Sir,

For awareness.

BL: CNN's Jake Tapper reports that the Cannon and Madison congressional office buildings are being evacuated due to suspicious packages. Included below are tweets from Jake Tapper and Andrew Egger of the Dispatch on the intensifying situation at the Capitol.

Respectfully,

Protesters have torn down a barrier. Fireworks going off outside the Capitol. People in a tower telling the crowd to press forward. "Move forward and we can beat them." Throwing things at police. Crowd pushing up chanting USA. This is unreal
