Dear FOIA Officer,

This is in regards to your July 18, 2019 letter requesting that I narrow my original request because it would be unduly burdensome to notify all affected companies. The notification requirements, however, do not apply here because no exemption applies. The agency, in fact, has previously determined that no exemption applies and has released Type 2 EEO-1 reports in response to previous FOIA requests. Because the agency does not need to notify any companies, providing a spreadsheet is not unduly burdensome, and there is no need to narrow the request.

Thank you for your work on this request.

Best,
Will Evans
