3.2 Boundary Survey of Subject Property. Within thirty (30) days from the Effective Date of this Agreement, Developer shall obtain and provide to Owner a boundary survey of the three phases that are contemplated for the Subject Property, which shall be depicted as three individual tracts on said survey (the "**Tract Survey**"). The costs and expenses for preparation of the Tract Survey shall be split equally between Owner and Developer.

3.3 *Wetlands Survey.* Within thirty (30) days from the Effective Date, Owner shall obtain and provide to Developer a current wetlands survey of the Subject Property for Phases 1, 2, and 3. The cost and expenses for the preparation of the wetlands survey shall be paid by Owner.

3.4 *Appraisal of Subject Property.* After the Effective Date, Owner shall promptly obtain and provide to Developer a current appraisal of the Property, with the value of the Property appraised as an undeveloped tract of land for Phases 1, 2, and 3. The cost and expenses for the preparation of the appraisal shall be paid by Owner.

3.5 *Necessary Approvals for Conveyance.* Promptly after the appraisal of the Property is complete, Owner shall obtain all approvals from the Heritage Land Bank Advisory Commission and from the Municipality of Anchorage as may be necessary for the conveyance of the Subject Property from Owner to Developer.

3.6 *Developer's Inspection and Approval Period.* The parties specifically agree that Developer's obligations under this Agreement are conditioned upon the satisfaction of each of the following conditions during the time periods specified below (any of which conditions may be waived by Developer upon giving notice thereof to Owner):

(a) Developer is granted a one hundred eighty (180) day period beginning on the Effective Date (the “**Inspection and Approval Period**”) to determine if the Property is usable by Developer for Developer's intended use. This Inspection and Approval Period grants Developer time to investigate all reasonable issues to ensure the purchase satisfies Developer for Developer's proposed development and use of the Subject Property. Owner acknowledges and agrees that Developer's decision as to whether it will terminate this Agreement at the end of this period is left to Developer's sole discretion. On or before the final day of the Inspection and Approval Period, Developer will notify Owner of Developer's intention either to proceed with the Project or terminate this Agreement. This Inspection and Approval Period may encompass all aspects of Developer's concerns for ensuring the Property meets its intended use to include, but not be limited to: (i) economic and feasibility studies, (ii) appraisals, (iii) site inspections, (iv) studies, (v) testing, (vi) surveys, (vii) utility locates, (viii) utility easements, and (ix) property access.

(b) Notwithstanding anything to the contrary in this Agreement, Developer may extend the Inspection and Approval Period, at no additional cost to Developer, for an additional sixty (60) day period beyond that stated in Section 3.6(a) for engineering, soils and environmental inspections. In the event Developer's engineering, soils or environmental inspections identify a material problem with the Subject Property, Owner will be granted forty-five (45) days to correct such issue at Owner's cost. Owner's failure to correct the issue within the forty-five (45) day period will provide Developer the right to terminate this Agreement or negotiate a modification to this Agreement to provide for the development and sale of such portion(s) of the Subject Property as can be profitably developed and sold.

(c) At any time on or before the final date of the Inspection and Approval Period (as such Inspection and Approval may be extended as contemplated in Section 3.6(b) above), Developer may notify Owner that Developer, in Developer's sole judgment,

has elected to terminate this Agreement. If Developer does terminate this Agreement, then this Agreement shall be deemed to be null and void and of no further force or effect, and Developer and Owner shall have no further rights, obligations, or liabilities under this Agreement, except for any provisions which are expressly stated to survive the termination of this Agreement. If Developer does not terminate before the end of the Inspection and Approval Period, then Developer may only terminate this agreement in the event of a Seller default, or a failure of a condition precedent identified in Section 4.6 of this Agreement.

3.7 *Project Budget.* Within one hundred twenty (120) days after the Effective Date, Developer shall provide Owner with an initial Project Budget based on information reasonably available to Developer.

3.8 *Preliminary Commitment for Title Insurance.* Within ninety (90) days after the Effective Date, Developer, at Owner's expense, shall use commercially reasonable efforts to obtain a standard form Owner's Title Commitment (the "**Title Commitment**") covering the Property and issued by Fidelity Title Agency of Alaska, LLC (the "**Title Company**"), together with copies of all instruments, if any, referred to in the Title Commitment as exceptions to title. Developer shall have ten (10) days after Developer's receipt of the Title Commitment, together with copies of all documents constituting exceptions to title, to review and approve the Title Commitment. If any exceptions appear in the Title Commitment, other than the standard pre-printed exceptions (which shall be totally deleted in the Policy, as defined in Section 4.3 herein, except that the survey exception may except shortages in area), which are objectionable to Developer, Developer shall, within such ten (10)-day period, notify Owner in writing of such objection. Upon the expiration of said ten (10)-day period, Developer shall be deemed to have accepted all exceptions to title as shown on the Title Commitment, except for matters to which notice under the preceding sentence has been given by Developer, and such exceptions shall be included in the term "**Permitted Exceptions**" as used in this Agreement. Owner shall, within ten (10) days of receipt of said notice, clear the title of the defects and objections so specified. In the event that Owner is unable through the exercise of its good faith best efforts (which shall include the payment of money with respect to any mortgages, liens or other matters that can be removed by the payment of money) to cure to Developer's satisfaction, any defect or objection so specified within such ten (10)-day period, then at Developer's option Developer may either (i) take title to the Subject Property despite the existence of such defects, or (ii) terminate this Agreement, in which event this Agreement shall be null and void and of no further force of effect and neither Developer nor Owner shall have any further liabilities, obligations, or rights with regard to this Agreement, except as otherwise provided herein.

ARTICLE 4. **Conveyance of Subject Property**

4.1 *Conveyance of Subject Property.* Provided that this Agreement has not been terminated under the provisions of Article 3, Owner agrees to convey to Developer, by Statutory Warranty Deed in a form acceptable to Developer (the "**Deed**"), marketable fee simple title to the Subject Property, free and clear of all encumbrances, subject only to the Permitted Exceptions. The Conveyance of the Subject Property from Owner to Developer is referred to in this Agreement as the "**Closing.**"

4.2 *Timing of Conveyance.* Within thirty (30) days after Owner has obtained the necessary approvals for the conveyance under Section 3.5 of this Agreement and written request by Developer, Owner shall convey Phase 1 and Phase 2 of the Subject Property to Developer. Phase 3 of the Subject Property will be conveyed to Developer only at such time as is necessary to obtain financing for development of that phase to begin. Owner shall not be responsible for delays in conveyance caused by title company or lender.

4.3 *Title Insurance.* At Closing, Developer shall obtain, at Owner's expense, a standard form Owner's Title Insurance Policy (the "**Policy**") issued by the Title Company, insuring marketable fee simple title to Developer in the full amount of the appraised value of the Subject Property (as determined pursuant to the Appraisal required in Section 3.4) and containing no exceptions or conditions other than easements and the Permitted Exceptions as provided in Section 3.8 of this Agreement.

Section 5.4 below) (collectively the "Offsite Improvement Costs") for the Offsite Improvements, including the road and improvements in the rezone area if necessary.

4.7 *Developer's Notice; Right to Terminate.* At such time as all conditions set forth in Section 4.6 have been satisfied, Developer shall provide Owner with a written notice indicating Developer's intention to proceed with the Project (the "**Notice of Satisfaction of Conditions**"). Developer shall provide Owner with a written notice thirty (30) days prior to beginning construction for a Development Phase (Notice to Proceed with Phase).

4.8 *Payment of Real Estate Taxes.* From the time of Closing to the time that Developer gives its Notice to Proceed with Phase, Owner shall pay and be responsible for all real estate taxes that may be assessed against the Subject Property. After Developer gives its Notice to Proceed with Phase, Developer shall be responsible for all real estate taxes that may be assessed against the Subject Property. Owner acknowledges that Developer will seek the exemption provided in AMC 12.15.015.E.6. If Developer's ownership of the Subject Property exceeds the maximum five (5) years of exemption allowable under AMC 12.15.015.E.6, Owner shall be responsible for paying any increase in the real estate taxes assessed against the Subject Property as a result of the expiration of the exemption.

4.9 *Failure of Developer Conditions.* If any of the conditions set forth in Section 4.6 have not been satisfied on or before July 1, 2025, then Developer may terminate this Agreement at its sole discretion. Upon showing by Developer, to the reasonable satisfaction of Owner that the action or inaction of Owner, resulted in the failure to obtain the necessary approvals to satisfy the conditions in Section 4.6, Owner shall be required to reimburse Developer for all actual costs and expenses incurred by Developer in connection with the Project from the Effective Date to the time of termination, plus an additional amount equal to the commercial rate of interest on Developer's most recent active development loan. Upon Developer's receipt of such reimbursement from Owner, Owner shall convey the Subject Property back to Owner, and this Agreement shall be deemed to be null and void and of no further force or effect, and Developer and Owner shall have no further rights, obligations, or liabilities under this Agreement.

ARTICLE 5. Offsite Improvements

5.1 *Construction of Offsite Improvements.* Developer and Owner agree that Developer, on behalf of Owner, shall act as Project Manager for the construction of the following improvements from Hightower Road to the first phase of the Subject Property: Road, Pedestrian Pathway, Water, Sewer, Electric, Gas, Telephone, Internet (the "Offsite Improvements").

5.2 *Retention of General Contractor.* Developer, as Project Manager for the Offsite Improvements, shall select and retain a general contractor for the construction Offsite Improvements, subject to the following:

- (e) When the Offsite Improvements are complete the general contractor shall call for final inspection by Municipality of Anchorage officials. The general contractor shall have one opportunity to complete all punch list items and call for a reinspection. If all punch list items are not completed and approved by the Municipality of Anchorage upon reinspection, the general contractor shall pay a \$5,000 penalty per each required re-inspection.

5.3 *Cost of Offsite Improvements.* Owner shall approve and pay for all costs as described in the contract with general contractor for the planning, design and construction of the Offsite Improvements, in accordance with this Section 5.3.

- (a) Upon the Municipality of Anchorage's approval of appropriations for the Offsite Improvement Costs, Owner shall deposit the funds to pay for the Offsite Improvement Costs into an escrow account ("Escrow Account") with an Escrow Agent to be determined under an agreement ("Escrow Agreement") with Developer and Escrow Agent.
- (b) Escrow Agreement shall become an addendum to and an integral part thereof this Agreement.
- (c) If the Municipality of Anchorage has not approved appropriations for the Offsite Improvement Costs by August 1, 2022, then Developer shall be entitled to terminate this Agreement pursuant to Section 4.9, and Owner shall be required to reimburse Developer for all actual costs and expenses incurred by Developer in connection with the Project from the Effective Date to the time of termination, plus an additional amount equal to the commercial rate of interest on Developer's most recent active development loan.
- (d) All Offsite Improvements Costs shall be paid for by Owner from funds in the Escrow Account.
- (e) Requests shall be delivered to Owner by Developer on a monthly basis for the purpose of paying the Offsite Improvement Costs. Once both the engineer of record and Owner have certified the Offsite Improvement Costs subject to the request, Owner shall pay Developer from the Escrow Account.

- (f) In the event that the general contractor encounters any Extraordinary Circumstances that are anticipated to result in an increase in the lump sum fixed price for the construction of the Offsite Improvements, Developer shall promptly notify Owner of such circumstances, and the amount of any additional costs shall be certified by Developer's engineer of record. Owner shall approve any such additional costs to the extent that such additional costs are necessary for the completion of the Offsite Improvements.

5.4 Project Management Fee for Offsite Improvements. Owner shall pay to Developer a project management fee equal to 3.5% of all costs of completing the Offsite Improvements (the "Project Management Fee"), including the cost of the general contractor and all costs of planning, designing, developing, and managing the construction of the Offsite Improvements. The Project Management Fee shall be due monthly and paid for by the 10th day of every month.

5.5 Completion of Offsite Improvements. The construction of all Offsite Improvements shall be completed within one (1) year from the Date that Developer's Notice to Proceed is given under Section 4.7, unless another date is agreed to in writing by the parties.

ARTICLE 6. Subdivision Improvements and Developer Fees

6.1 Compliance with Municipal Requirements. Improvements to be constructed by Developer within the Subject Property ("**Subdivision Improvements**") shall be constructed in accordance with all requirements or conditions of approval imposed by the Municipality of Anchorage.

6.2 Construction and Design Documents. At the request of Owner, Developer shall promptly provide Owner with Construction and Design Documents related to the construction of any Subdivision Improvements.

6.3 Phased Construction. Developer will not commence construction of Improvements within Phase 2 of the project until (a) Developer has obtained construction financing for the Phase 2 Improvements on terms satisfactory to Developer and Developer's lender(s), (b) Developer's lender(s) have approved the release of funds from the construction financing to commence construction, and (c) Owner has approved commencement of construction based upon notification by Developer of conditions (a) & (b) above. Developer will not commence construction of Improvements within Phase 3 of the project until (a) Developer has obtained construction financing for the Phase 3 Improvements on terms satisfactory to Developer and Developer's lender(s), (b) Developer's lender(s) have approved the release of funds from the construction financing to commence construction, and (c) Owner has approved commencement of construction based upon notification by Developer of conditions (a) & (b) above.

6.4 Site Plan Approval. Prior to the construction of any Subdivision Improvements within a specific phase of the Project, Developer shall provide Owner with a site plan showing the location of all proposed Subdivision Improvements within that phase of the Project, and the dimensions and intended use of any Lot to be created within that phase of the Project ("Site Plan"). Provided that the Site Plan complies with the requirements of the Municipality of Anchorage and is

consistent with the RFP Response, and provided that Owner is satisfied with the lot absorption rate in the prior phase of the Project, Owner shall promptly provide Developer with written approval of the Site Plan.

6.5 Crow Creek Road Secondary Access. During the development of the first phase of the Project, Developer will spend up to \$125,000 on planning and design documents for constructing a secondary fire apparatus access to Crow Creek Road. The secondary fire apparatus access connection to Crow Creek Road will not be constructed until the development of the second phase of the Project, after Developer completes all Subdivision Improvements within the first phase of the Project. If the Municipality of Anchorage or the State of Alaska Department of Transportation requires Developer to upgrade any portion of Crow Creek Road that is currently in existence, then all costs to upgrade the existing Crow Creek Road shall be paid for solely by Owner.

6.6 Wetland Mitigation Credits. Should Compensatory Mitigation be required for a Fill Permit from the U.S. Army Corps of Engineers (USACE) in any phase of the Project, Owner will provide Developer with Credits as required by the Compensatory Mitigation Plan through Permittee Responsible Mitigation at a fee of not more than 35% of the average area cost of similar Credits as quoted by In-Lieu Fee Programs within the Anchorage watershed such as Great Land Trust and the Alaska Railroad Corporation. Financial Assurances must be approved by the USACE, so this amount may be adjusted as required by USACE. This fee will cover the cost of establishing the value of the Credits (delineation), preparing a Long-Term Management Plan and getting the Credits and the Plan approved. Most importantly, this fee must cover the first five (5) years of monitoring to ensure the stability of the ecological value of the Preserved Wetlands, as well as caring for the Preserved Wetlands in perpetuity.

6.7 Sales of Lots. Upon completing all Subdivision Improvements within a specific phase of the Project, Developer shall use its best efforts to promptly market and sell all residential Lots created within that phase of the Project. Developer may not market or sell a Lot for less than the fair market value of the Lot. Notwithstanding the foregoing: (a) upon obtaining the Municipality of Anchorage's approval of an Area Master Plan and Preliminary Plat for the Subject Property, Developer may market residential Lots and enter into reservation agreements that require refundable reservation deposits; and (b) Developer may convey to a homeowners' association any Lot that is designated as a common element under AS 34.08 *et seq.* Owner and Developer acknowledge and agree that the homeowners' association shall only be responsible for maintaining those portions of the Subject Property that are designated and conveyed to the homeowners' association as common elements.

6.8 Developer Fee and Administrative Fee. As consideration for Developer's obligations to administer and develop the Project, Developer shall receive a developer fee ("**Developer Fee**") equal to 3.5% of all costs identified in Section 8.3(a) through (h), and an administrative fee ("**Administrative Fee**") equal to 1% of all costs identified in Section 8.3(a) through 8.3(h). Because Developer's construction loan(s) will not pay for these fees, fifty percent (50%) of the Administrative Fee shall be paid by Owner on a monthly basis upon invoicing by Developer. The Developer Fee and remaining fifty percent (50%) of and Administrative Fee shall be considered Project Costs for purposes of calculating the amount of Net Profits to be paid to Owner under Article 8. The prepaid Administrative Fee shall not be considered under Section 8.2 as a revenue received by Developer for the calculation of Net Profits.

6.9 *Marketing Fee.* As consideration for Developer's obligations to market and sell Lots within the Project, Developer shall receive a marketing fee ("**Marketing Fee**") equal to 3% of the sales price of each Lot sold within the Subject Property, plus closing costs to include escrow fees, closing fees, title insurance, and document preparation fees charged by a title company. The Marketing Fee shall be paid to Developer from proceeds generated by the sale of Lots within the Subject Property, and shall be considered a Cost for purposes of calculating the amount of Net Profits to be paid to Owner under Article 8.

6.10 *Common Element and Development Expenses (CEDE).*

(a) No CEDE shall be charged in connection with Subject Property.

ARTICLE 7. Cooperation and Approvals

7.1 *Cooperation.* Each Party shall cooperate fully in the execution of any and all other documents and in the completion of any additional actions that may reasonably be necessary or appropriate to give full force and effect to the terms and intent of this Agreement. At Developer's request, Owner shall promptly furnish Developer with any and all information and documents available to Owner and reasonably required by Developer in fulfilling its obligations in connection with the development of the Project.

7.2 *Subordination of Owner's Interest.* Owner acknowledges that Developer will seek to obtain a construction loan for financing the cost of planning, designing and constructing the Subdivision Improvements. Owner hereby agrees to promptly execute any and all documents necessary to subordinate Owner's interest in the Subject Property and/or in the profits from the sale of Lots, to any construction loan that Developer acquires for the purpose of planning, designing or constructing Subdivision Improvements. The subordination of Owner's interest in the Subject Property will be accomplished at such time as Owner and Developer's construction lender have agreed upon the terms of a commercially reasonable inter-creditor agreement.

7.3 *Owner Approval for Substantial Matters.* Notwithstanding the powers and duties given to Developer under this Agreement, without the consent of Owner, no act shall be taken, or sum expended or obligation incurred for and on behalf of Owner with respect to any of the following:

- (a) The selection and retention of Construction and Design Professionals;
- (b) Any expenditure not contemplated in the most recent Project Budget that exceeds more than three percent (3%) of the total Project Budget;
- (c) The execution of Change Orders, except that Developer may, without the consent of Owner, authorize Change Orders affecting the construction or cost of the Project provided that the Change Order, or series of Change Orders dealing with the same subject, does not result in a cost increase of more than ten percent (10%) of the amount budgeted for such item(s) in the most recent Project Budget.

- (d) The letting of any contract or contracts for the completion of any portion of the Project that was previously covered by a construction contract, if the proposed contract, or series of contracts with respect to the same item(s), would result in a cost increase of more than ten percent (10%) of the amount budgeted for such item(s) in the most recent Project Budget.
- (e) Any arrangement for the financing of the Project, and any instruments evidencing or securing the resulting indebtedness, or any modifications therein.

Whenever Owner approval of the previous matters is required, such approval or notice of its refusal to grant approval shall be rendered promptly so as to minimize any interference with the timely completion of the Project.

7.4 Emergencies. Notwithstanding anything contained in Section 7.3 to the contrary, in any emergency affecting the safety of persons or property, or which is likely to result in a substantial construction work stoppage, Developer shall be authorized to act in a manner intended to mitigate or prevent threatened damage, injury, or loss, and shall be entitled to make expenditures in connection therewith. However, Developer shall authorize only such acts and shall make only such expenditures reasonably required to stabilize the emergency. In addition, Developer shall authorize such acts and make such expenditures only after Developer has made a reasonable attempt (if circumstances permit) to inform Owner of the cause of such emergency, Developer's proposed course of action in connection therewith, and the likely amount of such expenditures.

ARTICLE 8. Compensation to Owner

8.1 Compensation to Owner. In consideration for Owner's conveyance of the Subject Property to Developer, and other good and valuable consideration, the sufficiency of which is hereby acknowledged, Developer shall pay to Owner fifty percent (50%) of the Net Profits generated from the sale of Lots within each phase of the Project, which Net Profits shall be determined and calculated in accordance with this Article 8.

8.2 Net Profits. The Net Profits to be paid to Owner pursuant to Section 8.1 shall mean all revenues received by Developer from the sale of Lots within the Subject Property, less any and all Project Costs incurred in connection with the Project. The prepaid Administrative Fee as described in Section 6.8 shall not be considered a revenue received by Developer under this section.

8.3 Costs Included. For purposes of determining Net Profits under Section 8.1, Project Costs shall include, but are not necessarily limited to, the following:

- (a) All fees and expenses billed to Developer by the Construction and Design Professionals;
- (b) All costs of planning, designing, developing, and managing the construction of Subdivision Improvements including the cost of outside consultants other than the construction and Design Professionals necessary to secure the entitlements, to the extent that such costs are not billed directly to Developer by the Construction and

Design Professionals;

- (c) All fees and expenses required by the Municipality of Anchorage or the State of Alaska for applications, permits, inspections, engineering, platting, and review and approval of an Area Master Plan, Planned Unit Development and/or Conditional Use Permit, including any fees charged to Developer for wetland mitigation credits under Section 6.6;
- (d) Legal fees incurred by Developer in connection with the Project, including administrative appeals and legal fees necessary for formation of a homeowners' association for the Project;
- (e) All costs of insurance maintained by Developer in connection with the Project;
- (f) Developer's financing costs, to include construction loan interest, loan fees and costs, and loan renewal fees and costs;
- (g) Real estate taxes assessed against the Subject Property and payable by Developer; and

In addition to the foregoing, the term Project Costs shall include the Developer Fee and remaining fifty percent (50%) of Administrative Fee as set forth in Section 6.8, and the Marketing Fee as set forth in Section 6.9. Proposed costs beyond items (a-h), the Developer Fee, Administrative Fee, and Marketing Fee specifically enumerated above require approval by Owner prior to inclusion in Project Costs for purposes of determining Net Profits under Section 8.1.

- (a) Costs and expenses associated with the Offsite Improvements, which shall be paid for pursuant to Article 5.

8.5 Net Profits Determined Per Phase. The Net Profits to be paid to Owner pursuant to Section 8.1 shall be determined on a "per phase" basis, after all residential Lots within a particular phase have been sold by Developer. Within thirty (30) days of the closing of the sale of the last residential Lot within a particular phase, Developer shall provide Owner with an accounting of the Net Profits for that particular phase. Upon receipt of such accounting, Owner shall have seven (7) days to provide written notice of any objection that Owner may have to any aspect of the accounting. If no objection is received within said seven (7) day period, then Owner shall be deemed to have waived any right to dispute the accounting of Net Profits. If Owner provides written objection to the accounting of Net Profits within said seven (7) day period, then Owner and Developer shall promptly and diligently work together to resolve any dispute over the accounting.

8.6 Reconveyances.

If approvals under Section 4.6 are not obtained by July 1, 2025, Developer shall return all tracts originally conveyed via Warranty Deed with no restrictions, other than those Permitted Exceptions and any restrictions that may be imposed pursuant to any approvals obtained under this Agreement, no later than July 15, 2025.

ARTICLE 9. Indemnification and Insurance

9.1 Indemnification.

- (a) Owner shall indemnify and hold Developer harmless from and against any and all actions, suits, claims, penalties, losses, liabilities, damages, and expenses (collectively "Claims"), arising out of Developer's performing the services to be performed by Developer under this Agreement, except Claims based upon Developer's negligence, willful misconduct, failure to act in good faith, or action beyond the authority granted to Developer by this Agreement.
- (b) Developer shall indemnify and hold Owner harmless from and against any and all Claims that Owner may suffer, sustain, or incur arising from or in connection with Developer's negligence, willful misconduct, failure to act in good faith, or action beyond the scope of the authority granted to Developer by this Agreement.

If Claims are asserted or threatened, or if any action or suit is commenced or threatened with respect thereto, for which indemnity may be sought against an indemnitor hereunder, the indemnitee shall notify the indemnitor in writing as soon as practicable after the indemnitee shall have actual knowledge of the threat, assertion, or commencement of the Claims, which notice shall specify in reasonable

detail the matter for which indemnity may be sought. The indemnitor shall have the right, upon notice to the indemnitee given within fourteen (14) days of its receipt of the indemnitee's notice, to take primary responsibility for the prosecution, defense, or settlement of such matter, including the employment of counsel chosen by the indemnitor with the approval of the indemnitee, which approval shall not be unreasonably withheld, and payment of expenses in connection therewith. The indemnitee shall provide without cost to the indemnitor all relevant records and information reasonably required by the indemnitor for such prosecution, defense, or settlement and shall cooperate with the indemnitor to the fullest extent possible. The indemnitee shall have the right to employ its own counsel in any such matter with respect to which the indemnitor has elected to take primary responsibility for prosecution, defense, or settlement, but the fees and expenses of such counsel shall be the expense of the indemnitee.
