We regret the delay and appreciate your consideration. For more information on FOIA Administrative Appeals, you may review the Department's FOIA regulations at [43 C.F.R. Part 2, Subpart H](#).

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of FOIA. [5 U.S.C. 552\(c\)](#). This response is limited to those records that are subject to the requirements of FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

The 2007 FOIA amendments created the Office of Government Information Services (OGIS) to offer mediation services to resolve disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation. You may contact OGIS in any of the following ways:
