To: Chairman Pruhs, AIDEA
Commissioner Sande, DCCED

From: Alan Weitzner

Chairman, Commissioner

I want to sincerely thank you for the opportunity to serve in the capacity as AIDEA's Executive Director. After some long, heartfelt discussions with my family – I will be returning to the private sector to focus once more on the development of large scale renewable and LNG energy projects.

I have seen your passion for Alaska, for the work AIDEA does, and the focus on creating tangible benefits for Alaskans through AIDEA's programs. I am very proud of our staff and their dedication to AIDEA's mission for Alaskans despite the limitations in place. It does not come easily making this decision and I hope to continue the same focus in my future capacity.

I do want to make any transition as easy as possible for you and the organization – so please take this as a two-week notice subject to any agreement or determination otherwise.

All the best,

Alan Weitzner
