## MMORNING CONSULT $\mid$ INSIDER

National Tracking Poll \#2209042
September 08-10, 2022

## Crosstabulation Results

Methodology:
This poll was conducted between September 8-September 10, 2022 among a sample of 2210 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on gender, age, race, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

## Table Index

1 Table INS1: Generally speaking, which of the following is the most important political issue
to you personally? . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . 10
2 Table INS2a_1: In your own view, how in touch or out of touch is Congress with the needs of
your generation on each of the following issues? Higher education affordability . . . . . . . . 13
3 Table INS2a_2: In your own view, how in touch or out of touch is Congress with the needs of
your generation on each of the following issues? K-12 Education . . . . . . . . . . . . . . 17
4 Table INS2a_3: In your own view, how in touch or out of touch is Congress with the needs of your generation on each of the following issues? Climate change .

5 Table INS2a_4: In your own view, how in touch or out of touch is Congress with the needs of
your generation on each of the following issues? Health care ..... 25
6 Table INS2a_5: In your own view, how in touch or out of touch is Congress with the needs of your generation on each of the following issues? Social security ..... 29
7 Table INS2a_6: In your own view, how in touch or out of touch is Congress with the needs of your generation on each of the following issues? Inflation ..... 33
8 Table INS2a_7: In your own view, how in touch or out of touch is Congress with the needs of your generation on each of the following issues? The economy ..... 37
9 Table INS2a_8: In your own view, how in touch or out of touch is Congress with the needs of your generation on each of the following issues? National security ..... 41
10 Table INS2a_9: In your own view, how in touch or out of touch is Congress with the needs of your generation on each of the following issues? Technology ..... 45
11 Table INS2a_10: In your own view, how in touch or out of touch is Congress with the needs of your generation on each of the following issues? Gun regulation ..... 49
12 Table INS2a_11: In your own view, how in touch or out of touch is Congress with the needs of your generation on each of the following issues? Immigration ..... 53
13 Table INS2a_12: In your own view, how in touch or out of touch is Congress with the needs of your generation on each of the following issues? LGBTQ+ issues ..... 57
14 Table INS2a_13: In your own view, how in touch or out of touch is Congress with the needs of your generation on each of the following issues? Access to abortion ..... 61

15 Table INS2b_1: In your own view, how in touch or out of touch is the Executive Branch, which includes the president and their Cabinet, with the needs of your generation on each of the following issues? Higher education affordability65

16 Table INS2b_2: In your own view, how in touch or out of touch is the Executive Branch, which includes the president and their Cabinet, with the needs of your generation on each of the following issues? K-12 Education69

17 Table INS2b_3: In your own view, how in touch or out of touch is the Executive Branch, which includes the president and their Cabinet, with the needs of your generation on each of the following issues? Climate change

18 Table INS2b_4: In your own view, how in touch or out of touch is the Executive Branch, which includes the president and their Cabinet, with the needs of your generation on each of the following issues? Health care77

19 Table INS2b_5: In your own view, how in touch or out of touch is the Executive Branch, which includes the president and their Cabinet, with the needs of your generation on each of the following issues? Social security

20 Table INS2b_6: In your own view, how in touch or out of touch is the Executive Branch, which includes the president and their Cabinet, with the needs of your generation on each of the following issues? Inflation85

21 Table INS2b_7: In your own view, how in touch or out of touch is the Executive Branch, which includes the president and their Cabinet, with the needs of your generation on each of the following issues? The economy89

22 Table INS2b_8: In your own view, how in touch or out of touch is the Executive Branch, which includes the president and their Cabinet, with the needs of your generation on each of the following issues? National security

23 Table INS2b_9: In your own view, how in touch or out of touch is the Executive Branch, which includes the president and their Cabinet, with the needs of your generation on each of the following issues? Technology

24 Table INS2b_10: In your own view, how in touch or out of touch is the Executive Branch, which includes the president and their Cabinet, with the needs of your generation on each of the following issues? Gun regulation

Table INS2b_11: In your own view, how in touch or out of touch is the Executive Branch, which includes the president and their Cabinet, with the needs of your generation on each of the following issues? Immigration

26 Table INS2b_12: In your own view, how in touch or out of touch is the Executive Branch, which includes the president and their Cabinet, with the needs of your generation on each of the following issues? LGBTQ+ issues

27 Table INS2b_13: In your own view, how in touch or out of touch is the Executive Branch, which includes the president and their Cabinet, with the needs of your generation on each of the following issues? Access to abortion

28 Table INS2c_1: In your own view, how in touch or out of touch is the Supreme Court with the needs of your generation on each of the following issues? Higher education affordability

29 Table INS2c_2: In your own view, how in touch or out of touch is the Supreme Court with the needs of your generation on each of the following issues? K-12 Education

30 Table INS2c_3: In your own view, how in touch or out of touch is the Supreme Court with the needs of your generation on each of the following issues? Climate change

31 Table INS2c_4: In your own view, how in touch or out of touch is the Supreme Court with the needs of your generation on each of the following issues? Health care129

32 Table INS2c_5: In your own view, how in touch or out of touch is the Supreme Court with the needs of your generation on each of the following issues? Social security

33 Table INS2c_6: In your own view, how in touch or out of touch is the Supreme Court with the needs of your generation on each of the following issues? Inflation

34 Table INS2c_7: In your own view, how in touch or out of touch is the Supreme Court with the needs of your generation on each of the following issues? The economy

35 Table INS2c_8: In your own view, how in touch or out of touch is the Supreme Court with the needs of your generation on each of the following issues? National security

36 Table INS2c_9: In your own view, how in touch or out of touch is the Supreme Court with the needs of your generation on each of the following issues? Technology149

37 Table INS2c_10: In your own view, how in touch or out of touch is the Supreme Court with the needs of your generation on each of the following issues? Gun regulation153

38 Table INS2c_11: In your own view, how in touch or out of touch is the Supreme Court with the needs of your generation on each of the following issues? Immigration157

39 Table INS2c_12: In your own view, how in touch or out of touch is the Supreme Court with the needs of your generation on each of the following issues? LGBTQ+ issues161

40 Table INS2c_13: In your own view, how in touch or out of touch is the Supreme Court with the needs of your generation on each of the following issues? Access to abortion

41 Table INS4_1: Below is a list of professions. Do you believe that each of the following professions should have a minimum age requirement that someone should reach before they can work in the profession? Member of Congress

42 Table INS4_2: Below is a list of professions. Do you believe that each of the following professions should have a minimum age requirement that someone should reach before they can work in the profession? Federal judge

43 Table INS4_3: Below is a list of professions. Do you believe that each of the following pro
fessions should have a minimum age requirement that someone should reach before they can
work in the profession? Truck driver

44 Table INS4_4: Below is a list of professions. Do you believe that each of the following professions should have a minimum age requirement that someone should reach before they can work in the profession? Teachers

45 Table INS4_5: Below is a list of professions. Do you believe that each of the following professions should have a minimum age requirement that someone should reach before they can work in the profession? Police officers

46 Table INS4_6: Below is a list of professions. Do you believe that each of the following professions should have a minimum age requirement that someone should reach before they can work in the profession? Farmers

47 Table INS4_7: Below is a list of professions. Do you believe that each of the following professions should have a minimum age requirement that someone should reach before they can work in the profession? Warehouse employees

48 Table INS4_8: Below is a list of professions. Do you believe that each of the following professions should have a minimum age requirement that someone should reach before they can work in the profession? Accountants

49 Table INS4_9: Below is a list of professions. Do you believe that each of the following professions should have a minimum age requirement that someone should reach before they can work in the profession? Pilots

50 Table INS5_1: Below is a list of professions. Do you believe that each of the following professions should have a maximum age requirement where someone who is older than a certain age can no longer work in that profession? Member of Congress

51 Table INS5_2: Below is a list of professions. Do you believe that each of the following professions should have a maximum age requirement where someone who is older than a certain age can no longer work in that profession? Federal judge

52 Table INS5_3: Below is a list of professions. Do you believe that each of the following professions should have a maximum age requirement where someone who is older than a certain age can no longer work in that profession? Truck driver213

53 Table INS5_4: Below is a list of professions. Do you believe that each of the following professions should have a maximum age requirement where someone who is older than a certain age can no longer work in that profession? Teachers

54 Table INS5_5: Below is a list of professions. Do you believe that each of the following professions should have a maximum age requirement where someone who is older than a certain age can no longer work in that profession? Police officers

55 Table INS5_6: Below is a list of professions. Do you believe that each of the following professions should have a maximum age requirement where someone who is older than a certain age can no longer work in that profession? Farmers

56 Table INS5_7: Below is a list of professions. Do you believe that each of the following professions should have a maximum age requirement where someone who is older than a certain age can no longer work in that profession? Warehouse employees

57 Table INS5_8: Below is a list of professions. Do you believe that each of the following professions should have a maximum age requirement where someone who is older than a certain age can no longer work in that profession? Accountants

58 Table INS5_9: Below is a list of professions. Do you believe that each of the following professions should have a maximum age requirement where someone who is older than a certain age can no longer work in that profession? Pilots

59 Table INS6_1: Do you think having more of each of the following groups represented in U.S. Congress would be a good thing for the country, a bad thing, or not have an impact at all? Women

60 Table INS6_2: Do you think having more of each of the following groups represented in U.S. Congress would be a good thing for the country, a bad thing, or not have an impact at all? Americans with business experience

61 Table INS6_3: Do you think having more of each of the following groups represented in U.S. Congress would be a good thing for the country, a bad thing, or not have an impact at all? Black Americans

62 Table INS6_4: Do you think having more of each of the following groups represented in U.S. Congress would be a good thing for the country, a bad thing, or not have an impact at all? Hispanic Americans

63 Table INS6_5: Do you think having more of each of the following groups represented in U.S. Congress would be a good thing for the country, a bad thing, or not have an impact at all? Asian Americans

64 Table INS6_6: Do you think having more of each of the following groups represented in U.S. Congress would be a good thing for the country, a bad thing, or not have an impact at all? LGBT+ Americans

65 Table INS6_7: Do you think having more of each of the following groups represented in U.S. Congress would be a good thing for the country, a bad thing, or not have an impact at all? Generation Z

66 Table INS6_8: Do you think having more of each of the following groups represented in U.S. Congress would be a good thing for the country, a bad thing, or not have an impact at all? Millennials

67 Table INS6_9: Do you think having more of each of the following groups represented in U.S. Congress would be a good thing for the country, a bad thing, or not have an impact at all? Gen Xers

68 Table INS6_10: Do you think having more of each of the following groups represented in U.S. Congress would be a good thing for the country, a bad thing, or not have an impact at all? Baby Boomers

69 Table INS7_1: When deciding which candidate to vote for in an election, how important are
each of the following to you personally? The candidate's age . . . . . . . . . . . . . . . . . . 281
70 Table INS7_2: When deciding which candidate to vote for in an election, how important are
each of the following to you personally? The candidate's health . . . . . . . . . . . . . . . . 285
71 Table INS7_3: When deciding which candidate to vote for in an election, how important are
each of the following to you personally? The candidate's experience . . . . . . . . . . . . 289
72 Table INS7_4: When deciding which candidate to vote for in an election, how important are
each of the following to you personally? The candidate's education . . . . . . . . . . . . . . 293

73 Table INS7_5: When deciding which candidate to vote for in an election, how important are each of the following to you personally? The candidate has held elected office before

74 Table INS7_6: When deciding which candidate to vote for in an election, how important are each of the following to you personally? The candidate's political party

75 Table INS7_7: When deciding which candidate to vote for in an election, how important are each of the following to you personally? The candidate's race and ethnicity

76 Table INS7_8: When deciding which candidate to vote for in an election, how important are each of the following to you personally? The candidate's stance on issues

77 Table INS8: And which of the following is most important to you when deciding which candidate to vote for in an election?

78 Table INS9_1: Do you believe that each of the following political offices should have term limits that cap the number of years they can service in that office? The presidency

79 Table INS9_2: Do you believe that each of the following political offices should have term limits that cap the number of years they can service in that office? Members of the President's Cabinet (such as Secretary of State, Chief of Staff, Secretary of Education)

80 Table INS9_3: Do you believe that each of the following political offices should have term limits that cap the number of years they can service in that office? U.S. House of Representatives 325

81 Table INS9_4: Do you believe that each of the following political offices should have term limits that cap the number of years they can service in that office? U.S. Senate329

82 Table INS9_5: Do you believe that each of the following political offices should have term limits that cap the number of years they can service in that office? Supreme Court justices .

83 Table INS9_6: Do you believe that each of the following political offices should have term limits that cap the number of years they can service in that office? Governors

84 Table INS10_1: Some say that politicians should take a physical and mental exam that's released publicly before being allowed to serve in office.Based on what you know, do you think each of the following offices should have to take a physical and mental assessment in order to serve in office? The presidency

85 Table INS10_2: Some say that politicians should take a physical and mental exam that's released publicly before being allowed to serve in office.Based on what you know, do you think each of the following offices should have to take a physical and mental assessment in order to serve in office? Members of the President's Cabinet (such as Secretary of State, Chief of Staff, Secretary of Education)

86 Table INS10_3: Some say that politicians should take a physical and mental exam that's released publicly before being allowed to serve in office.Based on what you know, do you think each of the following offices should have to take a physical and mental assessment in order to serve in office? U.S. House of Representatives

87 Table INS10_4: Some say that politicians should take a physical and mental exam that's released publicly before being allowed to serve in office.Based on what you know, do you think each of the following offices should have to take a physical and mental assessment in order to serve in office? U.S. Senate

88 Table INS10_5: Some say that politicians should take a physical and mental exam that's released publicly before being allowed to serve in office.Based on what you know, do you think each of the following offices should have to take a physical and mental assessment in order to serve in office? Supreme Court justices

89 Table INS10_6: Some say that politicians should take a physical and mental exam that's released publicly before being allowed to serve in office.Based on what you know, do you think each of the following offices should have to take a physical and mental assessment in order to serve in office? Governors.

90 Table INS16: Based on what you know, do you think that the current age of political leaders such as the President, Congress, and the Supreme Court, is a major problem, a minor problem, or not a problem at all?

## 91 Table INS17_1: In your opinion, do you think each of the following public figures is too young, too old, or the right age to serve in public office right now? Joe Biden

92 Table INS17_2: In your opinion, do you think each of the following public figures is too young,
too old, or the right age to serve in public office right now? Donald Trump ..... 373

93 Table INS17_3: In your opinion, do you think each of the following public figures is too young,
too old, or the right age to serve in public office right now? Kamala Harris ..... 377

94 Table INS17_4: In your opinion, do you think each of the following public figures is too young,
too old, or the right age to serve in public office right now? Nancy Pelosi ..... 381

95 Table INS17_5: In your opinion, do you think each of the following public figures is too young,
too old, or the right age to serve in public office right now? Mitch McConnell ..... 385

96 Table INS17_6: In your opinion, do you think each of the following public figures is too young,
too old, or the right age to serve in public office right now? Alexandria Ocasio-Cortez

97 Table INS17_7: In your opinion, do you think each of the following public figures is too young,
too old, or the right age to serve in public office right now? Hillary Clinton ..... 393

98 Table INS17_8: In your opinion, do you think each of the following public figures is too young,
too old, or the right age to serve in public office right now? Ron Desantis ..... 397

99 Table INS17_9: In your opinion, do you think each of the following public figures is too young,
too old, or the right age to serve in public office right now? Gavin Newsom ..... 401

100 Table INS17_10: In your opinion, do you think each of the following public figures is too young, too old, or the right age to serve in public office right now? Amy Klobuchar

101 Table INS17_11: In your opinion, do you think each of the following public figures is too young, too old, or the right age to serve in public office right now? Pete Buttigieg
102 Table INS17_12: In your opinion, do you think each of the following public figures is too young, too old, or the right age to serve in public office right now? Greg Abbott ..... 413
103 Table INS17_13: In your opinion, do you think each of the following public figures is too young, too old, or the right age to serve in public office right now? Liz Cheney ..... 417
104 Table INS18_1: Based on what you know, how fit do you think each of the following public figures is to serve in public office right now? Joe Biden ..... 421
105 Table INS18_2: Based on what you know, how fit do you think each of the following public figures is to serve in public office right now? Donald Trump ..... 425
106 Table INS18_3: Based on what you know, how fit do you think each of the following public figures is to serve in public office right now? Kamala Harris ..... 429
107 Table INS18_4: Based on what you know, how fit do you think each of the following public figures is to serve in public office right now? Nancy Pelosi ..... 433
108 Table INS18_5: Based on what you know, how fit do you think each of the following public figures is to serve in public office right now? Mitch McConnell ..... 437
109 Table INS18_6: Based on what you know, how fit do you think each of the following public figures is to serve in public office right now? Alexandria Ocasio-Cortez ..... 441
110 Table INS18_7: Based on what you know, how fit do you think each of the following public figures is to serve in public office right now? Hillary Clinton ..... 445
111 Table INS18_8: Based on what you know, how fit do you think each of the following public figures is to serve in public office right now? Ron Desantis ..... 449
112 Table INS18_9: Based on what you know, how fit do you think each of the following public figures is to serve in public office right now? Gavin Newsom ..... 453
113 Table INS18_10: Based on what you know, how fit do you think each of the following public figures is to serve in public office right now? Amy Klobuchar ..... 457
114 Table INS18_11: Based on what you know, how fit do you think each of the following public figures is to serve in public office right now? Pete Buttigieg ..... 461
115 Table INS18_12: Based on what you know, how fit do you think each of the following public figures is to serve in public office right now? Greg Abbott ..... 465
116 Table INS18_13: Based on what you know, how fit do you think each of the following public figures is to serve in public office right now? Liz Cheney ..... 469
117 Summary Statistics of Survey Respondent Demographics ..... 473
