Subject: FOIA Request

In accordance with the Freedom of Information Act, I am requesting the following public records.

1. A copy of all current contracts/agreements/leases issued for marina's to operate on Lake Shelbyville in Shelby County, Illinois.
2. A copy of all requests for bids published for the operations of marina's on Lake Shelbyville in Shelby County, Illinois
3. A copy of all bids received pertaining to the operations of marina's on Lake Shelbyville in Shelby County, Illinois.

1. I qualify as both media and non-profit.
- 2.

3. I request expedited processing on the basis of an urgency to inform the citizens and taxpayers of Illinois about their government's activities. If any element of this request is denied in whole or in part, I ask that you justify all withholdings individually by reference to specific exemptions of the Act. Please provide all responsive information to me electronically.

I request a rolling production of records, such that the public body furnishes records to my attention as soon as they are identified, preferably electronically. If you have any questions please do not hesitate to contact me. Rolling production is not to be perceived as an agreement to extend the time frame for compliance under FOIA.

The purpose of the request is to access and disseminate information regarding the legal rights of the general public and is not for the principal purpose of personal or commercial benefit.

If there is a fee for the production of the requested records please let me know.

I am requesting the records be provided in electronic format if that is the method in which they are stored. If they are in paper form and the copier can convert them to electronic format I would appreciate receiving them electronically.

Thanks,

Kirk Allen
