MEMORANDUM FOR: Group and Staff Chiefs, NPIC

SUBJECT : Equal Employment Opportunity Program

1. HR 20-4 sets forth CIA policy to provide equal employment opportunity for all qualified personnel without discrimination based on race, creed, color, national origin, sex, marital status, political affiliation or physical handicap. The Center has given its complete support to this program in the past and I believe that we have had considerable success. There remains a great deal that can still be done, however, and, as we move into the 1970's, I would like to see our efforts in this direction increased, new development programs initiated, and significant results obtained.

2. Such a program concerns more than hiring practices. It also means that every effort must be made to enhance the qualifications of all NPIC employees in order that they may develop professionally and in order that employees' skills are utilized to the fullest extent. It means, too, the cooperation of supervisors and employees alike in their participation in the Equal Employment Opportunity Program.

3. I request that every effort be made by you to insure the application of the Equal Employment Opportunity Program within your Group. To assist you in familiarizing your supervisory personnel with the Agency and U.S. Government policy in this matter, several copies of a booklet entitled "Toward Equal Opportunity in Federal Employment" are attached. I urge that every supervisor read and follow the precepts of this policy statement in their day-to-day personnel management.
