Dear Governor Dunleavy:

I will be resigning from my position as chair and public commissioner at the AOGCC on September 23rd. Thank you for the opportunity to serve the people of Alaska. The past three years have been an incredible experience. During my time at the commission, I focused on updating and streamlining policies, where appropriate, modernizing AOGCC's authorizing statute, and being responsive to industry concerns while still holding them accountable.

The public is fortunate to have such competent state workers with vast private sector experience, overseeing the state's most important industry.

Thank you again, it has been a great privilege to serve in this role.

With sincere appreciation,

Jeremy
