Candidates, Primaries, and Ranked Choice Voting - AS 15.58.020(13)

Each candidate may designate the political party or political group that the candidate is registered as affiliated with. A candidate's political party or political group designation on a ballot does not imply that the candidate is nominated or endorsed by the party or political group or that the party or group approves of or associates with that candidate.

In each race, you may vote for any candidate listed. If a primary election was held for a state office, United States senator, or United States representative, the four candidates who received the most votes for the office in the primary election advanced to the general election. However, if one of the four candidates who received the most votes for an office at the primary election died, withdrew, resigned, was disqualified, or was certified as incapacitated 64 days or more before the general election, the candidate who received the fifth most votes for the office advanced to the general election.

At the general election, each candidate will be selected through a ranked-choice voting process and the candidate with the greatest number of votes will be elected. For a general election, you must rank the candidates in the numerical order of your preference, ranking as many candidates as you wish. Your second, third, and subsequent ranked choices will be counted only if the candidate you ranked first does not receive enough votes to continue on to the next round of counting, so ranking a second, third, or subsequent choice will not hurt your first-choice candidate. Your ballot will be counted regardless of whether you choose to rank one, two, or more candidates for each office, but it will not be counted if you assign the same ranking to more than one candidate for the same office.

Your vote only counts once, even if you rank a candidate more than once. When a candidate is eliminated in a round, they are eliminated from all future rounds.

RANKED CHOICE VOTING

FREQUENTLY ASKED QUESTIONS

Round One:

The Division counts all first choices. If a candidate gets 50% + 1 vote in round one, that candidate wins and the counting stops. If not, counting goes to Round Two.

Round Two (and beyond):

The candidate with the fewest votes gets eliminated. If you voted for that candidate, your vote goes to your next choice and you still have a say in who wins.

If your first choice candidate was not eliminated, your vote stays with them. Votes are counted again.

This keeps happening in rounds until two candidates are left and the one with the most votes wins.

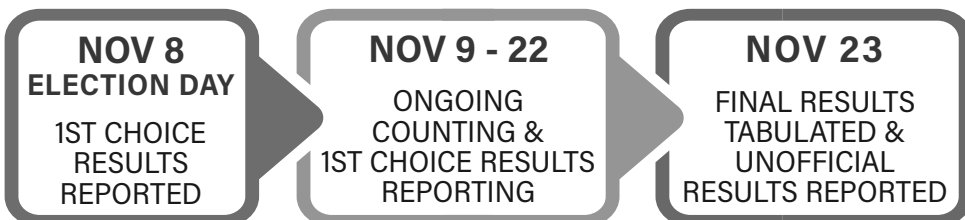

What happens if I only vote for one candidate?

Your vote is counted in round one and your vote stays with your candidate throughout tabulation.

GENERAL ELECTION COUNTING SCHEDULE

How will I know when and why my candidates were eliminated?

Results reports showing how many votes each candidate had in every round and how votes were transferred when candidates were eliminated will be available on the Division's website, in addition to a summary report showing the final votes tallied for the winning candidate.

Please visit www.elections.alaska.gov/rcv.php for more detailed information, sample ballots, explainer videos, and translated information.

Alaska's Ballot Counting System

Your Vote is Secure!

Alaska uses three different methods to count ballots:

- ❖ Hand-count
- ❖ Precinct Scanner
- ❖ Voting Tablet

Alaska's ballot tabulation system has a paper trail of every ballot cast. Each precinct receives paper ballots that are either hand-counted when the polls close or are scanned during the day as the voter inserts the ballot into the precinct scanner and the results are tabulated after the polls close. In addition, during federal elections, each precinct has a voting tablet which has a voter-verifiable paper trail.

The ballot tabulation system used in Alaska to produce and count ballots is federally certified and thoroughly tested prior to each election. It is a stand-alone system that is not connected to the internet or a network during the hours of voting.

Each precinct scanner and voting tablet, and their corresponding memory device are tested prior to the election. Two different logic and accuracy tests are performed, by two separate bi-partisan boards (the State Review Board and the Regional Counting Board) to ensure the devices are counting correctly. In addition to testing the ballot counting accuracy, before each election functionality tests are conducted on each piece of equipment to ensure each is in proper working order.

Prior to certification of the election, state law requires the State Review Board to conduct a hand count verification of random precincts that utilize precinct scanners. The randomly selected precinct must account for at least 5% of the total votes cast in each of the 40 house districts. If there is a discrepancy of more than 1% in the hand-count verification, a hand-count of all the ballots cast in the district is mandated. From implementation in 1998 to date, there has never been a discrepancy of 1% or greater.

While not required by law, the division has chosen to have the State Review Board also conduct a hand count verification on randomly selected house districts for the early voted ballots, absentee ballots, and questioned ballots with representation from each of the five regional offices.

After the State Review Board completes their audit, the election is certified and results are official. The process is intentionally slow and methodical so that accuracy is obtained. Additionally, because certain ballots can be counted on the 15th day after the general election, certification cannot be done before then.

The Alaska Division of Elections is dedicated to the security and accuracy of our election process. The Division recognizes that any election system is susceptible to fraud if security measures are not in place. Alaska has extensive procedures, including multiple layers of security that includes a combination of people, processes, and technologies that help us conduct secure, trustworthy, and accurate elections.

Bring Identification to the Polls

You **MUST** be prepared to show one form of identification. You may use the following ID:

- Voter ID Card
- Driver's License
- State ID Card
- Current and valid photo ID Card
- Passport
- Military ID Card
- Birth Certificate
- Hunting or Fishing License

Alternatively, you may use an original copy of one of the following documents if it contains your name and current address:

Questioned Ballots

If your name does not appear on the precinct register or if you do not have identification, you will be required to vote a questioned ballot. Your voted ballot will be placed in a secrecy sleeve and then sealed inside a completed questioned ballot envelope. The information you provide on the outside of the questioned ballot envelope will be used to determine your voting eligibility and to update your voter registration. If for any reason your questioned ballot is not fully counted, you will be notified in writing.

Marking the Ballot

Vote by ranking candidates of your choice. You can rank as many or as few candidates as you like.

Completely fill in one oval per candidate, in each column. You do not have to rank all candidates.

If you make a mistake marking your ballot, **DO NOT** erase or correct the ballot. Return your ballot to an election worker and request a new ballot. Sections with eraser marks will not be counted.

Campaigning Prohibited

Campaigning is not allowed within 200 feet of any entrance to a polling place during the hours the polls are open. This includes any discussions about candidates or issues appearing on the ballot or displaying campaign items such as, but not limited to, hats, shirts, signs, bumper stickers or buttons.

Voter Assistance and Concerns

Assistance While Voting

If you need language or other assistance during the voting process, you may have a person of your choice help you. That person may not be a candidate in the election, your employer, an agent of your employer or an agent of your union. You can have help during each step of the voting process, including inside the voting booth with reading or marking the ballot. Election workers at the polling place are available to help you as well. This is your right under federal law.

Language Assistance

In areas under the Toyukak Settlement agreement, Section 203 of the Voting Rights Act, and other areas designated by the court, the Division of Elections hires bilingual outreach workers to provide language assistance to limited English speaking voters who are proficient in Alaska Native languages or Tagalog.

Before Election Day, bilingual workers make announcements, provide election information to their community and are available to provide language assistance for any voting related activity, including voter registration, absentee voting and to assist with all information in this pamphlet. On Election Day, bilingual workers will provide language assistance at the polling place with the voting process, including translating the ballot.

If you need the name of the person who is hired to provide language assistance in your community, please contact the Division of Elections. Any voter may access language assistance by calling toll free 1-866-954-8683.

Voting Tablet

On Election Day, each polling place has a voting tablet. The voting tablet is intended for the blind, disabled, and for voters who do not read well. It allows voters to vote unassisted using magnified, high contrast and audio ballots. In designated areas where there are limited English proficient voters, the voting tablet also has an audio translation of the ballot in Alaska Native Languages and Tagalog for applicable regions. Voting an audio ballot may take 15 – 20 minutes. If you need to vote using the voting tablet device, let the election board know.

Visually Impaired Voters

In addition to the voting tablet at each polling place, magnifying ballot viewers are available at all polling places and absentee voting sites. Audio recording of this pamphlet is available from the Alaska State Library, Talking Book Center, located in Juneau and on the Division of Elections website. Telephone the library at (907) 465-1315 for information.

Hearing Impaired Voters

For questions, you may contact the Division of Elections through our TTY telecommunications device by calling (907) 465-3020.

Physically Disabled Voters

If you have difficulty gaining access to your polling place, or if you have questions about the accessibility of your polling place, please contact the Division of Elections. We make every effort to ensure that polling places are accessible to all Alaskans.

STATEMENT:

As a longtime educator, I find myself increasingly concerned for our children and young people. At a time in their lives when they should be feeling hopeful and optimistic about the opportunities that lie ahead, they see division, disrespect and intolerance in the language and behavior of local and national leaders. They see efforts to take away rights that have been fought for and respected for many years, specifically a woman's right to choose, and wonder which rights will be next. They see few efforts to curb the gun violence that steals the futures of their peers. They see unrelenting emphasis on profit-making over healing our planet.

The elected leaders of our country set the tone for our nation. As an experienced leader, I am committed to bringing honesty and responsibility back to the Senate. I am committed to modeling the behavior we must teach our children. I am committed to strengthening the democracy they deserve in their future.

STATEMENT:

I am running for the United States Senate because I do not like the way things are going in this country.

I do not like us begging other countries to send more oil. We MUST be energy independent.

I do not like all of the out-of-control government spending that threatens to crash our economy. We MUST balance the check book.

I do not like five thousand pounds of meth coming into this country across our southern border. That is two and a half tons of meth my friends. For that and many other reasons the southern border MUST be shut down.

I do not like American workers losing ground. From the North American Free Trade Agreement in 1993 to the Trans-Pacific Partnership in 2016 all these trade deals do is cut the throat of the American worker. If cars are shipped into this country cheaper than we can make them lots of people are going to lose their jobs here in America. Any trade deals MUST put America first.

The list goes on but suffice it to say we have a lot of things on our To Do list.

Hard Right Turn. It is a political statement. It is a moral statement. It is my campaign motto and it is my sole objective if elected to the United States Senate.

My name is Buzz Kelley and I am asking for your vote on Nov 8, 2022.

Thank you.

STATEMENT:

As a third-generation Alaskan who grew up in communities across the State, I understand the unique challenges we face. As your senior Senator, I've worked across party lines to deliver for Alaska. From authoring and negotiating the infrastructure package into law – securing historic investments in roads, bridges, ports, and rural broadband expansion – to protecting our ferries, fisheries, and caring for our veterans, Alaska is at the core of my mission, always.

From Adak to Utqiagvik, Alaska is rich with a diversity of cultures and strengthened by the self-determination vital to protecting access to our lands and resources. I continue to learn from the wisdom of the First Alaskans. Working together, we secured funding to ensure our rural communities will have clean water and sanitation systems and expanded access to broadband. Alaska's strategic importance to our national security is second to none. I will continue securing investments to strengthen and expand our military installations, infrastructure, and defense jobs. Alaska is home to over 20,000 active-duty service members and more veterans per capita than any other state. I will continue working to improve the VA ensuring veterans receive the benefits they deserve.

As parents, Verne and I want a vibrant future for Alaska where our sons can share in opportunity, and someday raise their own families. It is the vision we all share for our children and Alaska. Join me in working together for the land and the people we love.

I respectfully ask for your vote.

OTHER:

Kelly's father was union electrician and Vietnam War veteran, and her mother was one of the first workers at the startup of Prudhoe Bay. Her parents were homeless for a time in the 1970s, but thanks to that oil industry job, they fought their way into the working class.

STATEMENT:

Kelly Tshibaka is an America First candidate who will always represent the views and values of Alaskans in the U.S. Senate. She will stand up for the constitutional rights of all citizens and fight against federal government overreach that intends to turn Alaska into a national park for the rest of the country.

As she travels across the state, Alaskans are telling Tshibaka that "It's time for a change," which is the central theme of her campaign. She will fight for Alaska's resource industries, which create thousands of jobs and give our children a future, yet are under assault by environmental radicals in the Biden administration and the Washington, D.C. insiders who enable them. Tshibaka will fight to revive the Alaska economy; reclaim our rights as parents, gun owners, and land owners; reform healthcare so it works for Alaskans; require equal, legal, and safe immigration; restore voting rights and integrity; and stand for the right to life for pre-born Americans.

Endorsed by President Donald Trump and the Alaska Republican Party, Kelly Tshibaka is the only choice for Alaskans who are tired of elitist politicians who cater to the D.C. insiders. When Kelly Tshibaka is in the Senate, we finally will have someone who gives voice to all those Alaskans who have felt forgotten, ignored, exploited or dishonored the past 21 years.

STATEMENT:

If we are going to successfully represent Alaska's role
in our nation to the rest of Congress, it will require
someone to make what I call the business case for
Alaska. I support resource development across the
board, and I will never compromise on the freedoms
guaranteed to each of us under the U.S. Constitution.
I'm running for Congress to bring new energy and
solutions to the job. I will work hard to provide the
leadership and representation the people of Alaska
deserve.

My top priority when elected is to create economic
opportunities that unlock generational wealth for the
people of our great state. To do this, we must provide
a compelling case to those in Congress that Alaska's
future is a core part of our nation's future. Whether
it's oil and gas, critical minerals, timber, fishing, or
tourism, Alaska provides the nation with a wealth of
resources upon which we may build a healthy and
stable economy, strong families, and a generation of
leadership for our state.

United States Representative

Chris Bye, Registered Libertarian

OTHER:

Chris Bye is not a politician. He is an Alaskan, a husband, a father of 4, a combat veteran, an Alaskan fishing guide, a youth soccer coach, former youth shooting coach, and an avid outdoorsman.

Chris dedicated half his life to serving this great nation, as both an enlisted soldier in the U.S. Army and later as a commissioned officer. The Army constantly pushes its officers into new and challenging duties, giving Chris an advantage when he lands in Congress. He has experienced changing professional environments and has always risen to the challenge of new situations. And retirement did not dull the desire to continue that service. He has also witnessed first-hand the devastating effects of policies made in Washington D.C., so far removed from the realities Alaskans face. It is this first-hand evidence that draws him into serving beyond the Fairbanks and Fort Wainwright community by running for Congress.

STATEMENT:

For far too long many of us have sat on the sidelines shaking our heads at the decisions made by career and groomed politicians of both parties. Typical Alaskans can make better decisions than groomed or career politicians.

He will look to all Alaskans, especially those directly affected, to help solve the problems facing us. While we may not always agree, constructive dialogue including diverse perspectives is essential to creating

the best Alaska, not just for certain groups but for every Alaskan. Chris firmly believes that we ought to have representation as diverse as Alaska which is why he fully supports term limits. He wants the North Pacific Fisheries Management Council receptive to the needs of Alaskans: reduce, then eliminate bottom trawling; reduce bycatch; and include representatives from up-river communities. He wants Congress to stop shackling future generations with debt. No more Military Boondoggles. Conduct audits with punitive corrective actions for every Department and Agency within the Federal Government. Most importantly Chris supports the safe development of natural resources through environmentally sustainable processes developed and being imparted to students attending the University of Alaska system. The Federal Government retains 36 million acres of land that belongs to Alaska. That land represents future geophysicists, engineers, botanists, environmentalists, energy professionals, teachers, nurses, small businesses, families... future opportunities.

We can do better. We owe it to our children to do better. It starts by electing representatives who work for us, not for a party. Don't Settle for the Lesser of Two Evils. It's Time Alaska.

SERVICE ORGANIZATIONS MEMBERSHIPS:

SPECIAL INTERESTS:

OTHER:

Sarah Palin is a lifelong Alaskan who moved here when she was just a few months old. Sarah raised her five children in Wasilla, where she still lives. Her son, Trig, attends Wasilla Middle School. She was "reborn" in her faith in God at age 11, while marveling at the splendor of God's bounty in Alaska. Even after being thrust into the national spotlight in 2008, Sarah remains a true Alaskan, who will never stop fighting for the greatest state in the Union.

STATEMENT:

I've spent my whole career fighting against the self-serving political establishment and fighting for the interests of the hard working men and women of Alaska. I'm not afraid to stand up to my own party in order to do what's right, and I will work tirelessly to get things done for the benefit of our state and our country. I believe in responsible development of Alaska's God-given natural resources, defending our constitutional liberties, ending the culture of death and protecting the lives of the innocent, and securing states' rights against an overbearing federal government. I'm a tireless advocate for our military and our veterans.

If elected, my first priority will be to help spearhead legislation promoting energy independence. Right now, gas prices across the country are skyrocketing—and Alaska can help do something about it. I will also fight to preserve and protect our right to keep and bear arms, advocate for responsible infrastructure development that leverages federal support for vital projects, and work to end government handouts to able-bodied Americans, cut through the red tape that entangles small business owners, and let the free market do what it does best—generate success for all Americans.

STATEMENT:

Responsible resource development, with local control - I support responsible resource development. Alaska's abundant natural resources have provided economic prosperity for many in our state, and will continue to do so. Decisions about where and how to harvest, drill, or mine, must reflect the priorities of people living closest to any proposed project.

Infrastructure jobs - Alaska needs critical infrastructure everywhere you look, improving airports, ferries, highways, energy grids, broadband infrastructure and more will create good paying jobs and build the foundation for economic growth for years to come.

Climate Change - We are living with the effects of climate change, where I'm from the effects are obvious. While we adapt to our changing environment, we need national leadership that prioritizes solutions as large as the problem we face.

No Pebble - The people of the Bristol Bay region have spoken out strongly against this particular mine, which would pose a risk to the greatest sockeye salmon runs in the world. In Congress, I will work to establish permanent protections for the region.

Schools - Quality schools are vital to the future of our communities. Students and teachers need support to strengthen our communities and see improved educational outcomes. I support language immersion and Alaska history education. Many of our state's languages are on the verge of extinction. I will champion resources for language revitalization efforts.

STATEMENT:

Public Safety

Public safety is my top priority. I repealed Alaska's disastrous catch-and-release program, SB 91, driving crime down 18% in the first year. We're hiring troopers at historic rates, restoring positions eliminated by the previous administration and restoring confidence in Alaska's public safety.

Strong Economy

This year we delivered on the largest PFD in history. Taking the dividend out of the hands of politicians, resisting new taxes, capping government growth, and diversifying our economy remain my top economic priorities. We must reform our education system, invest in workforce development to fill Alaska jobs, and diversify our economy. Alaska won't thrive by taxing people, taking their PFDs, and letting government spending run rampant.

Alaskan Independence

My administration is making great progress toward Alaska's food and energy independence; using new technology in energy production and transmission, including a natural gas pipeline, to lower the cost of energy for all Alaskans. The pandemic interrupted our supply chain and taught us we need to make power and feed Alaska independently. During the next term, we'll invest in our agricultural and energy opportunities to make Alaska self-sufficient.

Leadership in Crisis

Alaskans need a governor who can lead through difficult times. I've navigated Alaska through some of the biggest issues facing the state in its history – natural disasters, a pandemic, and economic hardship. However, we got back on our feet quickly, and these challenges have made us more resilient. Some talk about leadership and some demonstrate leadership — I've proven my leadership through adversity.

STATEMENT:

I am humbled to ask for your support to serve as Alaska's Lieutenant Governor. I will have many duties when elected, but none more critical than supervising elections. I'm committed to ensuring that they are conducted with accuracy and integrity; Alaskans must be confident in the process. Voters deserve to know that in the Last Frontier, "one person, one vote" means precisely that.

I have already started investigating ways Alaska can improve the accuracy of its voter rolls and election system. Our Division of Elections has incredible employees who take their duties seriously and have insight into changes we can make. I am also having conversations with Alaskans who have offered ways to improve the system. With good information, we can fill gaps that exist, implement best practices, and update data systems.

Thomas Jefferson said, "We in America do not have government by the majority. We have a government by the majority who participate." In our state, every participant deserves to have an ethical, dependable, and transparent election process that guarantees the integrity of every single vote. I am committed to working with Alaskans to make that happen and will be honored to earn your vote so that I can serve you and the great state of Alaska.

STATEMENT:

You deserve a better future, with better schools, job training, a living minimum wage of at least \$15 an hour, and an economy that produces good jobs. People deserve the opportunity to succeed, whether born rich or poor. But over the past three years 20,000 more people have left Alaska than have moved here because they see no future.

I'm the only pro-choice candidate for Governor and will protect those rights.

Most of us have grown up with our own hardship. Mine was losing my father to a killer who broke into his office when I was six. I grew up in foster homes. But regardless of how you are born or raised, you deserve the promise of liberty and justice for all, and equal rights.

We should have a construction and community project budget that puts people to work and supports needs like renewable energy to lower energy costs and battle climate change. You deserve good road maintenance, a strong Marine Highway, and what's needed in rural and urban communities for success. We can afford that, and a stronger PFD instead of false PFD promises, by ending over \$1 billion in subsidies Alaska gives to the wealthiest oil companies in the world.

I believe in protecting our fish, support responsible development, but oppose the Pebble Mine and the dumping of over 1,000 tons of dead halibut and salmon and crab by Outside factory trawlers.

I'll stand up for all of you, not just the wealthiest and most powerful.

STATEMENT:

I'm running because I want Alaskans, including my five grandchildren, to have a bright future. I have a vested interest in Alaska's future. I believe in an Alaska that looks ahead with hope. My husband, Ed, a veteran of the US Air Force, and I are fortunate that our three daughters and five grandchildren live in Alaska.

I believe building blocks of a bright future for our state include: a robust fiscal plan (including Alaskans' fair share of oil revenue), jobs providing living wages, quality public education, and assured protection of our civil rights and right to privacy.

I know quality public education is a foundational equalizer. I believe students deserve a quality public education. Alaska's students should be successful in college or vocation-technology education. Students should be able to use their skills and knowledge in the workforce and contribute to their community's economy.

I am not a typical politician. My years of advocacy and leadership experience, combined with working with legislators, brings new energy and change to status quo politics. It is time to build a better, brighter future for Alaska and Alaskans. It is time to vote, not for a party, but for commitment, integrity, and Alaska's future.

STATEMENT:

Alaska gave me everything I have, and I'm running for Governor again to do my part to get our state back on track. We can all sense the current lack of direction in our state and feel the damage caused by politicians who obtain power by dividing us. The past several years of economic crisis, outmigration, pandemic, and divisiveness have taken a toll on our economy and the overall psyche of our state.

As Independents, Heidi Drygas and I will rebuild Alaska by focusing on things that bring us together as Alaskans instead of continuing to obsess over the things that drive us apart. We are deeply committed to passing a fiscal plan that will allow us to invest in our state, rebuild our economy, and create new jobs. We will make this happen by ensuring that we have world-class education in communities across our state — from childcare to K-12 to the University of Alaska — protecting PCE and investing in public safety, providing resources to the Alaska Marine Highway System every year, confronting bycatch, and aggressively seeking opportunities for responsible resource development and other growth areas instead of waiting for opportunities to show up. Finally, the State must do whatever it takes to reduce high energy costs that are hurting families and damaging our economy.

Heidi and I are lifelong Alaskans, and we will govern in a way that bridges divides in our state and prioritizes practical, common sense solutions above everything else.

STATEMENT:

Alaska is a land of immense opportunity. It's why my parents came here and why I will always call this place home. We pride ourselves on our boldness, distinctiveness, and individuality. We often hear the phrase, "That may be how they do things Outside, but that's not how we do it in Alaska." It's not a slight against our neighbors to the south so much as a sense of pride about our Alaskan ways.

Somewhere along the way, a significant number of our elected officials became preoccupied with the things Alaska can't do, and they built entire political careers working to destroy important Alaskan institutions that took generations to build.

Bill Walker and I are focused on what Alaska can do. I'm running because I believe this renewed focus on our state's potential will help create a bright future for my 4-year-old daughter, Olive, and for every Alaskan.

We can get our economy back on track and create good-paying jobs.

We can develop our workforce and attract the best and brightest from around the world by investing in education, from pre-K to our University, instead of watching our kids move Outside to find jobs and opportunities.

We can provide residents of rural and urban Alaska with a good education, public safety, and the infrastructure it takes to create opportunities.

We can balance the need to responsibly develop our natural resources while meaningfully confronting climate change.

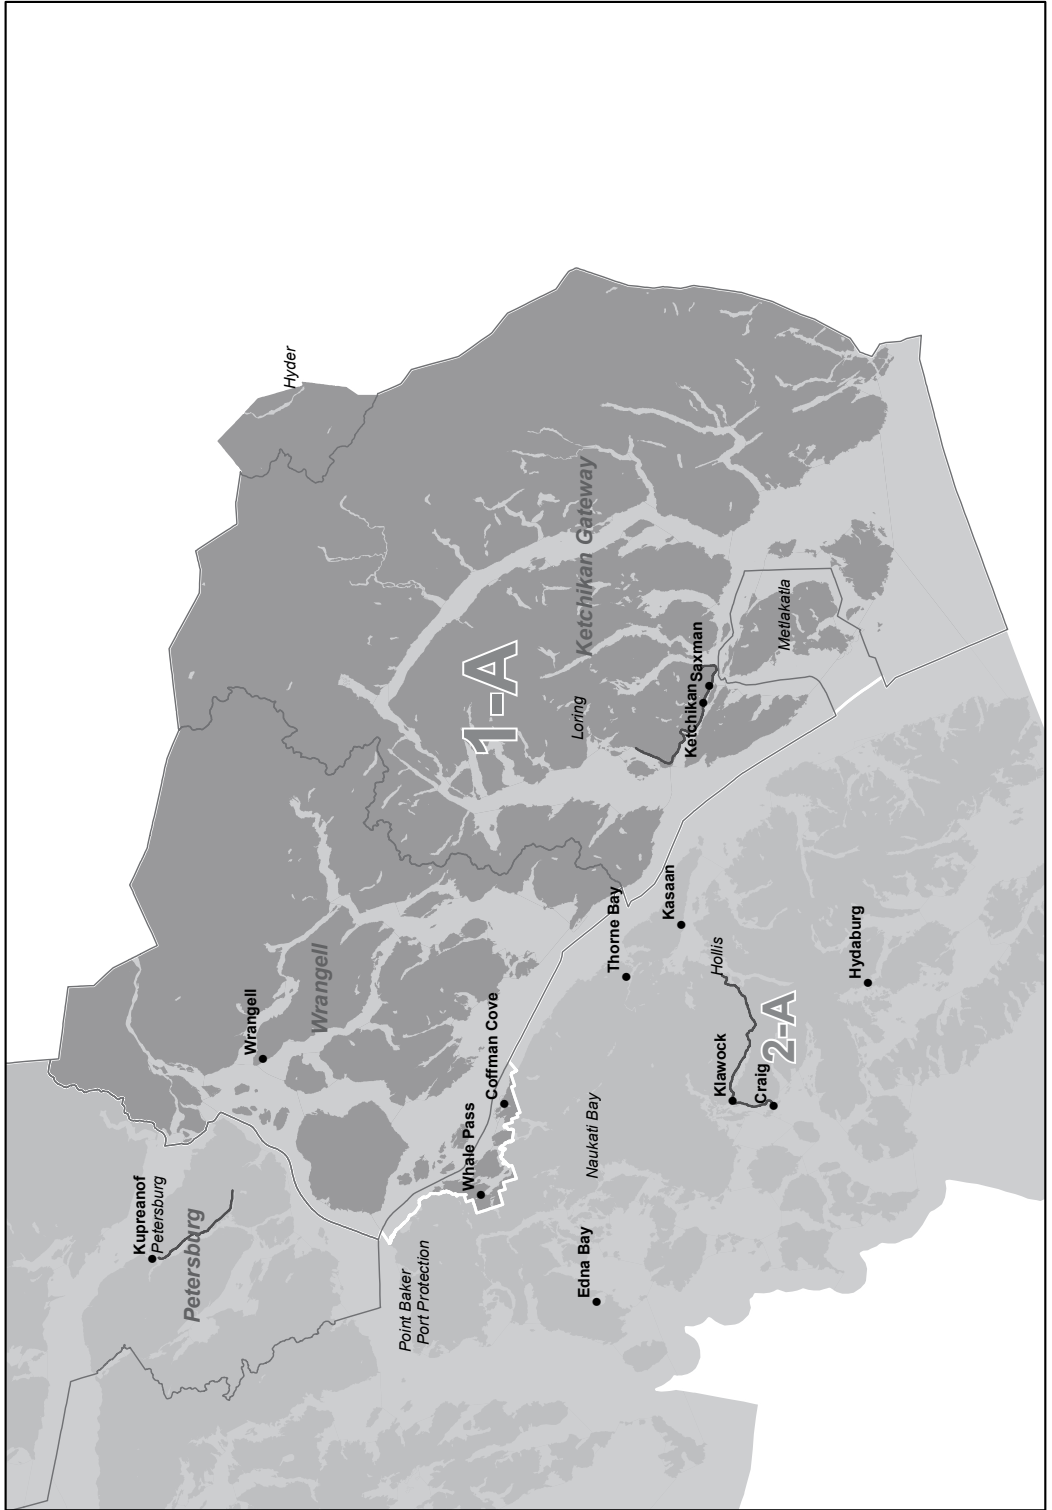

We can embrace big, bold ideas again, and we will rebuild Alaska together.

PLACE OF BIRTH: Petersburg

SPOUSE'S NAME: Arlyn P. Sheldon

CHILDREN'S NAMES: Mariah Michelle Sheldon

OCCUPATION: Retired

LENGTH OF RESIDENCY IN ALASKA: 66 years

ALASKAN COMMUNITIES LIVED IN:
Lived my entire life in my hometown of Petersburg, Alaska.

EDUCATION:
Petersburg High School and Peninsula College, Port Angeles Washington.

POLITICAL AND GOVERNMENT POSITIONS:
Petersburg Alaska Tribal Association as a board member.

BUSINESS AND PROFESSIONAL POSITIONS:

Alyeska Pipeline Mechanic and Welder.
Southeast Alaska Commercial Fisherman.
Ticket Agent for the AMHS in Petersburg, Alaska.
Petersburg, Alaska Handyman, and Vehicle Detailing.

SPECIAL INTERESTS:

Protecting Alaska from Tyranny.

OTHER:

I was born in Petersburg, Alaska, in 1956. My education began in the hometown of Petersburg, Alaska; after attending high school in the '70s, I traveled down to Peninsula College in Port Angeles, Washington, where I learned Automotive Mechanics and Welding. After college, I worked on the Alyeska Pipeline, purchased a commercial fishing vessel, and fished Southeast Alaska for decades. After fishing, I worked for the AMHS as a Ticket agent and, in time, moved on to my Handyman and Vehicle Detailing business until retirement at age 66.

STATEMENT:

WE MUST WAKE UP THIS NATION, INCLUDING ALASKA, OR LOSE OUR FREEDOMS FROM A BUNCH OF ACTORS WHO SAY ONE THING AND DO ANOTHER. My policy ideas for the State:

Stand with the Alaska and USA Constitution.

Pro-life: We must preserve life and not destroy our future boys and girls.

Need term limits for politicians.

Support having a Constitutional Convention.

Total Statutory Calculated Permanent Fund Dividend. Revoke SB26, the illegal POMV not supported by We The People on a ballot vote, and stop the 50/50 and 25/75 split that favors the government and not the citizens of Alaska. Build a healthy subsistence fishery for the citizens of Alaska.

Strengthen the Alaska Commercial Fishing Industry to help grow the Alaskan economy.

Restrict trawlers from decimating our ocean resources.

We must continue maintaining and improving our AMHS to run efficiently by engineering vessels that meet travel standards.

Sensible Government spending: Public Safety, Education, and sustainable infrastructure - Jobs!

Constitutional Spending Limits.

No State Income Tax. Stand against growth-killing taxes.

Support logging in Southeast Alaska.

Consider building access roads to save on shipping costs.

In Conclusion:

Be it resolved that my vote on the Senate floor and committee meetings will always be for We the People of Alaska. I believe legislators push the green "Ya" button way too much. It's caused this State much hardship by their swayed decision from Special Interest Groups.

STATEMENT:

It's been my honor and privilege to serve as your Senator for the past 19 years. I'm running for re-election to continue working for the people of Southeast Alaska to increase economic opportunity, reduce the costs of energy, promote fiscal discipline, and work for public accountability in government.

Getting our economy back on track is of utmost importance. We need to have our children educated in classrooms and not impaired with an education deficit because of the current COVID-19. Let us continue to improve the infrastructure, economy, and quality of life in our communities. Together we've expanded Alaska's resource-based economy, leveled the playing field for rural school funding, improved vocational-education, and invested in public safety infrastructure and health care.

These positive steps forward are greatly helping in transitioning through our current budget constraints. For us in Southeast, our region has been through tough economic times before and we are working through this one. We must solve the structural budget deficit while leaving the Permanent Fund intact for future generations of Alaskans. Leaving them with depleted oil basins and a liquidated Permanent Fund is unconscionable. Let's leave Alaska in better economic shape than when we received it from past generations.

My great-grandparents moved to Southeast Alaska in 1902. I have a deep respect for our state and its future. Let's work together to make Alaska prosperous for the next generation. I humbly ask for your vote this November, and hope to work with you to build a better future for Alaska.

STATEMENT:

I believe we are at a turning point in Alaska, effective
leadership and responsible government are critical. It is
extremely important for our future to have representation that
will fight for our needs and values. I will listen to the different
needs of the unique communities in District 1 and will work
to develop legislation that works for all of us.

I believe we have tremendous opportunities for energy
development; and when developed, we will have energy
independence, sustainable and affordable power, new
industries, and improved job opportunities.

To meet the educational needs of our children, I will advocate
for quality education outcomes and support vocational
training as part of school curriculum; let's prepare Alaska's
children for an Alaskan economy.

Another unique part of living in SE Alaska is our common
connection through the Alaska Marine Highway System
(AMHS). The AMHS is a vital part of our livelihoods and
economy. Solutions for the long-term stability of the AMHS
is to modernize the system to meet our ongoing needs and to
have it operate as an independent department.

I support protecting the Permanent Fund, safeguarding
Second Amendment rights, supporting public safety, and
defending Alaska's right to develop its natural resources.

My experiences as a Veteran, working with the Corps of
Engineers, leading an Alaska electric utility, serving on the
Borough Assembly, and many years of working with a variety
of people has prepared me for this challenge. I humbly ask
for your support.

OTHER:

As an educator with 30 years of experience, I have been fortunate enough to work in education in both formal and informal settings: as a National Parks Education Specialist at Katmai National Park in Southwest Alaska, as a science center education trainer, and as a public-school elementary teacher in Sitka for 17 years. I am an active volunteer and host for foreign exchange students, and in 2020 I was elected to the Sitka Assembly.

STATEMENT:

We live in the most special place in the world, but I have seen firsthand how our communities are struggling. In nearly 20 years as an elementary educator, I have focused on solving problems with the students in my classroom — but it's clear that addressing family and community needs requires leadership beyond the walls of my classroom. We need a skilled problem-solver representing us in Juneau.

Partisanship cannot take precedence over the urgent needs of families, which are plain and overwhelming. Strong schools, consistent and dependable marine highway service, accessible housing, and thriving waterfronts that support small-boat fishermen are typical priorities I hear when I visit the diverse communities of House District 2.

I'll work to stabilize school funding, transition the Alaska Marine Highway to a public corporation model that offers consistent and dependable service, and invest in infrastructure that supports working families, organized labor, and Alaska's small business ecosystem. I'm committed to keeping the bipartisan coalition going as a dedicated leader for rural Alaska, upholding everyone's right to privacy, and safeguarding our permanent fund for next generations.

Southeast deserves a representative who will go the distance to serve our communities. I have been at work on the Sitka Assembly and in the schools; I would be honored to work just as hard for you in Juneau.

STATEMENT:
The diverse voices of our region have not been
heeded enough in Juneau. The , "get it done then
go for more" attitude of many in our district, has for
too long been set aside. It's time to get serious about
what Alaska becomes. The stage is set for us to regain
our collective role in our legislature and once again
influence the Great Land as in ages ago. We can best
answer this by electing me, Kenny Skaflestad, as your
representative for District 2.

As the Mayor and chief administrator of Hoonah, I
found it a fact that we spent government dollars beyond
our means. As painful as it was, I was successful in
reducing the budget by nearly 30% and our council
agreed. We neither lost any employees nor reduced
services to the people. With nominal investment of
City resources and team playing with the State, our
Tribe and Corporations we boosted jobs and the local
economy by nearly 12%. We enhanced our schools,
replaced much of our savings and renewed relations
where needed.

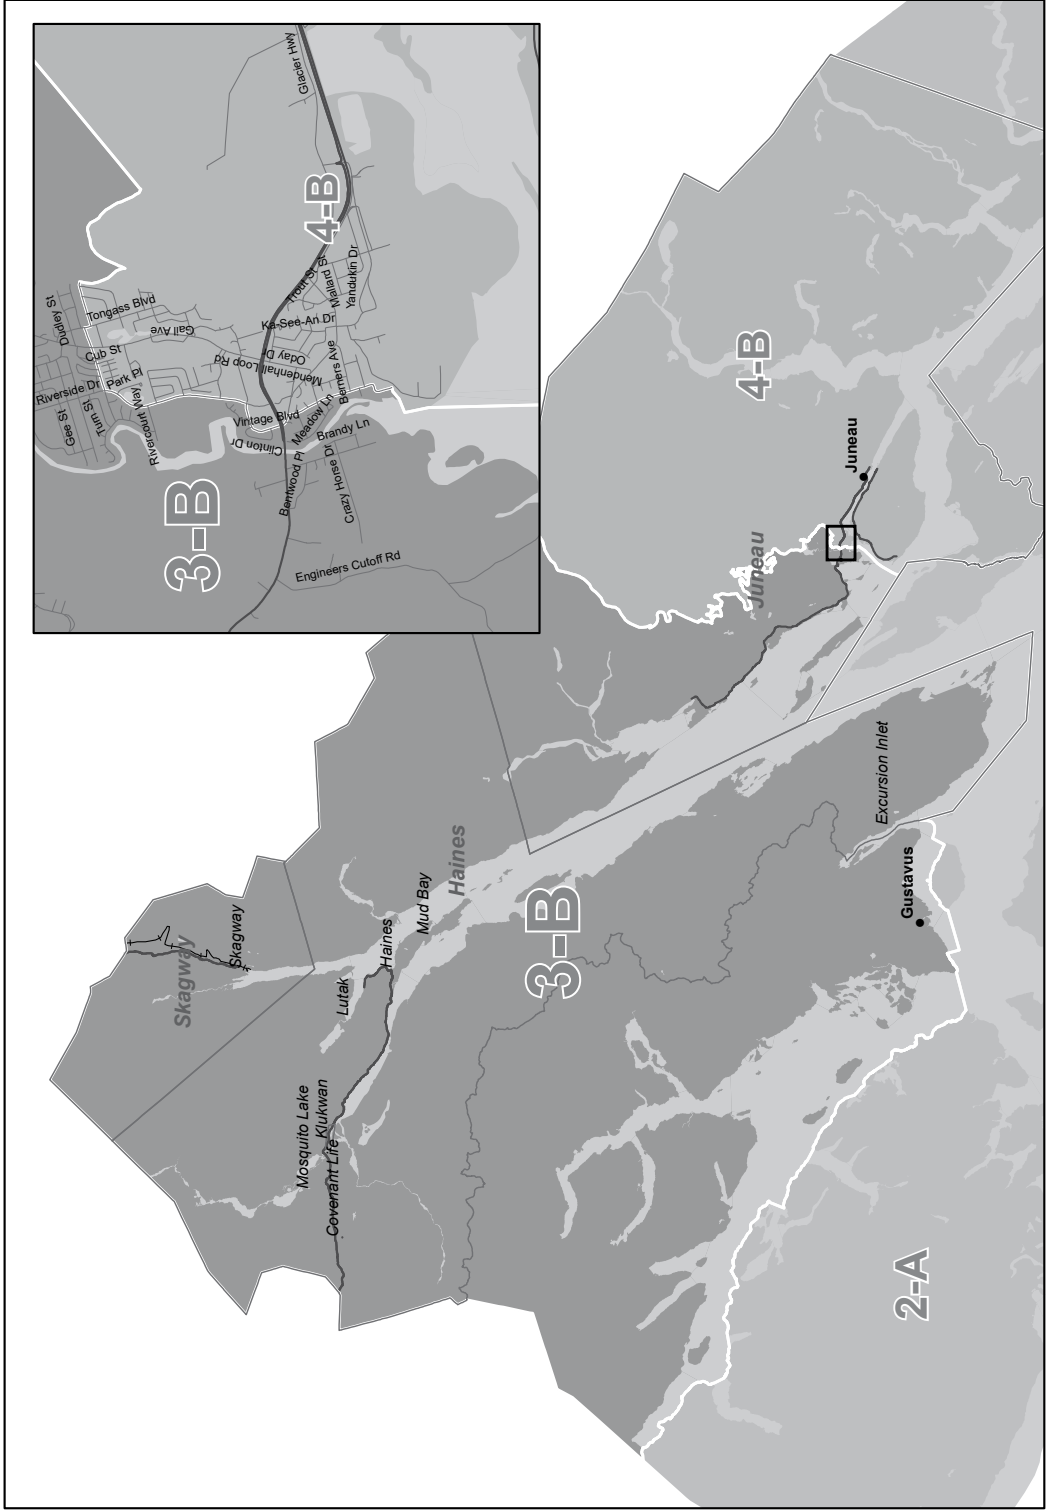

When you choose Kenny Skaflestad on your ballots,
you will be voting for one who values your opinion
much more than his own I look forward to visiting as
many as I can. I look forward to serving in a forthright
and open manner. Call, text or mail me any hour and
any time. I try to always answer your callings.

STATEMENT:

I'm honored to serve Southeast Alaska in the state
Senate. I respectfully ask for the opportunity to keep
working for our region.

There's still a lot to do. I've pushed hard the past four
years to build a sound fiscal plan for Alaska. That sounds
dull, but it's absolutely essential. A stable, predictable
state budget will provide the things we all need from
government, like fish biologists, regular ferries, good
schools, public safety, and a PFD we can count on.
Stability will let individual Alaskans plan and invest in
businesses and our communities. But all of that takes
balanced, stable revenues—it's tough to make plans
when you're riding the oil price roller coaster.

In another term, I'll keep working for Southeast
communities. I'll stay focused on protecting the capital,
more regular ferry service, healthy fisheries for commercial
and sport fishermen alike, and a sound tourism industry.

I was proud to help rewrite Alaska's outdated sexual
assault laws this year. I'll stay focused on smart public
safety. I'm also proud I helped boost K-12 funding after
years of cuts. There's a lot left to do there, too. I'll keep
leading on clean water issues, addressing the statewide
PFAS pollution problem. And I'll never quit working to
reinstate real pensions for Alaska's public workers, from
teachers to Troopers to snowplow drivers.

It would be an honor to continue serving Southeast
Alaska—and working for you.

STATEMENT:

It's been an honor to represent Juneau these past four years and a privilege to have the opportunity to represent neighboring communities in new District 3. As a 36 year resident of Southeast and having advocated for 19 years for great schools across Alaska, I am familiar with many issues facing small communities. I am committed to listening and working toward local priorities.

For the first time in several years, our current state budget is funded without raiding savings. Federal infrastructure dollars are injecting a five year billion dollar annual boost. These extra dollars and high oil prices allow targeted investments and a large dividend this year. But dependence on oil money is not a sustainable strategy. These temporary windfalls provide a window to finally develop a sound long-term financial plan.

Stability and growth, it's what families, communities, and businesses want. If Alaska is to thrive, we must be serious about a stable, sustainable budget that assures reliable quality services, protects and grows the Permanent Fund, and guarantees a dividend now and forever.

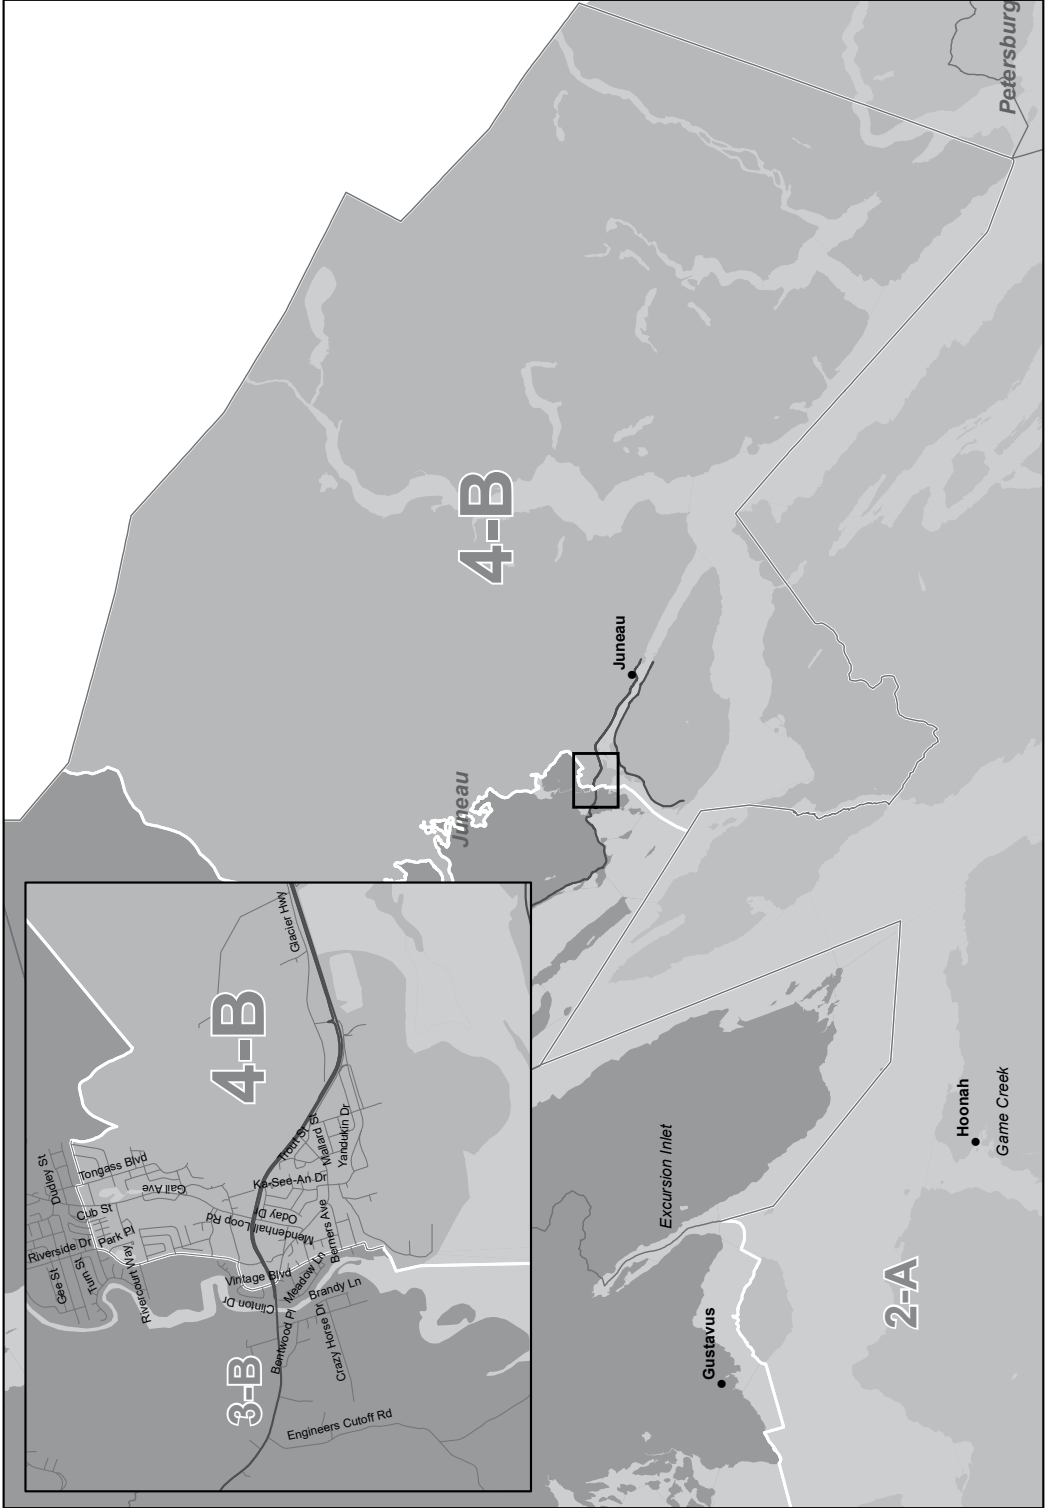

While significant progress was achieved through tripartisan agreement, work remains. Citizens also care about excellent education, healthy safe communities, affordable childcare, a ready workforce, a well functioning ferry system, construction and maintenance of critical public facilities, such as roads, airports, harbors and schools. With your input and my record of respectful, tripartisan perseverance and hard work, we can get Alaska on a sustainable stable course. I would be grateful for your vote on November 8.

STATEMENT:

I have made Southeast Alaska my home since 1986. I grew up in Anchorage and graduated from the UAF. I am running for my third term, in the new House District 4 because I want to continue to advocate for our region and help solve state problems.

I will defend the Alaska Constitution and our privacy. I will fight for equal treatment of all Alaskans.

I will fight for education. Our future lies in a quality education for our children. I will work to bring down health care costs in Alaska so senior citizens can afford to stay in Alaska. I will build an economy that keeps Alaskans in sustainable jobs. I will make sure Juneau remains the capital. I will defend our natural resources.

I spent three decades in education, teaching high school for over 20 years. I have been active in my community as a volunteer, working to support families, those less fortunate, and the environment. My husband, Mark, and I have a small business selling locally caught fish. I enjoy exploring the outdoors in our beautiful Southeast rainforest.

This is a critical time for Alaskans. We face budget deficits, cuts to essential state services, and an ongoing fight about the Permanent Fund Dividend.

We can keep Alaska a great place to work and raise our families. Together we can ensure that our vision for our region will be the future we want. I will work for you as State Representative for House District 4.

House District 4 Representative

Darrell J. Harmon, Undeclared

EMAIL: Darrell4house2022@gmail.com

OTHER:

I am running for House Representative for my hometown district, which now includes: south of Stephen Richards Drive and East of Riverside Drive, Lemon Creek, downtown Juneau, Thane, Douglas Island. I am 1/3 Native Alaskan through my mother's side. My father's side are transplants from Arizona. I have lived on Douglas Island longer than I've lived anywhere else. I like to subsist harvest my salmon from D.I.P.A.C. I have experience as a commercial fisherman and now a commercial truck driver and driving instructor. I have accumulated much knowledge in my working life and I'd like to take that to the house to better serve my fellow citizens.

STATEMENT:

My position when I'm in the House will be a direct reflection of the majority of constituents in my district, however, my personal views on some top issues are as follows.

The greatest threat to the happiness of the Alaskan family is avoidable traffic accidents, so, (1) 'Road/ Highway safety' will be my top personal priority.

My second issue of great importance is 'election integrity'. When our election outcome is in question, threatens the sanctity of democracy itself. A cleaning or regular audit of the state voter rolls is in order asap; (2) 'Cybersecurity'.

On the horizon: (3) 'Jobs', We identify as our jobs, when jobs disappear health and wellness take a dive too. It is unspeakable the unintended side effects of canceling jobs.

Also, (4) 'Resource harvesting' needs to be in the hands of the people.

Recap.; Highway safety, Cybersecurity, Job security, Food security.

On 'Roe V. Wade', I feel the same way about all 'medical procedures', whether it is about mandatory vaccines or any other personal medical issues. "They are to be made by the patient and their physician and family".

STATEMENT:

I Walter Jones; An Alaska first candidate, am running to unseat the career rhino politician Gary Stevens whom votes against everything Alaska stands for. My time as State Senator for District C, I pledge too constantly fight for the statutory full PFD with back pay. The return of the 3 million plus dollars Walker has stolen from Alaskans. Initiate an investigation into the 2020 voter fraud, return to paper ballots, in-person voting with proper ID, eliminate voting machines and rank choice voting. Push for voting day to be recognized as a state holiday. The power needs to be returned to the people, not politicians with special interest groups. The over 8,000 plus non-profits need to be audited in order to lower the fiscal budget. Implement tax breaks for Alaskan owned small businesses. I will continue to work with the Alaskan commercial fisherman and install solutions to bottom trawling to insure future sustainability. When I take office, I intend on making CRT and inappropriate material being forced onto our children, ILLEGAL. As a firm believer in pro-life, every child needs our protection as well as the unborn. The US Constitution, which includes the 2nd Amendment rights, will not be infringed upon and protected.

Born and raised here in Alaska I have a full appreciation for what it takes to make it in our great State. I understand the value of hard work. I've owned small businesses and have currently worked for my present employer for 25 years. It will take collaborative teamwork if we are to make meaningful headway on issues in Juneau. My six years of experience on the Homer City Council will help me work productively with my fellow elected officials.

STATEMENT:
Alaskans deserve better. We need a Senator with the leadership and political will to earnestly work to resolve our most pressing fiscal challenges.

As a citizen legislature, we are best served by those that are connected to the realities of everyday life, not by those who have made a profession out of elected office. Career politicians too often become part of the machinery they are meant to design, maintain, and safeguard against special interests.

As a father, a truck driver, and just an average Alaskan, I'm tired of us going nowhere because of the political games in Juneau; it's time to move Alaska forward!

With your support, I will bring new energy with a fresh perspective to help lead Alaska's future. I'm ready to go to work for you. With your VOTE I commit to representing every community in District C and working hard to improve the quality of life for all Alaskans.

Gary Stevens, Registered Republican

Senator Gary Stevens is running for Senate District C in the Alaska State Legislature, which encompasses numerous coastal communities including Kodiak, Homer, Seward and Cordova. Now in his 22nd year in the legislature, he was President of the Senate for 4 years and currently chairs the Senate Rules Committee and the Special Committee on World Trade.

Senator Stevens earned his PhD from the University of Oregon and was a Full Tenured Professor of History and Humanities at the University of Alaska for 25 years. He served the United States as an Army Intelligence officer and spent 13 years in local government as Mayor of the City of Kodiak, and the Kodiak Island Borough; and President of the Kodiak School Board.

Senator Stevens and Rita are parents to 3 children and grandparents to 2 children. He was born in McMinnville, Oregon and has lived in Alaska for over 50 years

STATEMENT:

We must protect the Permanent Fund for our children and grandchildren. We cannot selfishly let it disappear with our generation. Currently, the fiscal future of Alaska

is uncertain. Oil revenues have temporarily increased but will decline due to aging fields, the economy and the pandemic. Oil and gas provided more than 90% of state revenues in 2011, now only 17%. From 90 to 17. Shocking! We are facing unprecedented choices. The Federal Government can print money to balance its budget. We are required to have a balanced budget where revenues equal expense. Over the last several years we have drained our savings accounts. They are only slowly now recovering.

This year is financially the hardest many have ever experienced. We must continue to reduce programs and let the Permanent Fund grow so it will not only support dividends but also offset declines in revenue. Our Permanent fund has historically returned 8.79%. Remarkable! That is the magic of compound interest. It would be an economic mistake of historic proportions for us to overdraw the Permanent Fund. If it continues to grow it will benefit Alaskans in perpetuity. A fixed POMV of 5% is reasonable and can go a long way to fund dividends and core services.

Everything must be on the table this year, cutting the budget, protecting the Permanent Fund, providing a Dividend all the while avoiding an income or sales tax. This affects you directly and every Alaskan must be in on the discussion. I am listening.

My name is Ben, and I am 24. I moved to Alaska back in 2007 after my father finished a 30-year career in the Marine Corps. Growing up in a military family, and having spent most of my life in Alaska, I've grown to have strong faith-oriented family values.

After graduating from the University of Alaska, Anchorage with a BA in Business Management, I moved to Kodiak and began to build a life with my beautiful wife, Brianna. I work in real estate as a Property Manager for low-income developments, am leasing the Kodiak Marketplace and offering my knowledge and services to the community. I am strong in my faith to God, and understand the importance of our United States and Alaska Constitutions.

STATEMENT:
As your representative, I will work to depoliticize Alaskan services. Every year, we watch in anticipation as our government argues over what services are going to be funded or cut. Be it the Alaska Marine Highway System, the Permanent Fund Dividend, or any other number of state services. It's all a political game year after year. I am frustrated at how these essential services have become political talking points and negotiation tools in the eyes of Juneau. I know that many of you share this frustration with me. We need to take these essential services, identify them, provide a way that guarantees funding by the state, and stop the political bargaining with our lives. By doing this, we remove the politics, and make our lawmakers focus on issues that matter to Alaskans. Properly maintaining our fisheries, establishing parental rights in our education systems, getting our oil back into full production and creating smart affordable housing incentives for our coastal communities need to be addressed. And I will work to make it happen.

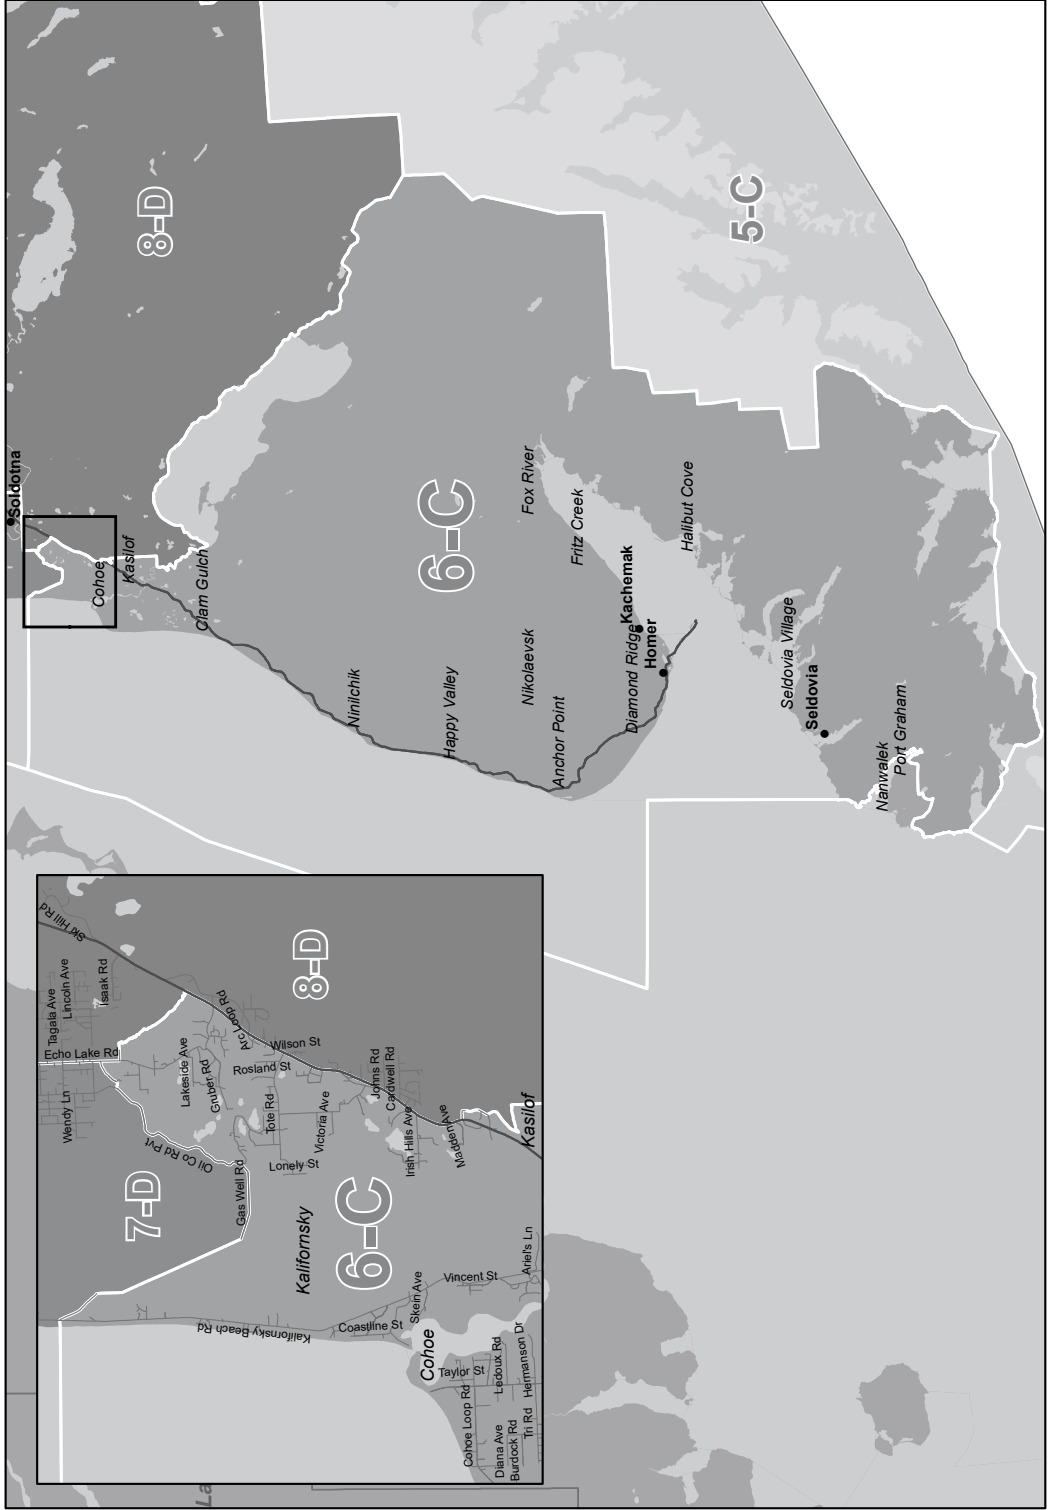

With your help, we can make the Alaska we believe in a reality, not just a vision. I am always working to gain a deeper understanding for our communities' needs, and what must be addressed first. I will work for our communities, and in the interest of my constituents. I would be honored to have your vote.

OTHER:

Starting my 20th year in South Central Alaska, 15 of those I lived in a dry cabin. I understand what it takes to live a simple, yet abundant Alaskan life. My values: Honesty, Integrity, Inherent Dignity of all People, Peace, Good Stewardship of Resources, Simplicity and Truth.

As a Conflict Resolution Practitioner, Team Building, Communication and Community Strengthening have been my focus for thirty years. I have the skills and talent required to be an effective legislator. I am an expert at building coalitions and focusing groups on completing projects. As a mediator I can dovetail ideas helping groups achieve their best collective outcome.

STATEMENT:

Here on the Kenai Peninsula, we have a lifestyle others can only imagine; both the beauty of the summer and the brutality of the winter. I am Alaskan by choice, this community has sustained and helped me cultivate an abundant life for twenty years. "To those to whom much is given, much is expected". I understand it is now my responsibility to help ensure those who come behind me have the same: Liberty, Rights, Justice, Privacy and Resources; South Central Alaska and America gave me.

I personally bring to the table a degree and thirty years of experience in Conflict Resolution.

I believe Alaskan Privacy is the corner stone of our Community Culture and is Sacrosanct.

I believe that everyone has a place in our Alaskan Circle and I Trust Our Circle.

We Alaskans can handle our own decisions regarding: Who we Love, Who we Create, How we Care for our Health, Who gets access to our Personal Information, How we Protect ourselves, and ultimately how we choose to Die, when it is our natural turn ... We should never have to reveal or explain any of the tender decision we make at "2 am".

I believe Alaska's resources should benefit Alaskans first and foremost. Living at the end of a Peninsula we are aware our environment can cut us off from the rest of the world at any moment. Investing in our communities' ability to be self-sufficient is a priority for me.

STATEMENT:

I am running for the State House because I believe the
youth of Alaska deserve to inherit the state envisioned
by the elders of Alaska: a thriving one bolstered by a
strong and growing Permanent Fund.

The Alaska State Legislature has a crucial role in
bringing economic stability to Alaska. Construction
projects flowing from a robust capital budget employ
thousands of workers. Laws that provide incentives
for certain economic activities can and should drive all
kinds of innovation in many different fields from energy
production to local manufacturing.

I don't believe that government alone can solve our
problems. Crime, homelessness, addiction, child abuse
- these are "all hands-on deck" issues that demand a
broad coalition. Faith communities, civic organizations,
Native corporations, Tribes, local government and
state government working together can create lasting
solutions. I believe that Alaskans can do anything we
set out to do, and do it with ingenuity, independence,
and integrity.

We shouldn't spin our wheels on issues that divide
when there is so much potential ahead for us as an
energy and fish rich state. We have Roads, Ports,
Hydroelectric projects, Schools, Bridges, Energy
production and more to get to work on.

If elected I will focus on your local needs, growing
your Permanent Fund and protecting our communities
and precious salmon runs. I appreciate that you have
taken the time to research candidates and would be
honored by your vote.

Hi Friends,

It is my pleasure serving you and making your voice heard in the Legislature! My husband, Jeff, and I are raising our four children in Homer; just around the corner from where I grew up. In fact, my parents are integral to our family life and have taken up homeschooling the children while I serve you at the Capital. Their positive influence in our life keeps us grounded and full of love.

As your representative, I have served you by doing what you elect me to do! My priority is to do the will of the people, follow the rule of law and seek good governance. I firmly believe Article 1. Section 2. of the Alaska constitution that All political power is inherent in the people. All government originates with the people, is founded upon their will only, ...

STATEMENT:

With your direction, I voted to repeal SB91, the soft on crime bill and co-sponsored HB 325 that redefined consent to enhance victims' rights and strengthened laws against sexual predators. As a member of the Special Committee on House Fisheries; I brought the topic of bycatch to the state Legislature in search of answers and was named one of Alaska's top fish

fighters! My record is clear by consistently voting YES to restore your PFD, defend your constitutional rights, reduce wasteful spending, enact stronger crime bills, and strengthen education by supporting the Alaska Reads Act.

Besides working on important legislation, my job includes taking care of the Lower Kenai Peninsula. My office has prioritized meeting local needs like cleaning up abandoned vehicles and getting the 22-year Watermelon Trail easement request across the finish line so we can access that historical trail for generations to come!

Our work is far from complete, and I need your vote to help me finish the job to secure election integrity, restore the lawful PFD, enact a long-term fiscal plan that includes a stronger constitutional spending cap, and protect human dignity for Alaskans. You remain my number one priority! No games. No gimmicks. Simply representation.

You have my commitment to continue to vote according to the needs of our district and not be swayed by heavy handed politicians and special interests. Alaskans have a bright future! As your representative, I will fight for your liberty with truth and conviction.

| Shall there be a constitutional convention? <input type="radio"/> Yes <input type="radio"/> No |

Legislative Affairs Agency Summary

This question relates to a call for a constitutional convention. At the convention the state constitution may be amended or revised, subject to approval by the voters. Under the state constitution, the voters must have the chance to vote on the question of whether there should be a constitutional convention if there has not been a convention during the last ten years. There has not been a convention in the last ten years. This question asks voters to say whether there should be a constitutional convention.

Ballot Measure No. 1

Constitutional Convention Question

STATEMENT IN SUPPORT

Yes! Our beloved state has been captured by massive political corruption. The amendments that might have been proposed for simpler solutions to a convention have been rejected for years by the legislature, while the judiciary has invented new unconstitutional powers for themselves.

1. The Alaska PFD must be constitutionalized.
2. The Judicial Council, which appoints judges and is rigged in favor of lawyers, needs to be discarded.
3. We must reject the violations of the federal constitution that were imposed upon us at statehood. While we must continue to guarantee native lands, Alaska was forced to include in our constitution Article 12, Section 12. This gave the federal government property that has no basis in the U.S. Constitution, which violates Article I, Section 8, clause 17, plus the 10th Amendment. Having the federal government own 65% of our state completely suffocates Alaska's ability to become economically prosperous and self-supporting.
4. Over the years a power grab by the judiciary has actually overthrown our state constitution. They have seized the power of the purse, the governor's line-item veto and the legislature's ability to override it. They invented the "duty" to amend the constitution through case law opinions. The courts have seized the definition of privacy, which is specifically reserved to the legislature in Article 1, Section 22.

Both the executive and legislative branches have had the power to halt this, but it is merely implied.

5. Therefore, the constitution needs to be more strongly worded so that citizens, governors and legislators will understand that the judiciary's power to interpret the constitution must be shared. As it was said in Federalist #78:

"The judiciary has no influence over either the enforcement or the purse; no direction either of the strength or of the wealth of the society. It may truly be said to have neither force nor will, but merely judgment; and must ultimately depend upon the aid of the executive arm even for enforcement of its judgments."

6. In addition, election integrity must be addressed so that machines and computers can never again be used, and that chain-of-custody is protected by citizen poll-watchers.

A constitutional convention is a risk, but Alaskans are risk-takers and we cannot allow contrived fears to rule us. If this ballot measure should pass, we must insist the following: That the delegates not be sitting members of the legislature. They must be Alaskans of at least 5 years or more continuous residency, and they must be chosen by "town hall" type meetings through each precinct and district, not by expensive campaigns and electioneering.

Our current constitution reads that all political power is inherent in the people, government originates from the people, is instituted for the good of the people as a whole, and is founded on their will only.

This may be our last chance to do that.

In the name of liberty for ourselves and our future generations, please vote "Yes".

Ballot Measure No. 1

Constitutional Convention Question

STATEMENT IN OPPOSITION

Every 10 years, Alaskans are asked whether we should hold a constitutional convention. Each time, Alaskans have strongly rejected that question. This year Alaskans should join a growing coalition from across the political spectrum in once again voting “No” on a constitutional convention.

A constitutional convention is unnecessary, expensive, and dangerous. Not only would it open up our entire founding document to wholesale rewrite, it would create years of economic and regulatory uncertainty in our state. Opening up Alaska’s entire Constitution could lead to unpredictable changes and open a Pandora’s box of hot-button issues like access to natural resource, taxes, abortion, guns rights, gender and sexual orientation, the Permanent Fund, land and wildlife management and so much more.

Because no state in the nation has held a state constitutional convention in over 36 years, special interests from outside of Alaska would seize this opportunity to make Alaska the testing ground for their political and partisan agendas. Exposing our founding document to years of political infighting, particularly in the face of growing divide in our nation, is the last thing hardworking Alaska families, businesses and communities need.

Alaska’s Constitution has served our state well for over 60 years. Our state’s founders included a separate, well-devised, and transparent amendment process to make targeted changes to our Constitution; a process that has worked well for Alaskans on 40 separate occasions.

However, a convention would open up the entire Constitution for unlimited revision. Even more concerning: convention delegates would be selected via a special election with zero restrictions on campaign contributions. And because sitting legislators in Juneau would be eligible to run, there is little assurance that a convention would result in meaningful changes. A constitutional convention would ultimately lead to a multi-year, costly and contentious process that would distract from the real work of addressing our state’s shared challenges.

Hundreds of individuals representing Alaska’s geographic and political diversity have formed to formally oppose a convention. This coalition represents a broad group of Alaskans who often disagree on issues facing our state: business and labor leaders, resource development champions and conservationists, Republicans and Democrats. But we all agree: a constitutional convention would be unnecessary, expensive, and dangerous for Alaska.

Holding a constitutional convention carries great risk, with little or no potential reward. Alaskans should work to protect our founding document and oppose the constitutional convention this November by voting no on Ballot Measure 1.

Judges on the Ballot

Alaska Judicial Council Evaluations and Recommendations

Why are judges on the ballot?

The Alaska Constitution and state law require all state judges to appear periodically on the ballot for approval or disapproval by the voters (referred to as “judicial retention elections”). This power and duty of the people to vote on judicial retention is a critical part of Alaska’s judicial system.

What information is available about judges on the ballot?

Judicial retention elections are non-partisan, and judges are not allowed to campaign unless someone actively opposes their bid to stay in office. To give voters information about judges’ performance, state law requires the Judicial Council to evaluate each judge on the ballot, and to make this information available to voters. The Judicial Council publishes a summary of its information in this Election Pamphlet, and posts the judges’ complete performance reports on its web site.

How did the Alaska Judicial Council evaluate the judges on the ballot?

The Judicial Council collected and analyzed information from many different sources and viewpoints for a full picture of each judge’s performance. The information included reviews from attorneys and other justice system professionals, reviews from jurors, input from the public, and analysis of other performance indicators. The Judicial Council then used the information to determine whether the judges met performance standards in the following areas:

- Integrity
- Impartiality & fairness
- Temperament
- Legal ability
- Diligence and administrative skills

How are judges chosen in Alaska?

Under the Alaska Constitution, the selection of judges is a two-part process involving the Alaska Judicial Council and the governor.

The Alaska Judicial Council is a non-partisan citizens’ commission. The members of the Judicial Council review applications of people who want to be judges and nominate the best-qualified among them. The governor then appoints a judge from the Judicial Council’s list. This system is called “merit selection.”

Merit selection was chosen by the framers of Alaska’s constitution, after considerable study and debate, as the best way to select and appoint the most qualified judges and to minimize the role of partisan politics in the judiciary.

**Alaska Judicial Council finding:
All judges met or exceeded performance standards**

What were the findings from the evaluations of judges on the 2022 ballot?

The Judicial Council found that all judges on the ballot met or exceeded performance standards for their positions. The Judicial Council therefore recommends a “YES” vote on all judges on the 2022 ballot to be retained for another term in office.

**The Judicial Council recommends a
“YES”
vote on all judges standing for retention**

Please review the following pages for the Judicial Council’s summary of each judge’s performance.

Who serves on the Alaska Judicial Council?

Members of the Judicial Council are citizen volunteers who come from different areas of Alaska. The Alaska Constitution sets the Judicial Council membership:

- » Three members who are not attorneys are appointed by the governor and confirmed by a majority of each house of the legislature;
 - » Three attorney members elected by their peers in an advisory ballot, who are appointed by the Board of Governors of the Alaska Bar Association (an entity created and authorized by the Alaska Legislature); and
 - » The Chief Justice of the Alaska Supreme Court, who serves as chair. (The Chief Justice votes only when needed to break a tie.)
- The Constitution requires all appointments to the Council be made with “due consideration to area representation and without regard to political affiliation.”
 - Members serve staggered terms. They receive no financial compensation for their work other than reimbursement for travel expenses.

STATEMENT:

I have been employed, almost without exception, since I was sixteen years old. This has, by far, been the most rewarding, yet demanding, job I have ever held. I take the responsibility of being a judge very seriously, and truly value the trust placed in me by the people of Southeast. I strive every day to treat those who appear before me with dignity and fairness: to make well-informed, timely decisions based on the law; and to treat everyone who comes into my courtroom with courtesy and respect.

I currently serve as the presiding judge for the First Judicial District. In this position, I am responsible for the full administrative oversight of the district. Additionally, I regularly engage in judicial outreach, such as hosting school groups and providing updates about the court system to the local radio station. I was recently appointed to the statewide Child in Need of Aid Court Improvement Project, which, along with other state agencies and Alaskan Tribes, works to improve how child protection cases are handled by the courts. Similarly, I have been working with representatives of the Central Council of Tlingit and Haida Indian Tribes to establish an Indian Child Welfare Act Court in Juneau with the goal of improving outcomes for Native Alaskan children and their families in Southeast.

It has been an incredible honor to serve the people of the First Judicial District, and I hope the voters will entrust me to continue this important work.

While working as a judge is not an easy job, it is rarely dull. I enjoy working on intricate legal and factual issues while keeping in mind the purpose of our courts: to resolve issues brought to us by people from all walks of life. I strive to not only get things right but to do justice in a fair and timely manner. I also bear in mind that our courts are but one of our three branches of government, and I endeavor to always respect the authority of our sister branches. District Court Judge

Kirsten L. Swanson, First Judicial District

OTHER:

Judge Swanson moved to Alaska 23 years ago after her honorable discharge from the Judge Advocate Corps where she served as a captain in the U.S. Army. She worked for two years in the Juneau Public Defender Agency and then for eighteen months as an Assistant Attorney General before opening her own law office. In private practice Judge Swanson specialized in criminal defense, child in need of aid cases, and family law. Judge Swanson practiced in military, federal, state and municipal courts. In October 2016 Governor Walker appointed Judge Swanson to the Juneau District Court bench.

STATEMENT:

It has been an honor to serve on the District Court bench. I strive to apply the law fairly and impartially. The district court is the place most people encounter the court system, and they have a right to expect fair treatment. All parties have the right to be treated with respect and dignity.

Many of the people who appear in district court suffer from addiction or mental illness. I am grateful for the opportunity to preside over the Juneau Coordinated Resources Project and the Juneau Therapeutic Court. These courts help break the cause and effect of addiction which leads to crime and the destruction of families. Witnessing the success of these court programs is very rewarding.

I hope to continue serving my community and the people of Alaska for many more years.

OTHER:

I worked construction and forestry jobs before practicing law. Then 3 years in private practice and 23 in the Alaska A.G.'s office. Now, I've been a judge for over ten years, handling mostly criminal trials. I spend most free time doing house repair, with family, or on my boat.

STATEMENT:

In ten-plus years of presiding mostly over felony criminal and juvenile delinquency cases, I have seen thousands of grievous wrongs and ruined lives, on all sides. To my ongoing dismay, most of these wounds are not fixable through our courts. But judges can ensure that all who come before us are treated with patience and dignity. And we must guarantee that rules are always applied fairly and equally. These have been, and remain, my primary commitments to Alaskans.

Many of you have served on my juries. Thank you. Our justice system would founder without citizens doing the hard work of deciding guilt or innocence. I believe passionately in the basic fairness of our courts although, of course, they are not perfect. Judges play important roles in maintaining fairness by, among other things deciding what evidence jurors may hear and base their decisions on, based on the vast body of law laid down throughout our history. Since my last retention, I have gained years of experience which has, I believe, made me more useful to the people of Alaska and a better judge. On behalf of judges, I can honestly say that your views are important. I maintain that all comments must be reviewed, and even the most negative should cause self-examination. These retention elections are one of the rare times that judges get input on how the public thinks we're doing. So, don't hold back. Thanks again for your contributions to justice.

STATEMENT:
I was appointed to the Palmer Superior Court in 2019. I knew this position would be challenging, given that Palmer judges have the highest caseloads in Alaska, a fact complicated by the pandemic and the significant structural damage suffered by our courthouse after the January 2022 windstorm. I have worked to adopt more efficient practices to address timeliness issues in Palmer, and to adapt our procedures to ensure access to our court even in these difficult times.

All of the Superior Court Judges in Palmer have a mixed caseload, meaning we handle child custody and divorce matters, Child-in-Need-of-Aid cases, felony-level criminal matters, and other miscellaneous civil cases. I believe strongly in being prepared in advance of all of my hearings so I have an understanding of the applicable law and the issues at hand. I strive to ensure that all parties have an opportunity to provide me the information I need to best understand their position and to make an informed decision. I am exceedingly grateful to live in and serve the Mat-Su Valley community.

I have had experience with administrative and civil matters involving divorce, child custody, estate planning, and contracts. I have appeared in courts around the state from Utqiagvik to Kodiak as an attorney. I came to the bench with a working knowledge of the rules of evidence and procedure gained through work as a trial advocate. Since becoming a judge I have undertaken to be faithful to the law while striving to be fair and issuing timely decisions. I consider it a privilege to serve as the Superior Court judge in Kodiak. I am committed to working diligently to make timely decisions and complete the work entrusted to me through careful review of the facts and application of the law.

I grew up and attended law school in the Boston area. During the summer of 1993, I interned at the Alaska Office of Public Advocacy. After graduating, I returned to Alaska to continue my career, as a law clerk, public defender, consumer protection and child protection attorney. I married my husband, Adam, in 2003. I worked as a domestic violence supervisor, trial supervisor, and Deputy Municipal Prosecutor for the Municipal Prosecutor's Office.

STATEMENT:

I love Alaska and have made this special place my home. When I arrived in Alaska in 1994 as a young lawyer, I immediately became enamored with the friendliness, the spirit, and the wildness of Alaska.

For me, it was a daunting task to go to law school and then overcome the challenges of litigating. So, I recognize that coming to court is an uncomfortable experience for many individuals. In the past 20 plus years, I have had the opportunity to have served as a law clerk, public defender, prosecutor, juror, and judge. These experiences have exposed me to the different aspects of the court system in Alaska, and I believe that the Alaska Court System strives to be fair to all people, whatever their backgrounds. As a judge in district court for the past 11 years, I have seen that a lot of people appearing in my courtroom are dealing with significant struggles and conflicts. Every day, I endeavor to listen and respond to people, with dignity and respect, as they confront difficult situations. I feel fortunate to have served as a state court judge, thus far, and hope to continue to have the honor of serving the public as a district court judge.

STATEMENT:

I have lived in Alaska since 1972. After attending college and law school, I returned to Alaska because of my strong desire to stay in Alaska and serve the community where I was raised. As an Assistant District Attorney and Assistant Attorney General in Anchorage, Utqiagvik, Fairbanks, and Palmer, I became familiar with the issues that face all Alaskans when they become involved with our justice system. This experience has enabled me to deal efficiently with the high volume of cases in the Anchorage district court. In criminal cases, I strive to make sentencing decisions that meet both the needs of the community and the victim, as well as addressing a defendant's rehabilitation. In civil cases, I listen carefully to the parties and take the time to reach decisions that are well reasoned and just.

Over the years, I, along with my fellow judges, have continued to look at the court system to see where we could make improvements in serving the public from altering the format and times of our hearings to keeping the court system safely open during the pandemic.

I will continue to look for improvements for the court system, and I will continue to treat everyone who becomes involved in our justice system fairly and with respect. I have greatly enjoyed both serving and being a member of this community, and I hope to continue serving as a judge in Anchorage.

STATEMENT:

Serving the people of the Third Judicial District in the great State of Alaska has been the greatest honor of my life. I was born in Boston, into a large family of modest means. My parents each worked multiple jobs to make ends meet. My siblings and I were given responsibility at an early age, and expected to take care of ourselves and each other. In my lifetime, I have worked many jobs: house cleaner, construction worker, dish washer, busboy, landscaper, patent attorney, Magistrate and District Court Judge. I have also been a small business owner providing services for people with disabilities. Working in a broad range of jobs helped pay for college, and gave me an appreciation for my education. It also gave me an education that you cannot get in school.

As a Judge, I have seen how crucial the role of the court is in the community. For instance, in Kenai, the Alaska Court System has partnered with the Kenaitze Tribal Court to form the Henu' Community Wellness Court, providing desperately needed resources for those struggling with substance abuse issues. This, and other community programs, benefits offenders, but also results in reduced recidivism which benefits the entire community. Although most people rarely interact with the court, it is important that the court is seen as providing fair and impartial justice for all. I work hard every day to ensure that I treat all litigants fairly, with respect, and giving each an honest opportunity to be heard.

At least twenty-five percent of all mineral lease rentals, royalties, royalty sale proceeds, federal mineral revenue sharing payments and bonuses received by the State shall be placed in a permanent fund, the principal of which shall be used only for those income-producing investments specifically designated by law as eligible for permanent fund investments. All income from the permanent fund shall be deposited in the general fund unless otherwise provided by law.

FUND VALUES AND RETURNS (Since Inception)

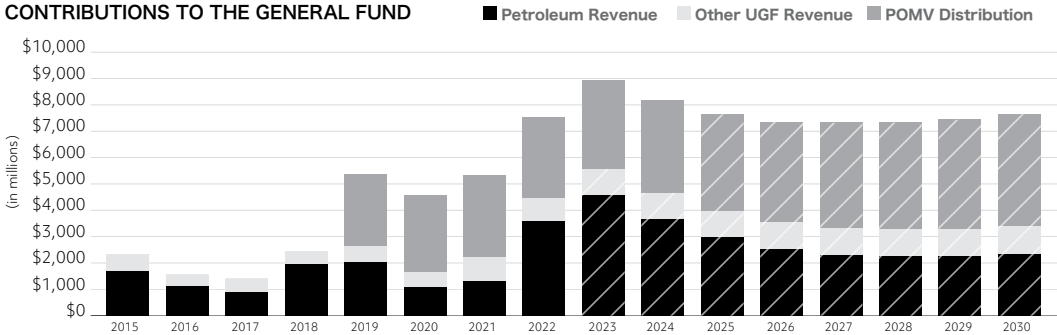

REVENUE GENERATED FOR ALASKA

Through the value-based formula for Fund withdrawals of 5% annually, \$3.4 billion is available in FY23 for the Legislature to appropriate in support of the State's annual budget. This established and reliable withdrawal structure known as the Percent of Market Value (POMV) has long been supported by the Board of Trustees to protect the Fund's long-term value and to provide a known and sustainable payout. The POMV draw is calculated by taking 5% of the average market value of the Alaska Permanent Fund for the first five of the preceding six fiscal years.

CONTRIBUTIONS TO THE GENERAL FUND

RULES-BASED SUSTAINABILITY

As the Alaska Permanent Fund's earnings now contribute the majority of the State's unrestricted revenues, APFC Trustees continue to support and reinforce the rules intended to protect the Fund for the long term. A rules-based methodology for deposits into and withdrawals from the Permanent Fund can ensure a genuinely renewable financial resource for the benefit of all generations of Alaskans.

Adherence to Rules: A system of well-designed rules and formulaic calculations promotes sustainability and stability of real growth through Principal deposits, while enabling the Corporation to organize investment policies allowing for prudent investment of the Fund. Clearly defined saving and spending policies must be embedded in any system of rules.

Ensure Sustainability: Requires annual formulaic withdrawals from the ERA at an amount that the long-term balance of the account is able to support. The Board recommends instituting a process that would require periodic review of draw assumptions as market conditions change.

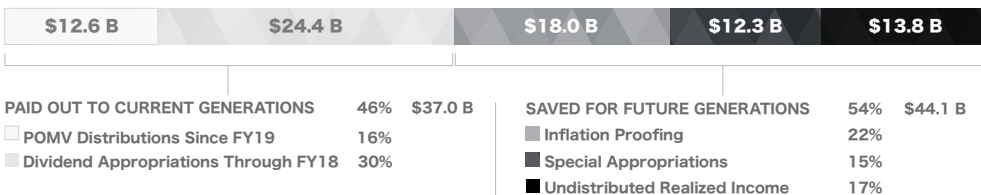

Automatic Inflation Proofing: Given the Permanent Fund's current two-account structure with investment earnings moving into the ERA, annual inflation proofing ensures that the purchasing power of the Principal is maintained. Ultimately, combining these two accounts into a single classic endowment structure would eliminate the need for annual inflation proofing and ensure that the Fund maintains its real value for future generations.

Promote Real Growth: Results in more income and thus higher sustainable draws in the future; it is necessary to preserve and protect intergenerational wealth as Alaska continues the extraction of its finite natural resources.

ALASKA PUBLIC OFFICES COMMISSION

WHY DOES APOC EXIST?

The mission of APOC is to encourage the public's confidence in their elected and appointed public officials by administering and enforcing Alaska's disclosure statutes and publishing financial information about election campaigns, public officials, lobbyists and lobbyist employers.

LAWS ADMINISTERED BY APOC

APOC administers and enforces four disclosure laws; AS 15.13 Campaign Disclosure, AS 24.45 Lobbying, AS 39.50 Public Official Financial Disclosure, and AS 24.60 Legislative Financial Disclosure. These laws require the disclosure of information that enables citizens to trace the influence of private interests on public decision-making. This disclosure helps to limit privileged influence through revealing special interests and exposing conflicts of interest. The laws are designed to develop accountability in government by giving the public access to information to judge the credentials and performance of public officials and candidates for public offices. The disclosure reports filed with APOC are public records.

WHO IS THE COMMISSION?

The two political parties or political groups with the largest number of registered voters at the time of the most recent gubernatorial election each nominate two commission members. The four members nominate a fifth member from applicants from the general public. The governor appoints and the legislature confirms the nominations. Terms are for five years, with a different term expiring each year. The Commission currently consists of two Republican Party members, two Democratic Party members, and one public member.

HOW CAN WE HELP YOU?

This agency is the public's source of information on all aspects of the disclosure laws. We are committed to fulfilling our mission by providing the public with information. Most of the information can be accessed through APOC's website. You can find out who has contributed to a particular ballot group, which political action committees are spending the most, which lobbyists are working for which employers, who is contributing to candidates and how much is being given and spent to influence voters. APOC works with the public and those who file financial reports to make the disclosure process effective, efficient, and transparent.

Visit our website or contact our office for information about how to locate the information required by the laws that APOC administers. This is the public's agency and we welcome the opportunity to make APOC work for you.

VOTE BOLDLY YOUTH ARTWORK CONTEST

2022 “I Voted” Stickers & Official Election Pamphlet Covers

The Division invited Alaska students between the ages of 5 and 18 years old to participate in a design contest for a chance to have their artwork featured on the cover of the 2022 Official Election Pamphlet (OEP) or the 2022 special edition “I Voted” General Election stickers. The contest was part of the Division’s efforts to educate voters about Alaska’s new election system. The public voted for winners via a Pick One Primary Election where the top four vote getters moved on to a Ranked Choice Voting General Election using the Division’s educational mock election app, created by RankedVote.

“I Voted” sticker submissions were from youth ages 5 - 13 years old and one winner from each region was chosen. Students were asked to design something that expressed what they think it means for Alaskans to be fearless and have the confidence to **Vote Boldly**.
