Records Not Covered by the FOIA (FOIA Exclusions)

Beginning October 1, 2012, the inclusion of the following statement is mandatory for all BLM FOIA response letters: For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV (2010)). This response is limited to records subject to the requirements of the FOIA. We are continuing to review additional records responsive to your request. Please note, this is an interim response and the right to appeal our withholdings will be provided in the final response letter.
