Friend,

I recently was at my home in Florida, Mar-a-Lago, and I saw firsthand the aftermath of the unwarranted, unjust, and illegal raid.

Instead of focusing on solving problems for our country, the Washington Swamp has put us through one monstrous witch hunt after another:

Russia, Russia, Russia

The Mueller Scam

Impeachment Hoax #1

Impeachment Hoax #2

The sham Unselect Committee on January 6th

And now, the unprecedented break-in and raid of the home of a former president of the United States

The people behind these savage witch hunts have no shame, no morals, no conscience, and absolutely no respect for the citizens of this country.

For six straight years, I've been harassed, investigated, defamed, slandered, and persecuted like no one in American history— yet all I have ever wanted, and all we have ever fought for, is to simply **MAKE AMERICA GREAT AGAIN.**

I know that YOU want that too, Friend, which is why I'm calling on YOU to join the team as an **America First Freedom Defender**.

The unhinged persecution of me, my staff, and my supporters by the Radical Democrats and the Deep State is a form of political repression unlike anything our Nation has ever seen.

Everyone associated with this travesty will go down in history as **scoundrels and arsonists** who tried to demolish our justice system, shatter our most sacred traditions, and wipe out the very foundations of our democracy – for their own selfish partisan gain.

But no matter what our sick and deranged political establishment throws at me, no matter what they do to me, I will endure their torment and oppression, and I will do it willingly. ***They will NEVER get me to stop fighting for you, the American People.***

I will never quit—because the fate of our country is at stake. Our cruel and vindictive political class is not just coming after me - they are coming after YOU. NOW is your chance to STAND WITH ME and show the Left that this is YOUR COUNTRY not THEIRS

IS YOUR COUNTRY, NOT THEM.

Thank you, and God bless,

Donald J. Trump
