Re: Freedom of Information Act Request Letter

Dear Mr. Stein,

This is a request under the Freedom of Information Act. 5 U.S.C. § 552, *et seq.*

I ask that my request receive **expedited processing** because a compelling need for the requested information exists in accordance with applicable law and regulations. On July 16, 2021, federal prosecutors with the Eastern District of New York filed an initial seven-count indictment against Thomas J. Barrack and other co-defendants, in which federal prosecutors alleged, among other things, that Mr. Barrack acted as unregistered agent of a foreign government without prior notification to the Attorney General of the United States in accordance with 18 U.S.C. § 951(a). Mr. Barrack's case is scheduled to commence trial on September 7, 2022. The information requested under this FOIA request has a strong likelihood of constituting exculpatory evidence in connection with Mr. Barrack's upcoming trial, and as such, is critical to the preservation of Mr. Barrack's due process rights. Further, given the opaqueness in which charges under 18 U.S.C. § 951(a) have been brought by federal prosecutors historically, the information requested under this FOIA request is needed for the purpose of disseminating such information to inform the public as to the federal government's activity pursuant to 18 U.S.C. § 951(a). Accordingly, the close proximity to Mr. Barrack's upcoming trial as well as federal prosecutor's repeated delays in providing exculpatory evidence via the judicial process demonstrate that (1) substantial due process rights of Mr. Barrack would be significantly impaired by the failure to immediately process the requests set forth in this FOIA request and (2) the requested information is not otherwise available.

I request that a copy of documents containing the following information, within the following Department of State offices: NEA (Near East Affairs), WHL (White House Liaison's Office at DOS), S/P (Office of Policy and Planning), WHA (Bureau of Western Hemisphere Affairs), SCA (Bureau of South and Central Asian Affairs), S/CPR (Office of the Chief of Protocol), GPA (Global Public Affairs) (formerly IIP and PA before the merger), GTM (Global Talent Management), CT (Counterterrorism and Countering Violent Extremism), DRL (Democracy, Labor and Human Rights), GCJ (Office of Global Criminal Justice), S/IAG (Secretary's Iran Action Group), C (Counselor), COS (Chief of Staff), L (Office of the Legal Advisor), H (Legislative Affairs), OIG (Office of the Inspector General), and/or S (Secretary) from November 1, 2016 to present day, be provided to me:
