

Project List for AR 2022-178(S) As Amended ARPA Appropriation - Attachment A

Legislation	Section	Recipient	Project	Priority Category	ARPA Category	Amount	Description
2022-222		1 First Presbyterian Anchorage, LLC	Purchase of the Guest House for Permanent Supportive Housing (PSH) / Workforce Housing (WFH) to address housing crisis	Housing	Services to Disproportionately Impacted Communities	\$ 3,400,000	An expedited AR distributing ARPA funds to address immediate, urgent needs related to the Anchorage homelessness crisis. Funded by AR 2022-222 on July 26, 2022.
2022-178(S)		2 Providence Health and Services -- Washington	Providence Alaska House Permanent Supportive Housing - 51 units w/operator ready to go	Housing	Services to Disproportionately Impacted Communities	\$ 965,000	Providence Alaska House is a 51-unit permanent supportive housing development located in Midtown Anchorage. The project will provide safe housing, supportive services and recuperative care for seniors and elders who have experienced chronic homelessness. ARPA funding responds to the increased construction costs and increasingly competitive funding environment that have emerged since the onset of the COVID-19 pandemic.
2022-178(S)		3 Anchorage Coalition to End Homelessness	Homeless Management Information System (HMIS) Support/Housing Transition Coordinator (HTC) and Flexible Housing Navigation Funds	Housing	Services to Disproportionately Impacted Communities	\$ 400,000	Accurate, timely, and complete HMIS data provides a clear understanding of homelessness within the MOA, allowing data-informed decisions at the project and system levels. The Housing Transition Coordinator (HTC) has been identified as a missing resource in the community. The HTC works with service providers; facilitates meetings with landlords, case managers, and clients; supports clients in completing applications and getting documents to meet eligibility requirements; and encourages clients to keep appointments. Flexible bridge funding is needed to navigate barriers to housing and offer solutions that don't fit into other funding streams such as transportation, and fees for ID cards, SSN cards, birth certificates, and rental applications.
2022-178(S)		4 Eagle River Lions Foundation	Lions State Land Transfer	Economic Development	Assistance to Nonprofits	\$ 125,000	The Eagle River Lions Park property is currently managed by the Eagle River Lions Club under permit by the State of Alaska. The state has determined that they will be unable to renew the permit after 2024 and because of this legislation has been passed to transfer the property to the Eagle River Lions Foundation. This transfer will require the Eagle River Lions Foundation to pay \$50,000.00 for administrative fees and costs and for improvements, amenities and community events at the park.
2022-178(S)		5 Livewire Lions Foundation	Sight For Kids	Child & Family	Assistance to Nonprofits	\$ 30,000	The Livewire Lions Foundation since its inception has had programs and services that have address vision care to the community. It was in the school year of 2013/2014 that we were able to bring a school based eye health program to ASD Title I schools. Since fall of 2013 over 138,564 school age children have had their vision screened by a volunteer Lions Club member. The club has been able to accomplish this with only two PlusOptix Vision screeners and our wish with this funding is to be able to purchase two additional cameras to expand this program and test more students.
2022-178(S)		6 Cook Inlet Archers	Purchase of a portable building that will serve as an assembly hall/classroom	Child & Family	Assistance to Nonprofits	\$ 75,000	Grant funds will provide the means to purchase a portable building that will serve as an assembly hall/classroom. Furthermore, grant funds will provide for transport, installation and other major use requirements not limited to a removable foundation, primary and backup power generation, lighting, heating, and all associated labor costs. Additionally, funds will be used to purchase administrative, maintenance and training supplies that will further the goals of Cook Inlet Archers (CIA).
2022-178(S)		7 Eagle River Elks Lodge #2682	"APFCM" support to those who support our communities	Economic Development	Assistance to Nonprofits	\$ 49,995	The purchase of a new hybrid mini SUV. Outfitting the vehicle with a radio, lights and decals. After the purchase and details the remainder of the grant money would be used to purchase American flags and bags for the purpose of honoring first responders, military and veterans at the time of their death.
2022-178(S)		8 Eagle River Elks Lodge #2682	You are never forgotten "Re-homing veterans" - household supplies and storage for rehomed veterans in Anchorage bowl	Housing	Services to Disproportionately Impacted Communities	\$ 120,000	The Elks currently rehome veterans in the Anchorage bowl. We are reimbursed 300.00 from our Grand Lodge to purchase bare essentials. 300.00 is barely enough to purchase them a shower curtain, toilet paper and a few other essentials. Our members and community have helped in donating some household goods and furniture but it would be more effective to be able to provide them with a complete home, giving them a quality of life and serving them as they have served our country. We also want to build a storage building, for the sole purpose of storing furniture etc. for those we rehome.
2022-178(S)		9 Youth Exploring Adventure dba Hilltop Ski Area	Hilltop Ski Area Surface Conveyor Lift	Economic Development	Assistance to Nonprofits	\$ 70,000	Hilltop needs to replace its aging rope tow system that brings beginners to the top of the learning hill with a modern, easy to use, energy efficient lift conveyor system. The rope tow that is currently in use is slow, aging, low capacity and learners struggle with grabbing the moving handle. The learning hill is an integral part of the snowsports school. Replacing the rope tow with a lift conveyor system, the student capacity for the Snowsports School would be exponentially increased, therefore reaching a larger number of Anchorage youth not only in lessons but also in youth employment.
2022-178(S)		10 Anchorage Park Foundation	Indigenous Place Names (IPN) Project	Economic Development	Assistance to Nonprofits	\$ 40,000	Amplifying Anchorage's Indigenous heritage is good for the economy and good for our quality of life. The IPN project creatively, accurately, and beautifully highlights the culture and history of Anchorage and its first peoples, the Dena'ina, through 31 interpretive place name signs (Point Woronzof planned Summer 2022). We appreciate the Municipality of Anchorage's work to name the Dena'ina Convention Center, support land acknowledgement work and formalize a government-to-government agreement with the Native Village of Eklutna. This project makes parks and trails more inclusive to all.
2022-178(S)		11 Anchorage Park Foundation	Developing a National Heritage Area for the Tikahtnu - Cook Inlet Region	Economic Development	Assistance to Nonprofits	\$ 125,000	We request funds for a feasibility study to create Alaska's second National Heritage Area (NHA). National Heritage Areas provide federal financial support for community-generated projects to enhance historic, scenic, outdoor recreation and cultural tourism opportunities.  Nation-wide, NHA's bring a 5:1 return on investment locally. Tikahtnu is the Dena'ina name for Cook Inlet and means big water river. Celebrating the land, resources, people, and history of Tikahtnu-Cook Inlet will improve our quality of life and stimulate economic revitalization. Funding will be used to define the scope.
2022-178(S)		12 Rasmuson Foundation	Hotel Conversions to Increase Affordable Housing	Housing	Services to Disproportionately Impacted Communities	\$ 11,878,000	Funds are available for <del>Ataska Community Foundation for the purchase and conversion of hotel(s) to increase affordable housing</del> Rasmuson Foundation or its designee for the purchase of low income, extremely low income and permanent supportive housing units. This special project fund may be augmented by private donations.

Projects listed as amended at the Aug. 9 Regular Assembly Meeting; pending finalization, the information provided is subject to change.

Project List for AR 2022-178(S) As Amended ARPA Appropriation - Attachment A

Legislation	Section	Recipient	Project	Priority Category	ARPA Category	Amount	Description
2022-178(S)	13	Childcare Connection, Inc. (thread)	Stabilizing childcare for a thriving Anchorage now and in the future	Child & Family	Assistance to Households	\$ 8,165,000	Child care is critical infrastructure in the MOA and is a sector that ensures all other work can happen. thread respectfully requests \$9,168,500 million to support child care programs. thread will issue financial payments to licensed child care programs to stabilize their business, recruit and retain early educators and provide affordable child care for families. The aim is to ensure child care remains open and available. thread has experience supporting child care and has been focused on ensuring child care survives to support working families and our community now and into the future.
2022-178(S)	14	Cook Inlet Housing Authority	COMBINED Ch'bala Corners Phase 2- fill funding gap for second phase for 38 units of affordable rental family housing, Coronado Park Townhomes-add 6 townhouse units to existing subdivision aimed at first-time homebuyers & Mountain View Brewster's Redevelopment for 20-units of affordable housing (corner of Mt. View Dr and Bragaw)	Housing	Assistance to Households	\$ 4,500,000	Grant funds directed to Cook Inlet Housing Authority for the development of 64 units of affordable housing at the Ch'bala Corners Phase 2, Mountain View Brewster's Redevelopment, and Coronado Park Townhome projects.
2022-178(S)	15	Covenant House Alaska	Covenant House Alaska Vocational Training + Stable Housing	Healthy Workforce	Services to Disproportionately Impacted Communities	\$ 2,375,000	"Covey Academy" is Covenant House Alaska's (CHA) new Vocational Training + Workforce Housing project that will open in downtown Anchorage in July 2022. The Academy will bring together an array of partners together in one 20,000 sq. ft. space to offer vocational training and job placement for disadvantaged populations, including homeless youth. "Covey Lofts" are 22 new units of stable housing for homeless youth who can access Covey Academy. These innovative projects will bring together the best partners to strengthen our workforce and spur economic development in Anchorage
2022-178(S)	16	Volunteers of America (VOA), Alaska Behavioral Health and Alaska School Based Health Centers (Christian Health Associates)	Expansion of mental health services in schools	Child & Family	Public Health	\$ 1,900,000	VOA to receive <b>\$1,700,000</b> in funding support for continued Municipal support for VOA Alaska and Providence's School-Based Mental Health Program providing essential mental health services and supports to students, families, and school employees within 10 schools across the district with plans to expand to additional schools; <b>Alaska Behavioral Health is to receive \$150,000 to expand mental health services in schools and Alaska School Based Health Centers (Christian Health Associates) is to receive \$50,000 for administrative costs associated with mental health services in schools.</b>
2022-178(S)	17	Girdwood Inc.	Girdwood Workforce Childcare Project	Child & Family	Assistance to Households	\$ 1,600,000	Girdwood Inc. & Little Bears Playhouse are seeking grant funding to address the local workforce and childcare crisis by building a new childcare and learning facility. The current childcare building was built by volunteers in the 1960s, has structural issues and is not meeting the local childcare demand. The small capacity is limiting to Girdwood's success, as the workforce cannot go to work without adequate childcare. The project seeks to increase capacity to meet our community's needs and support Girdwood's workforce in an overdue and meaningful way. <b>Funding is to be released upon satisfactorily demonstrating matching fundraising commitments by June 1, 2024.</b>
2022-178(S)	18	Alaska Black Caucus	Equity Center Renovation	Economic Development	Services to Disproportionately Impacted Communities	\$ 1,200,000	The Alaska Black Caucus (ABC) is the premiere non-partisan, Black-led, 501c3 non-profit organization with the mission to assert the constitutional rights of African Americans in Alaska. The ABC is seeking to renovate our building, located at 605 Barrow St., to create the Equity Center, a service hub for the BIPOC community. The Equity Center will also provide space below market rate to house other BIPOC-led and allied organizations and businesses. The rental income will generate funds to cover operating costs and sustainably support our mission, programming, and growth. <b>Funding is to be released upon satisfactorily demonstrating matching fundraising commitments by June 1, 2024.</b>
2022-178(S)	19	Providence Health and Services Washington dba Providence Alaska Medical Center	Crisis Stabilization Center Workforce Development - to recruit and train staff for crisis center that will open July 2023	Healthy Workforce	Assistance to Households	\$ 884,762	Development of the Crisis Stabilization Center includes 23-hour Crisis Stabilization and Short-term Crisis Residential program for adults 18 years and older. The Crisis Stabilization Center will meet current demand for behavioral health services; reduce burden on law enforcement, emergency departments, first responders, and Alaska Psychiatric Institute for adults experiencing a behavioral health crisis; address gaps in services; and offer a "no wrong-door", behavioral health-led, trauma-informed approach to services. Funding requested will recruit and train staff prior to opening July 2023.
2022-178(S)	20	United Way of Anchorage	Restaurant & Hunger Relief Program	Healthy Workforce	Assistance to Households	\$ 750,000	This program was started in November 2020 to provide economic development and relief by buying meals from local restaurants chosen in lottery drawings and providing them to non-profit community service locations such as shelters, senior centers, childcare settings, & to housing programs for low-income families, persons with disabilities/elderly. This funding is to be used to evolve into a sustainable, long-term program.
2022-178(S)	21	Rabbit Creek Community Council/State of Alaska ADF&G	South Potter Marsh Visitor Site: public health and safety amenities	Economic Development	Revenue Replacement	\$ 771,091	ARPA funds for toilets and pathways will transform a paved parking lot into an economic and public health asset to help individuals and the tourism sector rebound from the pandemic.  The pandemic spurred a huge demand for outdoor recreation and connection to nature. At Potter Marsh, a 55-car parking lot is funded for 2022, but it lacks adequate toilets and safe pedestrian circulation. Toilets and pedestrian connections are critical for public safety and health at the South Potter Marsh visitor site. In addition, a boardwalk would provide universal access and a tourist attraction.
2022-178(S)	22	Partners for Progress, Inc.	Building Purchase, Securing the Future of Partners Reentry Center	Healthy Workforce	Services to Disproportionately Impacted Households Communities	\$ 730,000	Partners will combine ARPA funding with funds from two other sources to buy the building at 206 E Fourth Avenue across from Downtown Fire Station. Our nonprofit has operated our Prisoner Reentry Center (PRC) in this building since 2013. Located at the end of a direct ten-minute walk from the point were 45% of all Alaska prisoners are released, the building is uniquely well-located for this purpose. Our landlord wants to sell in 12/2022, and we don't want to lose this opportunity. Loss of our strategic location and the costs of reestablishing in a less optimal location could be devastating. <b>Funding is to be released upon satisfactorily demonstrating matching fundraising commitments by June 1, 2024.</b>

**Project List for AR 2022-178(S) As Amended ARPA Appropriation - Attachment A**

Legislation	Section	Recipient	Project	Priority Category	ARPA Category	Amount	Description
2022-178(S)	23	Anchorage Community Land Trust	ACLT Commercial Kitchen Incubator	Economic Development	Assistance to Small Businesses	\$ 610,000	Funds will match investment in the build-out and operations of a shared commercial kitchen incubator facility. The incubator will house multiple pay-by-the-hour shared commercial kitchen spaces available for rent 24/7 with space for food processing, dry and cold goods storage and on-site retail. The target users are smaller-scale food operations not yet ready for a full-time lease, food trucks, caterers and producers of value-added goods. These businesses will have access to much needed space and will fine-tune their business offerings through experience and ACLT's Set Up Shop program support. <b>Funding is to be released upon satisfactorily demonstrating matching fundraising commitments by June 1, 2024.</b>
2022-178(S)	24	United Way of Anchorage	Landlord Housing Partnership program Phase 2-liaison to landlords to provide supported housing	Housing	Services to Disproportionately Impacted Communities	\$ 600,000	According to the MOA, there is a goal to add 300 units of supportive housing to accommodate nearly 550 persons currently in shelters. The Landlord Housing Partnership (LHP) has leveraged funding and relationships to stand up a landlord liaison program. This proposal builds on the groundwork that has been established in the LHP and provides for the next phase of development.
2022-178(S)	25	Chugach Mountain Bike Riders	Rebuilding, re-establishing, and expanding the Chugiak Eagle River Trail System	Economic Development	Assistance to Nonprofits	\$ 450,000	Progress with the Anchorage Trails Plan with an emphasis on the Northern extension of the Coastal Trail.
2022-178(S)	26	Alaska Works Partnership Inc. (AWP)	Project Skills Gap programs to support workforce development and apprenticeships	Healthy Workforce	Assistance to Households	\$ 500,000	AWP's existing programs develop a workforce for building and facility maintenance, new construction, road construction, utilities, transportation, and communication. Project Skills Gap aligns with job training programs lacking funding for after-care job placement and support, expanding outreach activities for underserved populations, and creating a skills bank to provide employers and apprenticeship programs with a local workforce.
2022-178(S)	27	Friends of Fish Creek	Fish Creek Green Infrastructure Investment Project: Feasibility Assessment Phase	Economic Development	Infrastructure	\$ 500,000	The project seizes the opportunity offered under Water, Sewer and Broadband Infrastructure and Restore & Support Public Sector Capacity categories. It includes a watershed-level feasibility assessment and cost-analysis of daylighting Fish Creek as the surface waterway of a green infrastructural corridor with its associated community amenities: east-west trail, parks, and open space. The project also includes the acquisition of a vacant lot along Fish Creek's historic channel that will provide needed mid-watershed stormwater storage capacity and potential for future limited infill housing.
2022-178(S)	28	Rural Alaska Community Action Program, Inc., (RurAL CAP)	Affordable Housing Deferred Maintenance Project	Housing	Assistance to Households	\$ 475,000	For nearly two decades, RurAL CAP has implemented services that address the needs of unsheltered individuals in Anchorage. The Supportive Housing team operates sixteen housing facilities in Anchorage, providing housing to hundreds of previously unhoused, special needs, and low-income people per year. Recent assessments indicated that the properties need drastic repairs and, if left uncorrected, 263 units of existing, affordable housing will become unlivable. This project will preserve existing affordable housing for the most vulnerable in Anchorage through necessary capital projects.
2022-178(S)	29	Camp Fire Alaska	Child Care and Summer Youth Development Programs	Child & Family	Assistance to Nonprofits	\$ 425,000	Camp Fire Alaska will provide school age youth from Title I schools, and families who are experiencing economic challenges and financial hardships, with access to 15,500 weeks of quality before and after school programs, as well as winter, spring and summer break programs from Aug 2022 to Dec 2024. Funding will allow youth and families who are experiencing the greatest economic pressures related to the pandemic with access to a variety of safe, nurturing and enrichment learning opportunities via licensed child care, day and resident camping to include leadership development for older youth.
2022-178(S)	30	Henning, Inc.	2022 Henning, Inc. Transitional Housing Supportive Services Program for clients at Aviator Hotel	Housing	Assistance to Households	\$ 400,000	The 2022 Henning, Inc. Transitional Housing Supportive Services Program provides supportive services for Anchorage's at-risk population experiencing homelessness at the Aviator Hotel. Services are provided onsite through our Housing Specialists and Peer Support staff to transition people from the streets or incarceration to stability and success. Our organization is peer led, meaning that staff have lived experience and have dedicated their careers and lives to supporting and improving the lives of people experiencing homelessness, behavioral health, and substance misuse challenges.
2022-178(S)	31	Anchorage Assembly - to be distributed	Funding to update community plans, including Rewrite of the '95 Girdwood Area Plan, the Midtown Neighborhood Plan and South Addition Plan (Imagine! Girdwood/ACDA)	MOA	Revenue Replacement	\$ 470,000	The Anchorage Assembly will distribute funding to <del>community groups leading the efforts</del> <b>the MOA Planning Department</b> to complete the Girdwood Area Plan ( <b>\$140,000</b> ), the South Addition Neighborhood Plan ( <b>\$30,000</b> ) and the Midtown Neighborhood Plan ( <b>\$300,000</b> ).
2022-178(S)	32	Alaska Literacy Program, Inc.	Welcoming Center of Anchorage Feasibility Study and Design? (New Alaskans Cultural Center) (ALP, AK PIRG and others)	Economic Development	Assistance to Households	\$ 378,000	This project will provide the planning and design funding for a purpose-built Welcoming Center, infrastructure which is currently lacking within the Municipality. This center will serve as a "one-stop shop" for immigrants and refugees joining our community. Program scope will be determined throughout the planning process, but initial outreach and historical experience show that the following services will likely be at this center: financial literacy, safety net services, child and adult education services, workforce and job placement services, to name a few.
2022-178(S)	33	Anchorage Community Land Trust	Set Up Shop Staffing for Small Business Technical Assistance	Healthy Workforce	Assistance to Small Businesses	\$ 390,000	\$390,000 supports two years of staffing costs for three full-time staff members to manage outreach and technical assistance services for neighborhood small businesses and entrepreneurs. These funds continue an initial investment in ACLT staffing through MOA ARPA and support ACLT in continuing to serve the huge caseload that came in our doors due to COVID. The needs of small business owners and entrepreneurs have not gone away with pandemic easing and our services have been completely oversubscribed. Staffing funds allow ACLT to deliver services at a high-level to neighborhood businesses.

**Project List for AR 2022-178(S) As Amended ARPA Appropriation - Attachment A**

Legislation	Section	Recipient	Project	Priority Category	ARPA Category	Amount	Description
2022-178(S)	34	Gamers-Sports Travel	Mountain View Field House	Economic Development	Revenue Replacement	\$ 350,000	We are developing a Community Center in the Mountain View neighborhood of Anchorage. The Community Center will be located at Lot Six "A" (6A), Block One (1), Fairview Subdivision, which is across the street from Mountain View Lions Park. The purpose of the Community Center will be to provide year round athletic activity and academic support for residence of the Mountain View neighborhood of Anchorage Alaska. The building will be 4,200 square feet, roughly the size of a gymnasium, sufficient space for youth activities, with the added benefit of high speed internet access for academic support. <i>Funding is to be released upon satisfactorily demonstrating matching fundraising commitments by June 1, 2024.</i>
2022-178(S)	35	Urmoja Coworking & Incubator	Business Coworking space located in Mountain View geared towards BIPOC and ESL	Healthy Workforce	Assistance to Small Businesses	\$ 330,000	Urmoja is a co-working and business services space dedicated to empowering underrepresented entrepreneurs by supporting culture, collaboration, community, events with an outside childcare.We launched in 2020, and offer a coworking space, access to resources and experts who can help grow your business, and a community of like-minded entrepreneurs who provide services in multiple languages with diverse communities needs in mind.
2022-178(S)	36	Identity, Inc.	Identity Health Clinic Expansion	Child & Family	Services to Disproportionately Impacted Communities	\$ 300,000	LGBTQIA2S+ families in Alaska face discrimination, health inequities and a lack of access to welcoming, supportive and informed providers. Currently our sole Primary Care provider is usually booked several weeks out, which can lead to patients seeking care elsewhere; we do not have a Therapist on staff. This funding will support an expansion of behavioral health services and primary care services at the Clinic on Northern Lights. With this potential expansion, we will add two Primary Care providers, two CMAs, and a Therapist which will fill the gaps in our service array. <i>Funding is to be released upon satisfactorily demonstrating matching fundraising commitments by June 1, 2024.</i>
2022-178(S)	37	Arctic Heat Softball	Eagle River/Chugiak Youth Softball at Loretta French	Economic Development	Assistance to Nonprofits	\$ 250,000	Developing and promoting youth softball infrastructure, fields, equipment and camps for kids ages 10-18 impacting players, families and veterans across the municipality and the state of Alaska.
2022-178(S)	38	Conquer COVID Coalition	Stay Healthy, Anchorage- new messaging to include COVID mitigation as part of overall good health and keeping businesses open to normalize COVID mitigation behaviors.	Healthy Workforce	Public Health	\$ 250,000	Conquer COVID Coalition had a specific focus at the height of the pandemic. As the pandemic evolved, the coalition adjusted to address other challenges in addition to COVID, including encouraging communities to get their flu shot while staying up-to-date on COVID vaccinations and other immunizations. The campaign has evolved from "Conquer COVID" to "Stay Healthy, Anchorage" to emphasize vigilance. The goal of the new messaging is to include COVID mitigation as part of overall good health and keeping businesses open. By doing so, the coalition hopes to normalize COVID mitigation behaviors.
2022-178(S)	39	Alaska Literacy Program, Inc.	Job Training, Digital Literacy and Educational Classroom Safety Renovations	Economic Development	Assistance to Households	\$ 240,000	ALP's classrooms focused on Job Training but also including Digital/Health/Family/Adult Literacy Education are in dire need of repairs for safety compliance and usability. Identified classroom life/safety issues are electrical faults, lack of break-away exit doors, exit lighting, functional hot water heaters, security alarm system and failing bathroom fixtures. Classroom technology updates are needed to improve work efficiencies and upscaling capabilities. A comprehensive code/assessment survey and project manager will prioritize/outline a building improvement plan for efficient use of award.
2022-178(S)	40	Alaska Center for the Performing Arts, Inc.	AK Ctr Performing Arts - Broadway Alaska and Workforce Development Initiatives	Economic Development	Assistance to Nonprofits	\$ 197,840	ACPA is launching our new Broadway Alaska program in partnership with Nederlander, bringing \$35-\$45M in economic impact to Downtown. We will add 6 new positions and fill 11 unfilled positions.  Expansion of staff levels and critical training of technical theatre specialists will ensure a healthy workforce with more support for productions in the venue. We are developing two new programs in partnership with UAA and IATSE (stagehand union). One will be a Technical Theatre Certification Program (ACPA/UAA) and the second will establish advanced professional development (ACPA/IATSE).
2022-178(S)	41	Alaska Children's Trust (ACT)	Alaska Children's Trust (ACT) Advancing Equity and Economic Revitalization: diaper bank and afterschool certification	Child & Family	Assistance to Nonprofits	\$ 175,000	Diaper Bank: Parents are facing economic hardship and barriers to returning to work due to the high cost of diapers. Childcare centers require parents to provide diapers. Children's health is at risk due to reusing diapers to save money.  Afterschool Certification: Out-of-school time/afterschool programs are key to getting parents back to work and setting youth on a key path to success. The Afterschool workforce (educators) need training/certifications and better pay for centers to increase retention and increase the quality of care for our children while parents are working.
2022-178(S)	42	Access Alaska Inc	Transition to Independence for Youth With Disabilities	Child & Family	Services to Disproportionately Impacted Communities	\$ 150,000	The project will provide independent living services to youth with disabilities who are transitioning into adulthood. Access Alaska, a Center for Independent Living, works at the community level to reduce barriers, combat discrimination, and promote the development of needed resources, programs, and policies for people with disabilities. The agency provides information and referral, independent living skills training, peer counseling, individual and systems advocacy, and deinstitutionalization or nursing home transition. The program will provide young people with basic, adult life skills.
2022-178(S)	43	Early Learning for Everyone	Childcare Employee Preparation Program to address childcare worker shortage	Child & Family	Assistance to Households	\$ 140,000	The childcare employee preparation program will conduct initial training of early childhood providers in order to address the childcare shortage in Anchorage. Participants would be recruited throughout the year and engage in a brief two week training that would enable them to be ready to work for any childcare provider. This program would provide a steady stream of entry level staff to ameliorate the labor shortage and allow childcare providers to employ staff with the basic initial qualifications ready for continued on the job training.

**Project List for AR 2022-178(S) As Amended ARPA Appropriation - Attachment A**

Legislation	Section	Recipient	Project	Priority Category	ARPA Category	Amount	Description
2022-178(S)	44	Alaska Adoption Services (AAS)	Community Diaper Pantry	Child & Family	Assistance to Nonprofits	\$ 100,000	AAS's Community Diaper Pantry serves families in the Anchorage area. We plan to mobilize and expand the pantry to better meet the needs in low-income neighborhoods in Anchorage and Eagle River. AAS currently distributes diapers/wipes to families in need, bi-monthly, from the AAS office. Diapers are an essential need for infants/toddlers and families suffering economic hardships due to COVID and inflation struggle to meet this need. This program addresses equity, quality of life, and economic development.
2022-178(S)	45	Mountain View Health Services	Mountain View Health Services Expansion	Child & Family	Services to Disproportionately Impacted Communities	\$ 100,000	Mountain View Health Services would like to continue to strengthen services to those who need health care the most. We are requesting funds for strategic planning and general operation funds to support the development of needed services.
2022-178(S)	46	Visit Anchorage	Circulator transit route	Economic Development	Revenue Replacement	\$ 100,000	Connect attractions spread across Anchorage with a loop route served by a motorcoach. Service running between 10a-4p for 90 days (June-August).
2022-178(S)	47	Anchorage Assembly - to be distributed	Muniwide Analysis of Public Restrooms & Sanitation	MOA	Revenue Replacement	\$ 100,000	The Anchorage Assembly will coordinate a feasibility and development study and analysis of public restrooms and sanitation in public spaces throughout the Municipality.
2022-178(S)	48	RVSA	Continuing Work of Roadmap to a Vital, Safe Anchorage (RVSA) Implementation	Economic Development	Revenue Replacement	\$ 100,000	RVSA was born out of a need to make Anchorage more resilient and to get Anchorage's economy going. As a result of the work, the business community is more engaged than ever on revitalization issues. We know the high value of this community support as we continue to implement the actions identified by RVSA members. These funds will be used to continue the staffing work done by SALT & Northern Compass Group to take all steps possible to encourage investment, remove barriers to investing, make downtown more connected and livable, and connect to the rest of Anchorage.
2022-178(S)	49	AWWU	Create systemwide strategic planning on Water and Sewer Improvement Levy - for levy on connection issue	Economic Development	Infrastructure	\$ 100,000	The Anchorage Water and Wastewater Utility is to create a muni-wide strategic plan on Water and Sewer Improvement Levies.
2022-178(S)	50	Anchorage Ski Club, Inc.	Arctic Valley Trailhead Summer Visitor Services	Economic Development	Assistance to Nonprofits	\$ 90,000	Develop a new visitor contact station immediately next to the trailhead, move an existing but unsuitably-located coffee stand to the new facility, and repurpose the vacated structure as a community educational meeting room. Project includes purchase/installation of new structure, new utilities and outdoor seating. Contact station would be staffed by two persons during summer, who would provide visitor information, manage parking and existing public restroom, and use of public meeting room. A wider range of snacks and drinks would be provided including coffee, soft drinks, beer, and sandwiches.
2022-178(S)	51	Alaska Village Initiatives	Feeding Anchorage's Underserved with Year-Round, Affordable Hydroponics	Child & Family	Assistance to Nonprofits	\$ 50,000	Alaska Village Initiatives will be building up to five different, small-scale, hydroponic systems to grow a variety of vegetables. We will utilize the systems to act as a research and demonstration project. We will train and share information with other organizations, and local community members to expand this program throughout the city. Once the vegetables are ready to harvest, we will donate them to local nonprofit organizations to feed our most underserved, vulnerable populations. This project will include opportunities for economic development by allowing a business plan to incorporate our findings.
2022-178(S)	52	Anchorage Library Foundation	The Alaska Room at Loussac Library	Economic Development	Assistance to Nonprofits	\$ 50,000	This funding would go toward the design and construction of a new Alaska Room at Loussac Library. The Alaska Room represents more than a physical space to house the Alaska Collection; it will be a welcoming learning and gathering space that acknowledges the diversity of cultures that make up Alaska's largest city.  A record of our past as well as a bridge to our future, the Alaska Room will bring us together in a public space to celebrate our cultures, learn about our shared history, exchange ideas and backgrounds, and engage in civic dialog and action.
2022-178(S)	53	Girl Scouts of Alaska	Girl Scouts - Safe and Healthy Environments for Girls & Families	Child & Family	Assistance to Nonprofits	\$ 50,000	To introduce girls who are underserved or in need financial assistance to Girl Scouts' programs and activities. The benefits of Girl Scouts crosses all demographics. All Scouts are equally likely to develop the 5 outcomes regardless of social class, zip code, or ethnicity. (See the 5 outcomes below.) So, no matter where girls live in Anchorage or what their background, Girl Scouts can help them develop to their full potential. This grant would allow GSAK to provide more memberships and camp scholarships, additional transportation, program supplies and provide reliable and caring staff.
2022-178(S)	54	Anchorage Glacier Pilots, inc.	Anchorage Glacier Pilots clubhouse replacement	Economic Development	Assistance to Nonprofits	\$ 50,000	The Anchorage Glacier Pilots will replace the current clubhouse with a portable building.
2022-178(S)	55	ADP Community Services (Anchorage Downtown Partnership, Ltd.)	Anchorage Downtown Partnership Placemaking	Economic Development	Assistance to Nonprofits	\$ 50,000	Placemaking is ADP's space activation program. Year round, ADP activates underutilized public spaces downtown with free, community events and programs such as live concerts, fitness classes, children's events and more. These programs bring traffic into downtown to support local businesses before, after and during the event. These programs also employ local musicians, artists and create jobs within ADP's team. From making downtown Anchorage a destination for tourists and residents, to bringing significant dollars into the downtown economy, Placemaking creates investment into our community.
2022-178(S)	56	Dream Big Academy, Inc. / Airport Heights PTA	Airport Heights Unite: Restoring Family and Neighborhood Engagement in Education	Child & Family	Services to Disproportionately Impacted Communities	\$ 35,000	This project supports children and families, and addresses learning loss, in the community surrounding Airport Heights Elementary, a Title I school. It expands established programs that encourage engagement among students, educators, families, and neighbors. By offering many channels for engagement-Cultures and Arts; Extra-Curricular Activities; Community Gatherings; Place-Based Learning-the project restores social and cultural relationships severely disrupted by the pandemic. Strengthening connections among all actors in education multiplies the efficacy of strictly academic interventions.

**Project List for AR 2022-178(S) As Amended ARPA Appropriation - Attachment A**

Legislation	Section	Recipient	Project	Priority Category	ARPA Category	Amount	Description
2022-178(S)	57	Visit Anchorage	Anchorage Fur Rendezvous	Economic Development	Assistance to Nonprofits	\$ 35,000	Offset hard costs for organizers of a signature Anchorage event. Could be granted to organizers for use on costs like permitting, fees, and security. These events are recovering from the challenges of 2020 and 2021. Event in February/March 2023
2022-178(S)	58	Prince Hall Grand Lodge Masons	2021 Fraternal Organization Support	Child & Family	Services to Disproportionately Impacted Communities	\$ 29,995	In the 2021 ARPA package, fraternal organizations were eligible for \$38k each. Prince Hall applied on time, but their application was accidentally overlooked and there is no more funding left in that project.
2022-178(S)	59	Friends in Serving Humanity (F.I.S.H.)	Restocking the FISH food pantry to feed families in need in Anchorage	Child & Family	Assistance to Households	\$ 25,000	We deliver 200-300 bags of food to 70-80 families in need each week.  Due to COVID we have not been able to run two fundraisers that meet 40% of our annual revenue sources, and personal donations are down. We need funding to purchase bulk food items to meet the needs of families for the next year. 90% of proceeds from this grant will go directly to purchase food that will go to families. We have no paid staff, so there is little overhead beyond the food we purchase. 10% will go towards office supplies and utility costs.
2022-178(S)	60	Nordic Skiing Association of Anchorage	Technology and Equipment Upgrade to Support Youth Participation in Nordic Skiing	Economic Development	Assistance to Nonprofits	\$ 25,000	The Nordic Skiing Association of Anchorage currently facilitates several youth ski programs including the Anchorage Junior Nordic League and ASD High School and Middle School ski programs. Timing equipment, skis and race supplies used for these programs are desperately in short supply and are outdated and not able to keep pace with increased participation or needs for the programs. Technology and equipment upgrades are needed to increase, maintain and improve the experience for all youth participants. This project would fund the purchase of new timing equipment, race bibs and youth skis.
2022-178(S)	61	Alaska Middle College School	On Campus Food for Alaska Middle College School Students	Child & Family	Services to Disproportionately Impacted Communities	\$ 22,000	To provide on-campus food options for Alaska Middle College students. Alaska Middle College students are dual-enrolled ASD/UAA. They have unique and various schedules and often do not have their own transportation. This means they might be between our campus and UAA's from 8am-3pm without food unless they have brought it themselves. We currently personally purchase snacks for the Den (the flexible learning space at AMCS), but would prefer to have more nutritious and hardy options for them. We intend to purchase a commercial cooler and stock it with sandwiches, salads, etc. weekly.
2022-178(S)	62	Enlaces Alaska	Community Based Needs Assessment and Connecting Schools to the Community	Child & Family	Services to Disproportionately Impacted Communities	\$ 160,000	Enlaces Alaska is proposing a request for funding for two projects to benefit the Latino community of Anchorage. The first is to conduct a community-based needs assessment to better gauge what resources and services are most needed in the Latino population of Anchorage. The second is to create school-based health centers in partnership with pediatric or family practices and the Anchorage School District. This funding would allow Enlaces to create long-term partnerships within the community while aligning with our mission to empower, educate and engage the Latino community.
2022-178(S)	63	Hospice of Anchorage	Navigating the Holidays	Child & Family	Assistance to Nonprofits	\$ 15,000	Bereavement and grief support event-in-a-box to go out around the winter holiday time to provide support and resource for community members that have lost a loved one in the past year.
2022-178(S)	64	Visit Anchorage	Alaska Native Cultures: Frontline Training development	Healthy Workforce	Assistance to Nonprofits	\$ 10,000	Contract/promote standalone training modules to better educate newly hired seasonal workers and residents employees on Alaska Native cultures, Dena'ina culture and vocabulary, and regional history.
2022-178(S)	65	Arctic Entries	Rebuilding Arctic Entries: Reconnecting Community, One Event at a Time	Economic Development	Assistance to Nonprofits	\$ 7,000	Arctic Entries (AE), a volunteer-run non-profit that builds community and supports local nonprofits through storytelling performances, was forced to stop its shows at the Performing Arts Center due to the COVID-19 pandemic. AE organized a few safe outdoor shows at lower levels of revenue, but continued to incur insurance expenses. AE is preparing to re-launch its PAC shows in Fall 2022 but needs funding to cover the out-of-pocket investment required to produce the shows.
2022-178(S)	66.a	MOA Mayor's Office	ARPA Administration	MOA	Administration	\$ 100,000	Making funds available to fund the grant administration of ARPA funds.
2022-178(S)	66.b	MOA Public Transit	Transit Route to Alaska Native Heritage Center, Public Transit	MOA	Revenue Replacement	\$ 100,000	Making funds available to add a transit route serving riders to the Native Heritage Center.
2022-178(S)	66.c	MOA Parks and Recreation	Fire Mitigation through Beetle Kill Removal, Parks and Recreation Department	MOA	Revenue Replacement	\$ 1,000,000	Round 4 of beetle kill mitigation throughout Anchorage and Eagle River-Chugiak
2022-178(S)	66.d	MOA Parks and Recreation	Providing WiFi for Anchorage Parks and Recreation Facilities	MOA	Services to Disproportionately Impacted Communities	\$ 400,000	Making funds available for the installation of WiFi at five community centers.
2022-178(S)	66.e	MOA Fire Department	Air Purifying Respirators Logistics, Anchorage Fire Department	MOA	Public Health Emergency	\$ 20,000	Operational replacements for worn out/damaged PAPRs components (helmets, batteries, breathing hose lines).
2022-178(S)	66.f	MOA Development Services Department	Nuisance Property Abatement Fund Replenishment	MOA	Revenue Replacement	\$ 500,000	Making funds available to replenish the Nuisance Property Abatement Fund.
<b>Amendments</b>							
2022-178(S)	67	Shiloh Community Housing, Inc	Fresh Beginning Project	Housing		\$ 300,000	Affordable housing for those at risk or experiencing homelessness through the Fresh Beginning project
2022-178(S)	68	Shiloh Community Housing, Inc	Community Resource Center Project	Housing		\$ 200,000	To provide assistance to the community by disrupting the cycle of homelessness through the Community Resource Center project.
						\$ 48,258,683	Total AR 2022-178(S) ARPA Appropriation
						\$ 51,658,683	Total ARPA Round 2 Appropriation   2022-178(S), 2022-222
