

Holiday Gathering

B I N G O

	Let me introduce you to...	So let's talk about Twitter	What did you think about [supreme court decision]	
Are you seeing anyone?		Can you believe the direction of this country?		When are you getting married?
There's this new diet you should try	Who did you vote for?		You should try this [insert conception strategy]	Why are you still single?
Are you sure you should eat that?	Did you lose weight?	Your kids just need discipline		Is that Covid weight I see?
	Why don't you visit me more?		You're getting seconds?	When are you going back to [place of worship]?
