MEMORANDUM FOR: Major General John M. Willems
Assistant Chief of Staff for Intelligence
Department of the Army

SUBJECT : Appreciation for Support Rendered by Lieutenant Colonel
Leonard G. Friesz, Army Intelligence Reserve Branch

1. I understand that Lieutenant Colonel Leonard G. Friesz, Mobilization and Procurement Officer of your Army Intelligence Reserve Branch, has been reassigned to the Alaskan Command. I would like to take this opportunity to express my sincere appreciation for the outstanding cooperation and support which he has rendered to our Army Mobilization Designee Program during his tenure in your office. In addition to assisting in the placement of our many Designees who perform their annual active duty training tours within your office and administering them while on duty, he has untiringly assisted many of our reservists in processing their applications for transfer to the Army Intelligence Branch, as well as many of our employees who have sought initial appointments in the Army Intelligence Reserve.

2. I realize that since most of the reservists assigned to our program are in the intelligence field the task of providing profitable training and administering such large numbers in addition to your own mobilization designees has at times become burdensome. The cooperation rendered by your entire office in general, and by Colonel Friesz in particular, has been most generous and helpful in this respect. I feel certain that the training received has been beneficial to the reserve officers concerned, to the Army, and to this Agency.
