available, please supply the requested									
							information for all nonemployee payees. This is the same format information that you were kind enough to provide via									
							email for fiscal year 2020.									
							The information is to be used for research aimed at identifying patterns of spending by public									
							entities. No part of the data will be used as a mailing list & your supplying									
							the information cannot be construed as an endorsement of either your payees or our work.									
							Acme is willing to reimburse your office for any reasonable expense incurred in providing the									
							requested information, if an estimate of costs is provided for our approval	ı								
							before the work is performed. We prefer to receive the data electronically in a CSV, text,	Purchasing

							Bucks County Foodshed Alliance is holding a Farmer Forum on Renewable Agriculture with Sam Malriat of Rodale Institute as a speaker and panel of									
							experienced farmers such as Henry and Charlotte Rosenburger who own									
							Tussock Sedge Farm in Blooming Glen to share what they've learned. This will be Wednesday, February 23, 1:30 4:30 at the Aldie Mansion in									
							Doylestown. This program is free.									
							We are inviting all of the farmers in our address book, who mostly grow									
							produce and would also like to reach out to other farmers such as those who are in the our County Agricultural Preservation program. If the									
							program could share its list of preserved farms, the names of the farmers									
							and contact information, that would greatly help us in letting more farmers know about this event. At our last forum, in 2019, about 55									
							people attended, including some of our State and Federal elected officials	:			Bucks					
							so that they may be more informed about issues that concern farmers.	Planning			County Foodshed

2021-12-08-0056	10/29/2021	11/8/2021	12/8/2021	1/12/2022	12/14/2021		I need the number of coronavirus cases reported for each school to the Bucks County Health Department by the Central Bucks School District since Oct. 1. I would like to have daily or weekly totals if possible, but I do need to know he numbers in each school, not a district-wide total. I realize that CBSD has a dashboard of coronavirus cases online, but I need to know if the numbers on that dashboard match what's being reported on that dashboard. I would like the records in electric format sent to the email address listed above. Please call or email me if you have any questions.
