Good afternoon,

I am reaching out in regards to 2022-HQFO-00974 and 2022-HQFO-00596. Do you have an estimated timeline for producing records responsive to these requests?

Additionally, I am missing a tracking number for a request submitted on 7/28/22. Below is a description of the request:

"Communications between senior political officials at DHS and Nina Jankowicz after her resignation from the agency, May 19, 2022"

Please provide any new information you may have on these three requests.

Thank you,  
Mick McKeown
