Ms. Woods,

I am currently representing Frances Glenda Lewis with an appeal to the Merit System Protection Board. Attached is a document where Ms. Lewis has appointed me her representative in this case.

Pursuant to the Freedom of Information Act/Privacy Act (USC 522/522a) I respectfully request any and all documents in possession and control of CPAC, Fort Gordon, Human Resources Specialist (L/MER) Kelly Elder and Dwight D. Eisenhower Army Medical Center related to Frances Glenda Lewis; to include, any and all written and electronic communications from the time of 17 July 2014 to present. I request any and all correspondence sent via United States Postal Service to the home of Ms. Lewis that was returned to the agency without being signed for or marked as returned to sender.

I will be willing to pay a reasonable fee for the copying of said documents. If the fee will exceed ten dollars (\$10.00) please contact me first before completing this request.

The agency has recently taken an adverse action against Ms. Lewis so these documents and undeliverable documents should be easily accessible.

Time is of the essence.

Sincerely yours,

Jamie Dukes
