Friend,

You'll never believe this.

Not only did the FBI steal my passports in the FBI raid of my home, Mar-a-Lago, but it has just been learned through court filings that they also improperly took my complete and highly confidential **medical file and history** (at least they'll see that I'm very healthy, an absolutely perfect physical specimen!).

They also took my **personal tax records** (this is ILLEGAL) and lawyer-client privileged information - a definite NO, NO. This reminds me of the Soviet Union!

*They will NEVER stop coming after me, Friend.* They're out to get me because they're afraid we'll SAVE AMERICA from Joe Biden's terrible presidency.

I need YOU to go on record with what YOU think about this:
