Dear Mr. Sorenson:

This is in response to your Freedom of Information Act (FOIA) request, dated: **December 07, 2021**, concerning research organizations that conducted cordectomies upon beagle dogs.

We received your request on **December 08, 2021** and are referring it to the National Institutes of Health (NIH) for direct response to you. Because HHS FOIA administration is decentralized, your request will be closed in this office. Upon receipt, NIH will log your request and issue you a new tracking number for your reference. You may check the status of your request with NIH at 301-496-5633 or [nihfoia@mail.nih.gov](mailto:nihfoia@mail.nih.gov).

Sincerely,
