BREAKING FROM PBS: “More than 1 million voters

switch to GOP, raising alarm for Democrats”

Bill Lueders please confirm right now:

Have you switched parties?

YES →

NO →

UNSURE →

Our data shows that some voters in your state are no longer identifying as Democrats. This could negatively impact voter turnout in November’s Midterm election, and our strategy to hold the House and Senate may be in danger. With this in mind, please do not wait to confirm your party affiliation. **Your response is due by 11:59 PM on 09/22/2022 (tonight). Click to answer now →**
