Your request was received in this office on February 17, 2022. We may need to contact you at a later date to discuss the scope of your request.

Your request is being handled under the provisions of the Freedom of Information Act (5 U.S.C. § 552). It has been assigned the following control number: COW2022000785. Please cite this number in all future correspondence about your request.

We respond to requests on a first-in, first-out basis and on a multi-track system. Your request has been placed in the simple track (Track 1).

Based on the information you provided, we have determined that expedited processing of your request is not warranted. The Department of Homeland Security Freedom of Information Act regulation at 6 C.F.R. § 5.5(e)(1) requires that you demonstrate that your request warrants expedited treatment because it involves:

- (i) Circumstances in which the lack of expedited processing could reasonably be expected to pose an imminent threat to the life or physical safety of an individual;
- (ii) An urgency to inform the public about an actual or alleged federal government activity, if made by a person who is primarily engaged in disseminating information;
- (iii) The loss of substantial due process rights; or
- (iv) A matter of widespread and exceptional media interest in which there exist possible questions about the government's integrity which affect public confidence.

Additionally, 6 C.F.R. § 5.5(e)(3) requires that a requester who seeks expedited processing must submit a statement, certified to be true and correct, explaining in detail the basis for making the request for expedited processing. Furthermore, requests for expedited processing that are based on paragraph (e)(1)(iv) of this section must be submitted to the Senior Director of FOIA Operations, the Privacy Office, U.S. Department of Homeland Security, 245 Murray Lane SW STOP-0655, Washington, D.C. 20598-0655. If you can demonstrate any further showing as to the nature and degree of (i), (ii), or (iii) of the above categories, please submit this additional information to this office for reconsideration.

You have the right to file an administrative appeal within 90 days of the date of this letter. By filing an appeal, you preserve your rights under FOIA and give the agency a chance to review and reconsider your request and the agency's decision. You may file an administrative FOIA appeal to USCIS at: USCIS FOIA/PA Appeals Office, 150 Space Center Loop, Suite 500, Lee's Summit, MO 64064-2139. Both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

A FOIA Public Liaison is an agency official to whom FOIA requesters can raise concerns about the service the requester has received from the agency's FOIA Office. FOIA Public Liaisons are responsible for assisting in reducing delays, increasing transparency and understanding of the status of requests, and assisting in the resolution of disputes.

If you are unable to resolve your FOIA dispute through our FOIA Public Liaison, the Office of Government Information Services (OGIS), the Federal FOIA Ombudsman's office, offers mediation services to help resolve disputes between FOIA requesters and Federal Agencies. The OGIS does not have the authority to handle requests made under the Privacy Act of 1974. The contact information for OGIS is:

In your request, you seek a fee waiver. Under the Freedom of Information Act's (FOIA) fee waiver standard, 5 U.S.C § 552 (a)(4)(iii), two requirements must be met prior to a grant of a fee waiver. As stated, documents shall be furnished without any charge or at a charge reduced below the fees established, where the requester has demonstrated that:

- (i) disclosure is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government; and
- (ii) disclosure is not primarily in the commercial interest of the requester.

Since you have not met the necessary requirements for a fee waiver, we are denying your fee waiver request.

Consistent with 6 C.F.R. § 5.5(a) of the Department of Homeland Security (DHS) FOIA regulations, USCIS processes FOIA requests according to their order of receipt. Although USCIS' goal is to respond within 20 business days of receipt of your request, FOIA does permit a 10-day extension of this time period in certain circumstances. Due to the increasing number of FOIA requests received by this office, we may encounter some delay in processing your request. Additionally, due to the scope and nature of your request, USCIS will need to locate, compile, and review responsive records from multiple offices, both at headquarters and in the field. USCIS may also need to consult with another agency or other component of the Department of Homeland Security that have a substantial interest in the responsive information. Due to these unusual circumstances, USCIS will invoke a 10-day extension for your request pursuant to 5 U.S.C. § 552(a)(6)(B). Please contact our office if you would like to limit the scope of your request or to agree on a different timetable for the processing of your request. We will make every effort to comply with your request in a timely manner.

In accordance with Department of Homeland Security Regulations (6 C.F.R. § 5.3(c)), your request is deemed to constitute an agreement to pay any fees that may be chargeable up to \$25.00. Fees may be charged for searching for records sought at the respective clerical, professional, and/or managerial rates of \$4.00/\$7.00/\$10.25 per quarter hour, and for duplication of copies at the rate of \$.10 per copy. The first 100 copies and two hours of search time are not charged, and the remaining combined charges for search and duplication must exceed \$14.00 before we will charge you any fees. Most requests do not require any fees; however, if fees in excess of \$25.00 are required, we will notify you beforehand.

The National Records Center (NRC) has the responsibility to ensure that personally identifiable information (PII) pertaining to U.S. Citizenship and Immigration Services (USCIS) clients is protected. In our efforts to safeguard this information, we may request that additional information be provided to facilitate and correctly identify records responsive to your request. Though submission of this information is voluntary, without this information, your request may be delayed while additional steps are taken to ensure the correct responsive records are located and processed. Further, if we are unable to positively identify the subject of the record we may be unable to provide records responsive to your FOIA request.

You may check the status of your FOIA request online at first.uscis.gov/#/check-status. If you have any questions concerning your pending FOIA/PA request, or to check the status of a pending application or petition, please call The National Customer Service Center at (800) 375-5283.
