Dear Community Leaders and Members of the Public Interested in AMHS:

It is time to begin the public review process for the next Alaska Marine Highway System scheduling cycle. The proposed schedule patterns to be reviewed cover the winter schedule from October 01, 2022 through April 30, 2023.

The schedule patterns proposed are based on the funding levels for FY23. The operating plan has been designed to meet community service needs while staying within available funding levels, and maintaining regulatory and safety standards for the vessels.

Please take the time to review and comment on this proposed operating schedule and vessel deployment for winter 2022-2023.

AMHS is also interested in knowing about any need for special events scheduling and requests and that organizers or communities give the event name, dates, location, and arrival/departure times needed for each special event.

Please provide your written comments by August 26, 2022 to <https://publicinput.com/G6532>, by email at 71585@PublicInput.com, and by fax at 907-228-6873.

It is the policy of the Department of Transportation & Public Facilities (DOT & PF) that no person shall be excluded from participation in, or be denied benefits of any and all programs or activities we provide based on race, religion, color, gender, age, marital status, ability, or national origin, regardless of the funding source including Federal Transit Administration, Federal Aviation Administration, Federal Highway Administration and State of Alaska Funds.
