Thank you so much for your email from Sunday. [REDACTED]

Regarding your observations below, I am grateful for your counsel. We are moving clearly, but slowly, in this area given the sensibilities. We are asking the questions that other think tanks simply are not asking. And, part of that is inviting speakers to Heritage that will forthrightly confront the problem that you highlight. Indeed, although it was before I came to Heritage, I have confirmed that we did have Ayaan Hirsi Ali speak here at Heritage in the fall of 2006. We also had George Weigel speak in May of this year, and Patrick Sookhdeo in July (I believe I sent you the CD of this - let me know if you didn't receive it). I look forward to keeping you abreast of our activities to push for the promotion of liberty not only here, but within the Islamic world as well.

[REDACTED] I was wondering if you might have 5 minutes for a call in the next week - is there a good time for me to call?
Thank you.

Jeff

Subject: A need for a Policy

Jeffrey;

Just after I wrote you the last email, I read "Imprimis", "Lights out on Liberty", by Mark Steyn. And that topic is something Heritage should ponder and give us some direction for the Nation to have as Policy.

We are in deep yoghurt and our Islamic tolerance for their radical Jihadism will submerge us unless we get a proper policy to prevent us from allowing those within to destroy us. Our Constitution is GREAT and MUST be preserved with its Bill of Rights! (Those poor Brits have already caved in; they are as lost as is France.)

What is Heritage doing to focus on our SURVIVAL in the face of our tolerance to let Radical Islam destroy us using "Creeping Jihadism"?

Jeff;

Thanks for sending me the article on Islam by your Kim Holmes, # 1097. While he was very circumspect in how he approached the problem, I wish someone in Heritage would analyze positions and actions our nation should take to preserve our freedoms while we are under attack by the radical Muslims.

Has Heritage ever invited either Brigitte Gabriel or Ayaan Hirsi Ali to speak at Heritage? IF either has, then what was the general reaction to their message(s)?

I then asked about the status of [REDACTED] pledge, and whether or not [REDACTED] would be able to commit to the \$40K per year for the next three years as we had discussed over lunch in July. [REDACTED] said that [REDACTED] can't commit to this right now, but [REDACTED] suggested that I call in a month to check in. I told [REDACTED] that I would be glad to do this.
